THOUSAND OAKS, CA - **Ventura County Supervisor Linda Parks** will be hosting another dinner in her Quarterly Dinner Series on Thursday, December 12th. There is a question and answer period afterwards.

The quarterly dinner meetings provide a forum for discussion on government policy and are open to the public by reservation. The **December 12th** dinner is \$40 per person in advance and will be at Tuscany il Ristorante in Westlake Village. It is anticipated to sell out so reservations should be made as soon as possible.
