ARTICLE 1
TERM

Sec. 101 **Term:** This Memorandum of Agreement (hereinafter "Agreement") between the California Nurses Association (hereinafter "Association" or "CNA") and the County of Ventura (hereinafter "County") is effective from the date of approval by the County of Ventura Board of Supervisors up to and including midnight June 10, 2017.

Sec. 102 **Successor Agreement:** In the event CNA desires to negotiate a successor Agreement, CNA shall, no more than four (4) months and no less than three (3) months prior to the expiration date referenced in Section 101, serve on the County its written request to commence negotiations as well as its initial written proposals for such successor Agreement.

Upon receipt of such written notice and proposals, the County shall, within thirty (30) days, present counter-proposals. Negotiations shall begin within thirty (30) days after receipt of CNA's proposals unless otherwise agreed to by the parties. Sections of this Agreement not addressed by either party in their proposals shall remain in full force and effect when a successor Agreement is implemented.

ARTICLE 2
IMPLEMENTATION

This Agreement constitutes a mutual recommendation to be jointly submitted to the Ventura County Board of Supervisors (hereinafter referred to as "Board") and the California Nurses Association (hereinafter referred to as "CNA"). It is agreed that this Agreement shall not be binding upon the parties - either in whole or in part - unless and until approved by CNA and unless and until the Board:

- A. Acts, by majority vote, formally to approve said Agreement; and
- B. Enacts necessary resolutions and amendments to all County ordinances required to implement the provisions of this Agreement.

Commencing with the effective date specified in Section 101, this Agreement shall completely supersede the 2010-2012 agreement between the County and CNA.

**ARTICLE 3
RECOGNITION**

"Regular Employee" shall mean an employee who holds an allocated full-time or less than full-time position in the County budget excluding, but not limited to, extra help, fixed term, or intermittent employees, enrollees in training programs, and independent contractors (e.g. registry and travelers).

The terms "employee" or "employees" as used in this Agreement shall refer only to persons employed by the County who fully meet the foregoing criteria. The term "he" or

"his" as used in this Agreement shall refer to all employees regardless of sex. The terms "wages", "salary", or "compensation" shall, unless otherwise provided, mean the applicable hourly or biweekly rate exclusive of any and all bonuses, differentials, or other enhancements.

ARTICLE 4 RETIREMENT

Sec. 401 **Continuation Of Pick-Up:** The County shall continue to contribute an amount equal to one percent (1%) of each employee's base hourly rate of pay/salary to each employee's retirement account pursuant to Government Code Section 31581.2, subject to the limitations contained in that section, effective September 9, 1984. For the purposes of taxation, this "pick-up" portion of the retirement contribution paid by the County under this Agreement shall not be regarded as ordinary income in accordance with both Section 414, subdivision (h) of the United States Internal Revenue Code and Government Code Section 31581.2.

Effective October 03, 2010, new hires shall be responsible for paying 100% of the normal contribution required to be paid by an employee member to the County retirement system.

Effective July 6, 2014, in conjunction with the one-time offset increases described in Section 501-3, the foregoing shall become inoperative and the following shall apply:

Effective July 6 2014, employees shall pay one hundred percent (100%) of the actuarially determined employee retirement contribution rate.

Effective July 6 2014, employees shall contribute an amount equal to fifty percent (50%) of the actuarially determined normal retirement cost.

The parties agree to implement all mandates of PEPRA as soon as administratively possible.

Sec. 402 **Safe Harbor Retirement Plan:** CNA accepts the County's "Safe Harbor" retirement plan and agrees that said plan is offered in compliance with the provisions of the Omnibus Budget Reconciliation Act (OBRA), for employees not eligible for coverage under the provisions of the 1937 Retirement Act.

Sec. 403 **Retirement Incentive - 30 Year Employees:** Regular, full-time employees who have thirty (30) years or more of regular County service

and are no longer subject to retirement deductions, shall be paid a four percent (4%) retirement incentive on a biweekly basis. This incentive shall be taxable and not be considered part of the employee's base salary. Payments made under the provisions of this Section shall be calculated at the salary rate in effect at the time such payment is made.

Effective July 6, 2014, in conjunction with the one-time offset increases described in Section 501-3, the foregoing shall become inoperative.

- Sec. 404 **Purchase Of Prior Service:** Employees covered under this Agreement are eligible to purchase time for service under the Federal Civil Service, Los Angeles City Department of Water and Power, or State Teacher's retirement system, and military buy-back for employees with over thirty (30) years of County service for which the employee is not receiving, and will not receive, a pension.
- Sec. 405 **New Retirement Plan:** CNA agrees to fully participate in the development of a new, less expensive retirement plan applicable to either new, regular employees or current employees who voluntarily elect to participate in said plan. CNA's "participation" shall include, but not be limited to, meeting with the County, its designated actuary(ies) or consultant(s), and other potentially affected Unions/Associations in an attempt to design such a plan. Subsequent to agreement upon the provisions of said plan, CNA further agrees to fully support its implementation by actively working in conjunction with the aforementioned groups, to first introduce and then support (by lobbying and other related efforts) any legislation necessary.
- Sec. 406 **Retirement System Review:** The parties agree that during the term of this agreement if there is a Labor-Management Committee created to review the retirement system and it includes all recognized employee organizations, CNA will agree to participate.
- Sec. 407 **Manner of Taxation:** Effective on or before January 9, 2011, the County shall, in accordance with Internal Revenue Code Section 414(h)(2), declare that it has agreed to "pick-up" the value of the employee paid retirement contributions so that the taxable income of the employees shall be reduced by the amount of the retirement contributions they will be paying.

ARTICLE 5
SALARY PLAN

Sec. 500 **One-Time Payment of \$750:** Effective July 11, 2014, full-time employees (regularly scheduled to work 64 hours or more biweekly) covered by this agreement at the time of adoption shall receive a one-time payment of seven hundred fifty dollars (\$750). Employees employed less than full-time (regularly scheduled to work less than 64 hours biweekly) shall receive a one-time payment of six hundred (\$600) dollars. Said amounts shall be supplemented by an additional \$180.00 to fully comprehend the desire of the parties that essentially “full value” be given to the benefit increases provided in Section 701 but for practical inability of each to ratify/approve this Agreement on an earlier date.

