Sent: Thursday, March 12, 2020 1:42 PM
To: Johanna Johnsen
Subject: CWIN v. City of Ventura - Stipulation Filing
Attachments: CWIN v. Ventura - Stipulation re Extension of Deadline to Certify AR-c1.DOCX

Hi Johanna,

We are waiting for Petitioner's counsel to approve and sign the attached, which will hopefully happen today or tomorrow. If that happens, I would like to file the attached on Monday. I am sending the draft now so you can prepare your electronic proof of service for Monday. I will let you know once it's approved so you can get the cadets ready.

Thank you,

Miles P. Hogan

We're at EOC.

Been at it all night. We have all crews in trying to keep water pressure up.

Plan on a busy day. Need lots of help.

Regards,
Kevin

Council Update December 5, 2017

To: Mayor Nasarenko and City Council

From: City Manager's Office

Subject: General Information

Thomas Fire Update

At 6:30 P.M, a fast moving active brush fire north of Santa Paula was pushed by an east wind towards the City of Ventura. Mandatory evacuations have been ordered for the area above Foothill/Poli, including Cedar St. area. Evacuations are being handled by the Ventura Police Department and the Ventura County EOC is sending out evacuation messages.

The City's EOC was activated and staff is currently working on a schedule to keep the EOC operating. The City Manager and City Attorney signed a local State of Emergency. Staff is currently checking water pressure, filling tanks, topping off fuel and preparing for next steps.

The City is currently experiencing a citywide power outage. Approximately 180,000 customers in the Ventura County area are without power, however SCE is attempting to restore the transmission lines serving the impacted area. The City is on emergency generators.

The Ventura County Fairgrounds is being used as an evacuation shelter. There are approximately 20 agencies assisting with the fire. Extensive resources have been called in and are arriving. The brush fire has already burned 25,000 acres and has the potential to reach 40,000 acres.

City of Ventura, 501 Poli Street, Ventura, CA 93002

To: Flanders, Kelly
Cc: Jones, Craig
Subject: radio station call in

Randy with KNX Radio called. Wants to know low pressure situation in City. Did not speak to. His number is 323-900-
[REDACTED]

"We are doing everything humanly possible to keep water pressure in the system to fight fires. Some areas in the City, particularly the hillside areas are experience low pressure or no pressure due to the amount of water being utilized to suppress fires. There is an advisory boil order for all locations north of Foothill and Poli Street at this time and subject to change".

Craig, if Kelly is not there....please have someone pass this along and/or get back to Randy.

thanks

Subject: RE: ALL WELL?

My home in Oxnard, yes. My city, not so much. My daughter-in-laws family is evacuated. The wind is sooo bad. Water pressure and quality are an issue and the air is really bad. The condos near city hall burned down. City hall is empty, no power and no generator (wth is up with that). thanks for inquiring

Emergency Claim Support Documentation

VENDOR: Grainger

P.O. NUMBER: Invoice #9643053011 AMOUNT: \$1,824.64

In order for the City to maximize reimbursement due to the Thomas Fire, it is necessary to **FULLY** complete this Emergency Claim Support Documentation. Please complete this form and forward it to Greg Morley, Principal Financial Analyst no later than Tuesday January 9, 2018 by 4:00p.m.

Thomas Fire Related: ☒ Yes ☐ NO

Please describe the nature of the emergency and support in detail. Explain in detail why this is related to the Thomas Fire.

We lost Edison power to multiple sites due to the fire destroying infrastructure.

Portable generators were purchased to provide power to sites until Edison could repair their infrastructure and restore power.

What was purchased?

Two power inverters.

Why was this purchase necessary?

To convert AC-DC power.

Location of Use:

Grant Park and Mariano Tank

Hi Jennifer,
Please go ahead and close the Quinn PO #10004943 as that was created for a generator that arrived to us defective.

As for the Taft PO #100005060, that is still pending as we are waiting on Edison for the work to be complete.

Thank you,
Amanda DeLeon

CARB REGULATIONS Any on-road heavy-duty diesel, alternative-diesel, or off-road diesel vehicle, operated in California, may be subject to the California Air Resources Board In-Use On-Road (Truck and Bus) or In-Use Off-Road Diesel Vehicle Regulations. It therefore could be subject to exhaust retrofit or accelerated turnover requirements to reduce emissions of air pollutants. For more information, please visit the California Air Resources Board websites at <http://www.arb.ca.gov/dieseltruck> for the Truck and Bus Regulation or <http://www.arb.ca.gov/msprog/ordiesel.htm> for the Off-Road Regulation. Portable engines operated in California may require State or local air district permitting. Customer is responsible for any required air quality permits necessary to operate this equipment.

TITLE It is understood and agreed that title to and right of possession of any rental item(s) above shall remain vested in the seller until any indebtedness and all sums due or to become due from the customer, whether evidenced by note, book account, judgment or otherwise, shall have been fully paid, at which time ownership shall pass to the customer.

A FINANCE CHARGE OF 1.5% PER MONTH (18% PER ANNUM) will be charged on the past due balance. The past due balance represents all charges remaining unpaid on the closing date of the month following the invoice date. In the event of default in the payment of any amount due, and if the account is placed in the hands of any agency or attorney for collection or legal action, the purchaser agrees to pay finance charges equal to the cost of collection (as permitted by laws governing these transactions). When necessary, Quinn will invoke its repairman's lien pursuant to Sections 3051 and 3051a of the California Civil Code. Acceptance by the customer of the parts, service or equipment listed above is the customer's agreement to be bound by the credit and collection terms set forth above.
