

# — Ventu Park — FREE CHIPPING EVENT

## Saturday • September 19, 2015 • 9am – 3pm

Chipping will be done on this date and these times only • Partially funded by a grant from CalFire

### Chipping Event

In collaboration with the Ventu Park Fire Safe Council, the Central Ventura County Fire Safe Council, is conducting a **FREE** chipping event open to Ventu Park Community residents, as specified by the grant to those who are **within** the State Responsibility Area (the unincorporated area of Ventura County within Ventu Park Community).

Sustained high temperatures and drought conditions over the past four years have created dangerous fire conditions year-round. Chipping is a great way to clear your property of potential fire hazards. Disposing of green waste without burning also preserves our air quality.

### How to Apply

Chipping slots are limited and will be assigned based on date and time of receipt of application.

**You must apply to reserve your spot.**

Please complete/scan/email the form below to [info@cvcfiresafe.org](mailto:info@cvcfiresafe.org) or fax to 805.832.6094 before

**Thursday • September 17**

### Questions?

**Call 805.402.6092**

### Important Preparation

- **MATERIAL ELIGIBLE TO BE CHIPPED:** CLEAN yard waste only (tree limb and branches no larger than 4" diameter – brush, etc.) – **no metal, nails, barbwire, garbage, rocks, etc.**
- **INELIGIBLE MATERIAL:** grass, vines, bark, and piles of leaves, juniper bushes and other light material; processed lumber and other non-vegetation material
- **ALL MATERIAL** must be piled in a location easily accessible by the chipping vehicle. Vehicle will not leave a roadway to access a green waste pile. Crews will not drag material long distances or over fences.
- All chips will be left on site in a pile for the homeowners use. **CHIPS WILL NOT BE HAULED AWAY.**
- Pile size limited to **one ton**. Pile dimensions no larger than **15 feet by 15 feet by 4 feet high**