Sec. 501 **Pay/Salary Increase:**

1. **General Salary Increases**

- A. Effective June 21, 2015, the base hourly rate range of each classification covered by this Agreement, and the base hourly rate of pay of each represented employee shall be increased by one percent (1%).
- B. Effective June 19, 2016, the base hourly rate range of each classification covered by this Agreement, and the base hourly rate of pay of each represented employee shall be increased by three percent (3%).

2. **Market Based Adjustments**

The County shall conduct a single total compensation market-based average study (in accordance with the methodology set forth in Exhibit 3) no later than October 25, 2014. The results of that survey shall be used to determine a market-based hourly rate adjustment as follows:

- A. If the total compensation study reveals that the total compensation of the represented benchmark classification is not more than ten percent (10%) above the market average total compensation, then the base hourly rate range of that classification and all other classifications covered by this Agreement and the base hourly rate of pay of each represented employee in those classifications shall be increased by one percent (1%) effective June 21, 2015.

3. Offsets for Increased Employee-Paid Retirement Contributions

Effective July 6, 2014, in conjunction with Sec. 401, the base hourly rate range of each classification covered by this Agreement (and as identified in the Nurse Wage Grid Exhibit 2) and the base hourly rate of each employee therein shall be increased by two and forty-one hundredths percent (2.41%).

4. Wage Grid Implementation: The County shall implement the Nurse Wage Grid in accordance with the agreed upon Implementation Plan contained in Exhibit 2.

Sec. 502 **Compensation Schedule:** Except as otherwise provided herein, employees shall receive the compensation of the salary range assigned to the classification of the position in which they are employed and in accordance with the pertinent conditions of employment enumerated in this Agreement.

Sec. 503 **Regular Pay Day:** Whenever compensation is fixed for any position, such compensation is the biweekly compensation to be paid to the person holding such position unless otherwise stated. Such biweekly compensation shall be paid to employees on or about the Friday following the end of the biweekly payroll period.

Sec. 504 **Pay On Termination:** Upon certification of the Human Resources Director that the employment of any employee is terminated prior to the expiration of the biweekly pay period, the compensation, and any other applicable incentive, bonus, or premium earned by that employee during that pay period, shall become due and shall be paid on the regular payday following the pay period in which termination occurred.

Sec. 505 **Pay For Less Than Full-Time Services Of Regular Exempt Employees:** Employees who are exempt from the overtime provisions of the FLSA are to be compensated on a salary basis only. In County service, an employee's FLSA status, and thus his method of compensation, is predetermined based on the job code in which the employee serves. The actual compensation for less than full time exempt employee is determined by the ratio of the agreed upon standard hours for the less than full-time function to the standard hours of 80 which are required for full-time employment. For example, a less than full time exempt employee with standard hours established at 40 would be paid 50 percent of the salary of an equivalent full-time employee in the same job code. Once determined by the assigned standard hours, this is the salary

the less than full-time exempt employee will be paid every bi-week regardless of hours worked or reported.

Premium pay will also be paid to regular less than full-time employees on the same basis as full-time employees except that when premium pay is paid on a biweekly or monthly rate, that rate will be paid to less than full-time employees on a pro-rata basis.

Care must be used when assigning the standard hours of a less than full-time exempt employee. The standard hours of an exempt employee, not the actual hours worked, determines not only compensation but also impacts benefits, leave accruals, service hours, and retirement credits. Changes to the standard hours of an exempt employee shall be made no more frequently than once every three months and then only with the prior approval of the Director-Human Resources. More frequent changes would be viewed as an attempt to compensate an exempt employee on an hourly basis in violation of FLSA.

Sec. 506 **Payment For Services Rendered On An Annual Basis:** Whenever the salary for any position is established as an annual rate, the employee appointed to that position shall be paid on a biweekly basis a salary equal to one twenty-sixth of the annual salary.

Sec. 507 **Pay/Salary Range Changes:** Whenever a higher pay/salary range is assigned to a classification, an employee holding such classification shall have his pay/salary increased by the percentage increase in the classification's pay/salary range, provided that no pay/salary shall be lower than the minimum of the new pay/salary range established for the classification. The employee's probation hours needed and/or merit increase hours needed shall not change in such an adjustment. Whenever a pay/salary range is assigned to a classification which previously was compensated on a flat rate, an employee shall either retain his pay/salary immediately prior to the establishing of such pay/salary range or receive the minimum of the pay/salary range established for the classification, whichever is greater. Whenever the County Executive Officer furnishes reasonable proof that an appointive employee whose classification was previously compensated on a flat rate is deserving of a higher placement in the newly established pay/salary range than the minimum of such range, the Board may authorize an adjustment to any point in the pay/salary range assigned to the classification. The employee's probation hours needed and/or merit increase hours needed shall not be affected by such an adjustment.

Whenever a lower pay/salary range is assigned to a classification, an employee holding that class shall receive the same pay/salary he was receiving on the day preceding the effective date of the new range if such pay/salary placement is within the newly established pay/salary range. In all other instances, whenever a lower pay/salary range is assigned to a classification, an employee holding the class whose pay/salary immediately preceding the effective date of the new range was in excess of the maximum of the new range, then such employee shall receive the maximum of the new range. The probation hours needed and/or merit increase hours needed of an employee affected by the establishment of lower pay/salary ranges for his classification shall not be affected by such an adjustment.

