**40TH ANNUAL WINGS OVER CAMARILLO
POSTPONED UNTIL AUGUST 21 & 22, 2021**

With the current uncertainties and challenges associated with the COVID-19 pandemic, and after lengthy deliberation, the Camarillo Wings Association, who produces the airshow, decided to postpone the 40th Wings Over Camarillo airshow until next year, 21-22 August 2021.

The duration of Ventura County's Stay Well At Home order, as well as the potential California State social distancing requirements, are unpredictable at this time. Therefore, the Camarillo Wings Association felt obligated towards their attendees, in addition to their partners, sponsors, performers, and vendors, to make the announcement to postpone the airshow now, rather than having to cancel at the last minute.

It will be the first time in 40 years that Wings Over Camarillo has not taken place at the Camarillo Airport. This year, as in previous years, there were plans for thrilling aerial performances, pyrotechnics, classic cars, STEM pavilion, as well as local vendors, food trucks, and craft beer. Plans are already in progress for next year's show to be even bigger and better.

John Lowe, President of Camarillo Wings Association, stated, "Wings Over Camarillo has been the premier Ventura County airshow for the past 40 years, and the decision to postpone was tough to make. However, we are determined to make next year's show the most memorable yet. We will be sharing more information about the show later this year. Wings Over Camarillo will continue to be an event for the whole family." Please save the date 21-22 August 2021.

About the Camarillo Wings Association

The Camarillo Wings Association is a 501(c)(3) all-volunteer, non-profit corporation promoting aviation and its heritage while inspiring youth with aviation-related programs, education, and leadership opportunities. The association produces the annual Wings Over Camarillo airshow in collaboration with the Commemorative Air Force Southern California Wing, Experimental Aircraft Association Chapter 723, Ventura County Ninety-Nines, and the Ventura County Department of Airports. In the past ten years, the Camarillo Wings Association has donated over \$431,000 to local non-profits, promoting youth in science and aviation.
