

PROS AND CONS OF WIND TURBINES OFF THE CENTRAL COAST

Please join us at the next quarterly dinner event to learn about proposals to place wind turbines off the Central Coast including on floating platforms. The May 31st dinner and discussion will feature Joan Barminski, the Regional Director of BOEM, Bureau of Ocean Energy Management. This is the ninth year of the Quarterly Dinner series presented by Supervisor Linda Parks. The dinners are informative and enjoyable social events that focus on important topics the public can benefit from learning more about.

Your reservation is guaranteed with your payment.

The dinner is \$35 per person in advance.