- Sec. 508 **Pay/Salary On "Y" Rating:** When an employee is "Y" rated, his pay/salary immediately prior to the date of downward reclassification is frozen and may not be increased until the maximum of the pay/salary range assigned his new classification exceeds the pay/salary he was earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing an approximately five percent (5%) increase in pay/salary and shall retain his probation hours needed and/or merit increase hours needed that was in effect immediately prior to the establishment of the "Y" rate. For purposes of this section the term "Y" rate shall mean the amount equal to the difference between the pay/salary for the prior classification and the new classification.
- Sec. 509 **Pay/Salary Rate On Transfer:** Whenever an employee is voluntarily or involuntarily transferred or assigned to a position in a different classification having the same pay/salary range as his former position, he shall retain his pay/salary rate and his probation hours needed and/or merit increase hours needed.
- Sec. 510 **Priority Of Increases:** Whenever a general increase, a merit pay/salary increase, a higher pay/salary range or pay/salary range placement, a promotional pay/salary increase or any combination thereof are effective on the same date, the pay/salary to which an employee is entitled shall be fixed as follows: to the pay/salary received by the employee on the preceding day shall first be added any general pay/salary increase, then any higher pay/salary range or pay/salary range placement, then any merit increase, and then any promotional increase.

Sec. 511 **Pay/Salary On Demotion Of A Promotional Probationary Employee:**

- A. A promotional probationary employee demoted to the class he formerly occupied in good standing shall have the pay/salary status, probation hours needed and/or merit increase hours needed he would have achieved if he had remained in the lower class throughout the period of his service in the higher class.
- B. Upon the request of the employee, a probationary employee may, upon approval of the Agency/Department head, be demoted to a class in which he did not previously hold status provided the Director-Human Resources certifies that said employee is qualified for the position to which he is demoted. Such employee shall be demoted to the entry level pay/salary in the lower class or, upon request by the Agency/Department head and approval by the Director-Human Resources, retain his current pay/salary or receive the top of the range for the lower class, whichever is less. The employee shall also be required to serve a new probationary period.

Sec. 512 **Pay/Salary On Demotion:** Whenever an employee who has completed his probationary period in a higher class is then demoted to a position in a lower class for reasons other than unsatisfactory performance, or for functional disability, he shall receive the highest pay/salary on the new range that does not exceed his hourly rate of pay/salary immediately prior to demotion and shall retain his merit increase hours needed.

Sec. 513 **Merit Increases Within The Pay/Salary Range:** Merit increases within a range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date thereof. Except as otherwise provided, a merit increase shall consist of an increase of approximately five percent (5%) within a range for the class unless the employee is less than five percent (5%) from the top of the range and, in such a case, the increase shall be to the top of the pay/salary range. Qualifying service for merit increase consideration shall be by compensable hours, which include all paid hours exclusive of overtime compensation.

Effective September 14, 2014, in conjunction with the implementation of the Wage Grid in Exhibit 2, the foregoing shall become inoperative and advancements within the Wage Grid shall be governed by Section 5 (Timing of Step Advances within the Wage Grid) of Exhibit 2.

Sec. 514 **Time For Merit Increases:** A newly appointed, re-employed, or promoted employee may qualify for:

- A. An initial merit increase within the pay/salary range upon completion of at least 1,040 hours of compensable service, exclusive of overtime, in that job code.
- B. Succeeding merit increases within the pay/salary range upon completion of at least each additional 2,080 hours of compensable service, exclusive of overtime in that class.

No increase may be given which results in the employee receiving any amount in excess of the top of the pay/salary range of the classification in which he is employed. The period of service required to qualify for merit increases by regular less than full-time employees shall be the same as a regular full-time employee. The decision to grant merit increases shall not be subject to the Arbitration provision of this Agreement but shall instead be appealable via the grievance procedure to the Agency Head whose decision shall be final and binding on the parties. All approved merit increases will be effective on the first Sunday of the pay period after completing the required compensable hours of service.

Effective September 14, 2014, in conjunction with the implementation of the Wage Grid in Exhibit 2, the foregoing shall become inoperative and the timing of advancements of a newly appointed, re-employed, or promoted employee within the Wage Grid shall be governed by Section 5 (Timing of Step Advances within the Wage Grid) of Exhibit 2.

Sec. 515 **Merit Review:** At least one (1) pay period prior to the employee's merit increase, the appointing authority shall notify the Director-Human Resources and the employee in writing of his decisions regarding approval or denial of a merit increase. In all cases, the decision of the appointing authority shall be based on the employee's performance.

Sec. 516 **Denial Of Merit Increase:** If, in the appointing authority's judgment, the employee's performance does not warrant a merit increase upon meeting the service requirements of Section 514 (or, effective September 14, 2014, Section 5 of Exhibit 2), the Department/Agency head may deny the increase and must complete the County Performance Evaluation rating form. Any time prior to the employee qualifying for his next scheduled merit increase, the employee may request a review of his merit increase by the appointing authority or the appointing authority, by his own initiative, may review the matter. If the appointing authority concurs with the requested review or if the appointing authority independently initiate

his own review, then the appointing authority shall reopen the matter by submitting another performance rating and recommendation. If after a merit denial an employee's merit increase is granted any time prior to the employee qualifying for his next scheduled merit increase, that employee's following merit increase shall not be due until the employee has completed at least an additional 2,080 hours of compensable service.

Sec. 517 **Correcting Error In Overlooking Merit Increase:** Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight or system error, the Auditor-Controller shall compensate the employee for the additional salary he should have received dating from the first day of the pay period after which he would have satisfied the merit increase hours needed by adding said additional salary to the employee's next biweekly paycheck. In such cases, the employee's current merit increase hours needed will be adjusted as necessary.

Sec. 518 **Pay/Salary Placement - Nursing Personnel:** Upon Request of the HCA Director and approval by the Director -Human Resources (or designated representatives), a newly appointed or reinstated employee assigned to any classification represented by CNA may receive a pay/salary placement at any point within the range assigned to the job classification involved. Such reinstatement pay/salary placement shall be limited to employees who formerly held permanent status in a classification CNA represented and who made such request for reinstatement within two (2) years after their effective date of termination. The provisions of this section are not applicable to pay/salary placement resulting from promotional examinations or appointment from Reemployment or Classification Reinstatement eligible lists.

Effective September 14, 2014, in conjunction with the implementation of the Wage Grid in Exhibit 2, the foregoing shall become inoperative.

Sec. 519 **Pay/Salary On Promotion:** Except as provided below, a regular employee who is promoted to a position in a class having a higher pay/salary rate shall receive the entry level pay/salary for the higher class or such higher amount as would constitute a pay/salary increase of approximately five percent (5%) on the range over the pay/salary received prior to promotion, whichever is greater.

A. Notwithstanding the provisions described above, a regular employee who is promoted to a position in a class having a higher pay/salary rate may, upon recommendation of his appointing authority and subject to the approvals described below, have his

initial pay/salary established at any point of the pay/salary range. Such rate must, however, be at least the entry rate for the higher class or such higher amount as would constitute a pay/salary increase of approximately five percent (5%) on the range over the pay/salary received prior to promotion, whichever is greater. A pay/salary established as a result of this provision is subject to the following approvals:

1. Up to the midpoint of the pay/salary range - approval by the Director - Human Resources.
2. From the midpoint to the top of the pay/salary range - approval by the County Executive Officer.

The advanced pay/salary placement of a regular employee may be made when:

1. No qualified person can be recruited to fill a position at a minimum rate; or,
2. The skills or experience of the regular employee warrant a higher pay/salary placement.

CNA shall be notified of promotions made above the midpoint of the pay/salary range.

Effective September 14, 2014, in conjunction with the implementation of the Wage Grid in Exhibit 2, the foregoing shall become inoperative and the following shall apply:

A regular employee who is promoted to a position in a class having a higher pay rate shall receive the pay rate for the higher class associated with the years of verified service for the employee. For example, a Registered Nurse II at "step 5" (e.g. 5 years of verified service) who promotes to a Sr. Registered Nurse – Hospital would receive the pay rate of the new higher classification at "step 5" (e.g. five years of verified service).

Sec. 520 **Effective Date of Promotion:** Whenever a person is promoted, the effective date of his/her promotion shall always be the first (1st) Sunday of the first full pay period following the written and dated approval of the division head.

Sec. 521 **Pay/Salary On Temporary Promotion:** An employee assigned to a higher classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by this Agreement, and who serves in said higher classification for forty (40) consecutive work hours, shall thereafter be paid according to the pay/salary range of the class to which he has been temporarily promoted. Upon temporary promotion, an employee will receive either the minimum of the new pay/salary range or a five percent (5%) increase over his present pay/salary (Effective September 14, 2014, the employee shall receive the pay rate for the higher class associated with the years of verified service for the employee.), whichever is greater. In no case shall such pay/salary adjustment place the employee beyond the pay/salary range of the position to which he has been temporarily promoted. An employee so temporarily promoted shall receive this pay/salary as long as he continues to serve in said higher classification and shall be entitled to receive increases within the range for the position as provided in this Agreement as though he had been appointed on the day he began to receive the pay/salary designated for the position. The forty (40) hour waiting period shall apply each time an employee is assigned to a higher classification in this manner.

This provision excludes those classifications whose specific duties and responsibilities require supervision in the absence of an immediate supervisor.

Sec. 522 **Payroll/Human Resources System Reopener:** The parties agree that if, during the life of this agreement, a new "Payroll/Human Resources" system is adopted, the County and CNA shall meet and confer prior to the implementation of the new system regarding any changes requiring negotiations that would affect employees.

Sec. 523 **Recruitment and Retention Committee:** A Joint Labor Management Committee (JLMC) may be convened by either party, but no more than once per quarter, to investigate recruitment and retention issues pertaining to nursing classifications represented by CNA. The JLMC shall consist of two members from the bargaining unit appointed by CNA, one CNA staff member, two members from the Health Care Agency, and one member from the County Executive Office. Findings shall be reported to the County Executive Office for final recommendation.

ARTICLE 6
PREMIUM PAY

Sec. 601 **Bilingual Premium Pay:** Positions which require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Agency/Department Head, based upon criteria established by, and subject to approval by, the Director - Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director - Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or the level of their proficiency, whichever is less, subject to the conditions set forth herein.

Upon adoption of this agreement by the Board of Supervisors the rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$.65/HR
II	\$.80/HR
III	\$.90/HR

Employees in positions eligible to receive this premium shall receive the appropriate rate per hour compensated per biweekly pay period. Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director - Human Resources, the County Executive Officer must designate that such payment will be made.

Sec. 602 **Standby Premium Pay:** Should an employee be placed on formal standby duty, such an employee shall be compensated for actual time on call at one-quarter (1/4) of his regular hourly wage or at the Federal minimum wage, whichever is greater, and for time worked as a result of a callback to duty at one and one-half times his hourly wage. In no instance shall a callback to duty be considered as less than two (2) hours for pay purposes. No employee shall be paid for call back time and standby simultaneously. All employees excluded from the overtime provisions of this Agreement are also excluded from the provisions of this Section.

It is the intent of the parties that, on a unit-by-unit or, if appropriate, specialty basis, employees should not be involuntarily scheduled to serve on formal standby when other unit or specialty employees have volunteered to do so. Procedures governing the bidding for standby shall be established in accordance with the aforementioned intent provided,

however, the parties agree that Management is otherwise exclusively vested with the right to schedule standby as operationally appropriate. Upon the request of Management, an employee may agree to work a callback in a unit other than that for which he/she is initially scheduled for standby. As an alternative to standby, employees may be assigned any duties necessary for the operations of VCMC to include working outside the classification of nursing duties.

County agrees to count towards retirement those hours worked as a result of call back to duty. At no time will hours worked over a total of 80 in a bi-week count towards retirement. County commits to have this procedure in place by the second reading and approval by the County Board of Supervisors of this agreement.

Sec. 603 **Evening And Night Shift Differential Premium Pay:** Shift differential pay shall be paid as described below.

D. Evening Pay

1. Twelve (12) hour shifts - When required to work seven-twelfths (7/12) of any shift between 10:00 a.m. and 3:00 a.m. employees shall be paid seven and one-half (7.5%) in addition to the employee's base pay/salary for all hours worked in the evening shift.
2. Eight (8) hour shifts - When required to work five-eighths (5/8) of any shift between 3:00 p.m. and 11:00 p.m. employees shall be paid seven and one-half (7.5%) in addition to the employee's base pay/salary for all hours worked in the evening shift.

E. Night Pay

1. Twelve (12) hour shifts - When required to work seven-twelfths (7/12) of any shift between 7:00 p.m. and 7:00 a.m. employees shall be paid fifteen percent (15%) in addition to the employee's base pay/salary for all hours worked in the night shift.
2. Eight (8) hour shifts - When required to work five-eighths (5/8) of any shift between 11:00 p.m. and 7:00 a.m. employees shall be paid fifteen percent (15%) in addition to the employee's base pay/salary for all hours worked in the night shift.

Sec. 604 **Evening And Night Shift Differential Compensation While On Paid Leave:** All paid leave shall include compensation for shift differential for those employees exclusively assigned to work hours qualifying for such differential under Section 603. All other employees shall only receive shift differential during those hours actually worked which qualify for the differential.

Sec. 605 **In-House Registry:** The County agrees to implement an In-House Registry as described in Exhibit A.

ARTICLE 7 HEALTH INSURANCE

Sec. 701 **County Contribution:**

A. Full-time employees covered by this Agreement are provided benefits by the County of Ventura Flexible Benefits Program ("Cafeteria Plan"). Subject to the terms and conditions of the Cafeteria Plan Document, the County shall contribute \$273.00 per biweekly pay period toward the Cafeteria Plan for each full-time employee.

Effective July 06, 2014 said amount shall be increased by \$12.00 per bi-week to \$285.00.

B. Flexible credits for enrolled less than full-time employees shall be established on a separate basis from full-time employees. For each enrolled less than full-time employee, and subject to the conditions of the plan document, the County shall contribute an amount not to exceed \$184.00 per bi-weekly pay period towards the Flexible Benefits Program. For purposes of this Article only, less than full-time employees shall be defined as those who work no fewer than forty (40) hours but less than sixty (60) hours per biweekly pay period.

Effective July 06, 2014, said amount shall be increased by \$12.00 per bi-week to \$196.00.

Effective December 7, 2014, said amount shall be increased by another \$12.00 per bi-week, bringing the bi-weekly total to \$208.00.

Sec. 702 **Continuation Of Medical Plan:** It is the intent of the parties to fully comply with the provisions of both the Federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). Notwithstanding the requirements of either Act, should an employee go on a medical or maternity leave of absence without pay, or a qualifying personal leave to care for a spouse, child, or parent with a bona-fide serious medical condition, the County agrees to continue to make its contribution to the medical premium for up to six (6) biweekly pay periods provided, however, that any such biweekly period covered pursuant to this provision shall be credited towards, and not be considered in addition to, any requirement of the FMLA or CFRA. The number of hours of compensation upon which payment of this premium is based shall be the number of hours in the employee's regular work schedule in the pay period immediately preceding the placement of the employee on leave of absence without pay.

Sec. 703 **Labor/Management Committee:** CNA agrees that it is in the best interest of the parties to review the current Health Insurance Plan to determine if the Plan design is the most efficient and economical for the benefits provided by the plan. The County agrees to consult with CNA, per Section 704, on health insurance benefits and the solution of claims processing problems when requested. Accordingly, the parties agree to the continuation of a joint management/labor health care cost containment committee. Such committee shall meet quarterly for the purpose of discussing cost containment alternatives, reviewing financial progress of the plan and assisting in educational activities.

Sec. 704 **County's Right To Make Changes:** The parties agree that the County retains the exclusive right to make changes necessary to administer the Cafeteria Plan, and CNA specifically waives any rights it may have to meet and confer with respect to the decision or impact of changes. Such changes may include, but are not limited to, the addition or deletion of plans, plan benefits, and/or increases or decreases in benefit rates.

Notwithstanding the above, County agrees to give CNA thirty (30) days notice of any changes proposed to be made to the Plan and to afford CNA an opportunity to express its opinion regarding them. Any changes in the plan initiated by the County must be submitted to the Board of Supervisors for approval at a regular session. Said notice and opportunity to communicate shall not be interpreted as an obligation on the part of the

County or a right on the part of CNA to meet and confer or otherwise consult or negotiate regarding these issues.

Sec. 705 **State Disability Insurance (SDI):** The parties agree to continue participation in the employee paid State Disability Insurance Program (SDI) pursuant to applicable State regulations and the following provisions:

- A. For purposes of this Section only, the term "employee" shall include regular employees assigned to County classifications. This inclusion in the SDI program will not confer any representation rights to temporary help employees or alter in any way the definition of "employee" in the County's Personnel Rules and Regulations or this Agreement.
- B. If the bargaining unit chooses to withdraw from SDI after the required two (2) years, its membership must present, via CNA, a majority petition indicating such desire.
- C. This program shall be administered by the County.
- D. The employee shall pay all costs of the program.
- E. Per State regulations, benefits for employees not previously covered by SDI shall become effective approximately seven (7) months after enrollment.

Sec. 706 **Affordable Care Act:** During the term of this Agreement, either party shall have the option to compel the other to meet with it to discuss the impact of the Affordable Care Act on the provisions of Article 7; provided, however, that no change to the provisions of Article 7 shall occur without the mutual agreement of the parties.

The formula is derived by use of the following table:

TABLE I - LIFE EXPECTANCY RATE

ARTICLE 10
HOURS OF WORK

- Sec. 1001 **Normal 80-Hour Biweekly Work Schedule:** Except as may be otherwise provided herein or by law, the County's normal biweekly work schedule shall consist of ten (10) working days of eight (8) hours each. The provisions of this Article are intended to define a normal work schedule and do not, in any way, guarantee a minimum number of hours of work. The County retains its right to relieve employees from duty because of lack of work or for other legitimate reasons; however, this does not preclude employees or CNA from grieving the practical consequences of that action.
- Sec. 1002 **Other Allowable Work Schedules:** A Department/Agency head may, following communication with the employees involved, assign, or reassign, employees of the Department or Agency to any schedule which aids the Department's/Agency's ability to serve the public if such schedule is not a violation of State or Federal law. Whenever possible, and on a unit-by-unit basis, the County agrees to provide at least three (3) weeks advance notice prior to implementation to both the affected employees and CNA of any change to the unit's scheduled work hours. The Nurse Manager of the specified unit will discuss with the employee prior to the change being made. For purposes of this section, "unit" shall be defined in the same manner as is found in Section 1008G. Public Health shall be defined as a unit for the purposes of this section only.
- Sec. 1003 **Schedule Changes:** The County and CNA agree to meet and discuss problems with, or changes to, work schedules on a Department/Agency basis upon request of either party. CNA represented member schedules will be posted twenty one (21) days in advance from the first day of the new schedule. Once posted, any and all changes made by a CNA member or a manager will be mutually agreed on prior to the change occurring.
- Sec. 1004 **Permanent Weekend Assignment:** If a CNA represented employee who was hired to work weekends wants a weekend off and is able to find a like replacement, that does not incur overtime or Registry use, that employee will be given the weekend off if approved by Management prior to taking time off and will not be unnecessarily denied.

Sec. 1005 **Employees Working Night Shifts:** Those employees on a straight eight (8) or twelve (12) hour night shift shall, respectively, work eight (8) or twelve (12) hours straight inclusive of all breaks. Nothing herein precludes a CNA represented employee from taking a rest break if operationally feasible.

Sec. 1006 **Benefit Accruals For Other Than 8-Hour Employees:** Benefit accruals for full-time regular employees on work schedules consisting of shifts other than eight (8) hours shall be on the same hourly basis as other full-time regular employees, with accrual based on regular scheduled hours.

Sec. 1007 **Variable Work Hour Program:**

A. DEFINITIONS:

1. Variable Work Hours will be defined as either a compressed work week, or flexible working hours.
2. Compressed Work Week is defined as a work week schedule which permits employees to work their usual number of working hours in fewer days per pay period; for example, by working the "normal" weekly hours in four days (4/10) or the "normal" biweekly hours in nine days (9/80).
3. Flexible Working Hours gives the employees the options of changing their starting and ending times on a periodic basis as determined by management in consultation with the employee.
4. Job Sharing – County will consider job sharing as budget and program constraints allow as outlined in the County Administrative Policy Manual.

B. CONDITIONS:

When a variable work hour arrangement is implemented, the following conditions will apply:

1. The determination to implement a variable work hour program shall be at the sole discretion of the Department/Agency Head.
2. A Department/Agency Director may decide to cancel the program at any time, at which time the employees shall be assigned another work schedule. Cancellation will be preceded by a fourteen (14) calendar day notification.

3. Eligibility for variable work hours will be at the sole discretion of the Department/Agency Head.
4. On a compressed work week program, use of full vacation, sick or annual leave day will be charged according to the scheduled day; for instance, 10 hours will be charged to an employee on the 4/10 schedule, and, depending upon the scheduled hours of the employee, either 8 or 9 hours if scheduled to work the 9/80.
5. Any employee requesting change in a schedule or flexible working hours schedule will require his supervisor's approval, subject to management's review.
6. Any change in working hours schedule shall be at the sole discretion of the appropriate supervisor/manager.
7. Preference in selecting a day off, or variable hours starting and ending time, may be given to employees with ridesharing arrangements, or dependent care considerations. This is a guideline for use by managers in determining work flow and coverage issues.
8. Holidays represent leave with pay equivalent to the employees regular work schedule for the day of the holiday.
9. Employees and managers/supervisors may be required to complete periodic surveys, to evaluate the effects of the program.
10. Employees participating in the program will be required to sign an agreement that they have read and understand the program.

Sec. 1008 **Low Census Time Off:** At the sole discretion of VCMC management, employees may be relieved from duty without pay at any time it is determined that the patient census is such that their services are not immediately necessary.

- A. Before employees covered by this Agreement are relieved from duty, and on a unit-by-unit (or if appropriate, specialty) basis, the following must first occur:
 1. Any registry employee working in the unit will be relieved from duty.

2. Any extra-help, intermittent, or "Per Diem" employee working in the unit will be relieved from duty.
 3. Employees in the unit covered by this Agreement working a non-regularly scheduled shift may then be relieved from duty.
 4. If deemed appropriate by Management, employees in the affected unit covered by this Agreement may then be assigned to "float" into other units.
 5. Employees in the unit covered by this Agreement working their regularly scheduled shift will then be polled to determine whether or not any of them wish to volunteer for relief from duty.
 6. Management will attempt to provide coverage for nurses' meal breaks, though VCMC is not obligated to fulfill a nurse's entire scheduled shift. To accomplish this, if deemed appropriate by management, nurses may be assigned to float outside their specialty unit/cluster, if they have the competencies to do so.
- B. Subject to legitimate patient care considerations as determined by VCMC Nursing Administration, those unit employees working their regularly scheduled shift remaining after management has undertaken the aforementioned actions will then be relieved from duty, provided, however, employees so relieved shall have the option of working at least 2 hours. It is not the intent of the County to use low census call off to lower the standards of quality patient care. Accurate records shall be kept reflecting the number of hours each regularly-assigned unit employee has been relieved from duty under this provision. The initial rotation shall be by alphabetical order. During the initial rotation, new unit employees shall go to the end of the alphabetical list. Upon completion of a full rotation, and subject to all other provisions of this section, Management shall then relieve from duty that employee who has the least amount of "lost" hours. After completion of the initial rotation, new unit employees shall become part of the system by being credited with the average of hours previously "lost" by other unit employees.
- C. For purposes of this Section only, and in lieu of overtime compensation as per Article 11, a VCMC employee may be allowed to accrue ("bank") a maximum of sixteen (16) previously worked overtime hours (resulting in a maximum "comp-time bank" of no more than twenty-four (24) hours). A VCMC employee relieved from duty pursuant to the provisions of this section on what would

otherwise be his/her regularly scheduled shift shall be allowed to utilize these previously accrued "comp-time" hours to receive pay for that shift equal to that which the employee would have received had he/she not been so relieved from duty.

1. Hours accrued pursuant to the provisions of this subsection may be utilized for only the supplemental pay purpose reflected herein and may not be used for any other purpose.
 2. Any employee who terminates or who is terminated shall be paid for each hour remaining in his/her comp-time bank at the rate of pay in effect for such person on the last day actually worked or spent on authorized leave.
- D. For purposes of this Section only, a VCMC employee who is relieved from duty on what would otherwise be his/her regularly scheduled shift shall be allowed to utilize previously accrued vacation or annual leave hours in order to receive pay for that shift equal to that which the employee would have received had he/she not been so relieved from duty.
- E. For purposes of this Section only and for only those VCMC employees who possess Sick Leave banks, subsequent to use of all available previously accrued comp-time, vacation and annual leave hours, such an employee may, if relieved from duty on what would otherwise be his/her regularly scheduled shift, utilize previously accrued Sick Leave hours to receive pay for that shift equal to that which the employee would have received had he/she not been so relieved from duty.
- F. Any regularly scheduled employee who is not notified at least two (2) hours prior to the start of his/her scheduled shift of his/her relief from duty shall be allowed to report and work for at least two (2) hours.
- G. For purposes of this section only, the term "unit" shall mean any one of the following organizational entities at the VCMC:

The Emergency Department
Surgical Services
 Pre-Anesthesia Care Unit (Pre-op)
 Surgery
 Post Anesthesia Care Unit (Post-op)
 Day Surgery
 GI Lab

Pediatrics
Neonatal Intensive Care Unit (including Intermediate and Intensive Care)

Sec. 1009 **Rest And Meal Period:** Day shift CNA-represented members shall have one 30-minute unpaid lunch period. If a CNA-represented member is required to work or be available to work during the lunch period, such lunch period shall be paid as time worked and shall be deemed as time worked for the purpose of overtime. Prior to working through lunch period, the CNA-represented member must notify their immediate manager or if off hours, the nursing supervisor, at which time authorization for overtime will be made. The overtime will not be paid if prior notification has not occurred. Reports regarding notification of missed lunch breaks will be reviewed by hospital nursing management on a monthly basis to determine staffing needs and the Patient Classification Committee, as needed.

ARTICLE 11 OVERTIME

Sec. 1101 **Purpose:** To provide the basis for both calculation and payment of overtime in a manner that meets the requirements of the Fair Labor Standards Act (FLSA). No provision of this Article should be construed as a guarantee of hours of work per day/week/biweek nor of days of work per week/biweek.

Sec. 1102 **Policy-Limitation On Overtime:** It is the County's policy to avoid the necessity for overtime whenever and wherever possible. Overtime work may sometimes be necessary to meet emergency situations, seasonal or peak workload requirements. No employee shall work overtime unless authorized by his department head or designee. Procedures governing the authorization of overtime shall be established in accordance with the provisions herein.

Any employee who is FLSA exempt shall not be paid overtime of any type unless specifically provided herein.

Sec. 1103 **Definitions:** For purposes of this Article only:

- A. A "Designated Work Period" shall normally consist of seven (7) consecutive days (168 hours). Management reserves the right to designate the Work Period of each employee.
- B. "Overtime" is defined as time worked by an employee in excess of forty (40) hours in a 168 hour Designated Work Period.
- C. "Regular Hourly Rate of Pay" shall be in accord with the standard set by the FLSA, that is, the average amount of money earned per hour by an employee upon which overtime is based. As per the FLSA, this amount would typically include shift differentials, retroactive pay adjustments, educational and other incentives, standby time and special pay, but specifically excludes paid leave, discretionary bonuses, "fringe benefits", expense reimbursement and other, non-FLSA overtime payments.
- D. "Hours Worked" shall include paid assigned holidays, paid court appearances, and paid industrial leave as provided for by this Agreement.
- E. Effective September 28, 2014, "Hours Worked" shall include only hours actually worked and shall not include any form of paid leave.
- F. Effective September 28, 2014, "Time Worked" shall include, in addition to Hours Worked, paid assigned holidays, paid court appearances and paid industrial leave as provided for by this Agreement.

Sec. 1104 **Compensation For Overtime Hours Worked - In General:**

Except for those employees who are eligible for the payment of overtime under the provisions of Section 1105, regular full-time and less than full-time employees who are neither eligible for Administrative Leave nor considered as "exempt" employees under the provisions of the FLSA shall be paid in cash at a rate of one and one-half times their regular hourly rate of pay for all Hours Worked in excess of forty (40) hours during their Designated Work period.

An employee eligible for paid overtime under the provisions of this Section, may request and, subject to management approval, receive, the accumulation of compensatory time off in lieu of paid overtime, at the rate of one and one-half (1.5) hours of compensatory time off for each Hour Worked in excess of forty (40) hours during their Designated Work period. The maximum number of accumulated hours of compensatory time off shall not exceed 120 (80 hours of overtime times 1.5).

Effective September 28, 2014, an individual who elects to receive compensatory time off shall receive two-thirds of the entitled compensation as compensatory time off, subject to the limitations set forth above, and the remaining one-third in the form of a cash payment at the regular rate of pay.

Accumulated compensatory time off may be utilized subject to the following conditions:

- A. Accumulated compensatory time off may be taken off by an employee provided prior approval of department management has been received.
- B. Whenever any person is unable to take compensatory time off within the calendar year during which the overtime is earned, such compensatory time off may be either compensated for or carried over into the next calendar year. If such compensatory time off is carried over, it must be taken as compensatory time off during the next year or, at the completion of the two (2) year period, it will be paid off at the base hourly rate then in effect.
- C. Any employee who terminates or is terminated, shall be paid the hourly rate for each hour of accrued compensatory time off. The compensation resulting from this provision shall be based upon the base hourly rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

Sec. 1105 Contractual Overtime:

- A. Hours Worked in excess of FLSA maximums shall be paid based upon the FLSA definition of rate of pay. Contractual overtime payments shall be credited towards FLSA minimum overtime pay obligations where appropriate.

- B. Registered Nurse classifications who are assigned to the Ventura County Medical Center shall be paid in cash at a rate of one and one-half times their regular hourly rate of pay for all Hours Worked in excess of their scheduled shift.
- C. VCMC Psychiatric Unit employees shall receive overtime pay at the rate of one and one-half times their regular hourly rate of pay for all Hours Worked in excess of their regularly scheduled shift per twenty-four (24) hour period, or all Hours Worked in excess of forty (40) hours in their seven (7) day designated work period.
- D. Effective September 28, 2014, Sections 1105(B) and (C) above shall become inoperative and, instead, Contractual Overtime shall be paid as follows:
 - 1. For Time Worked in excess of forty (40) hours in a Designated Work Period.
 - 2. For Registered Nurse classifications who are assigned to the Ventura County Medical Center, for all Time Worked in excess of their scheduled shift.
 - 3. For employees assigned to the VCMC Psychiatric Unit, for all Time Worked in excess of their regularly scheduled shift per twenty-four (24) hour period.
- E. Effective September 28, 2014, compensation for Contractual Overtime as set forth in Section 1105(D), above, shall be paid at the rate of one and one-half (1.5) times the employee's contract rate of pay. Contract rate of pay shall include base hourly rate of pay, not taking into account the hourly pay increase set forth in Section 501-3 (Offsets). As an example, assume the employee's hourly contract rate of pay prior to that increase was \$40.00. Overtime covered by this provision would then still be paid at the rate of one and one-half times \$40.00, or \$60.00 per hour. Upon receiving the additional pay raise set forth in Section 501-1A (e.g., 1%), that \$40.00 per hour contract rate of pay would be increased by 1% to equal \$40.40 per hour, which rate would still not include the increase in base hourly rate of pay set forth above in Section 501-3 (Offsets).

The County agrees to pursue this issue with those other organizations within the context of collective bargaining so as to cause this observance and designation to occur on November 11, 2014, provided, however, both parties recognize and agree that should agreement with all other organizations not be timely reached, then the effective date of implementation will be the first Veterans Day following agreement by all.

When travel to distant locations or other circumstances requires absence in excess of three (3) consecutive working days, the appointing authority may allow the use of annual leave, accrued vacation, or up to two (2) days of accrued sick leave to supplement the three (3) working days provided in this Section. For the purpose of this Section, "immediate family" shall mean the husband, wife, registered domestic partner, parent, brother, sister, step brother, step sister, child, step-child, grandchild, grandparent, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, or step-

The determination as to when an employee is to begin pregnancy disability leave shall be made on the basis of the following:

- A. The employee's physician, in consultation with the employee, certifies that she should discontinue working because of pregnancy; or
- B. The County physician, in consultation with the employee's physician and employee, determines the employee's continued employment causes unreasonable risks of liability to the County; or

4. Persons appointed from County service reinstatement eligible lists.

Prior service in an extra help status shall not be considered part of the probationary period. Prior service in a Manpower training/work program shall be considered part of the probationary period only if such service was performed within the same classification and within the same department/agency in which such employee is employed.

Sec. 2003 **Extension Of Probationary Period:** Employees serving a probationary period may request and the Department/Agency Head on his own initiative may authorize an extension of the probationary period of an additional 80 to 1,040 hours of compensable service in 80-hour increments where insufficient training, marginal performance and other related factors warrant such extension. The employee so dismissed may write a letter for inclusion in his permanent personnel file. Upon a return to his former position in the same agency or department, the employee shall not serve a new probationary period. - A. Accept a position in the same class in another department or agency if a vacancy exists, and serve another probationary period; or,
- B. Accept a voluntary demotion to a lower classification within the same series within the department or agency in which he held permanent status, with the right to be restored to his original classification when the first vacancy occurs. He need not serve a new probationary period if he accepts a voluntary demotion.

Space shall be provided on the performance evaluation form for the employee to sign, signifying that he has read the supervisor's comments. Space will also be provided so that employees may give related comments of their own relative to the performance evaluation. The opportunity to sign and comment shall be provided prior to the time that the evaluation form is forwarded to the division, department or agency head, the employee's personnel file, or to the Director - Human Resources. If inadequate space is available on the performance evaluation form, an attachment may be added by the employee.

- Sec. 2103 **Confidentiality Of Performance Evaluations:** Performance evaluation reports shall be confidential and shall be made available as required to the employee, appointing authority, Director - Human Resources , and the Arbitrator. The employee may designate in writing that his CNA representative may inspect such evaluations.

Documentation confirming such counseling shall be given to the employee within twenty-one (21) calendar days from the date of the counseling session.
- Sec. 2202 **Unfavorable Reports On Performance (Written Reprimands):** If upon such counseling an employee's performance does not improve and disciplinary action could result, a written report shall be prepared by the supervisor, including specific suggestions for corrective actions, if appropriate. A copy shall be given to the employee and a copy filed in his Human Resources file. Provided no additional report has been issued during the intervening period, each report shall be removed from the employee's file at the end of two (2) years if requested by the employee. The County agrees that such reports shall not be submitted nor should any reference be made to such reports by the County in Civil Service Commission hearings or arbitrations arising from appeals or grievances after the two (2) year period provided for under this Section.

ARTICLE 23 PERSONNEL FILE

Sec. 2301 **Employee Acknowledgement Of Material Placed In Personnel File:** No material relating to performance appraisal, salary action or disciplinary action shall be placed in the personnel file of an employee without the employee first being given an opportunity to read such material. The employee shall acknowledge that he has read such material by affixing his signature on the material to be filed with the understanding that, although such signature indicates acknowledgement, it does not necessarily indicate agreement. If the employee refuses to sign the material, it shall be placed in his personnel file with an appropriate notation by the person filing it.

Sec. 2302 **Full Right Of Inspection Of Employee Personnel File:** An employee or (upon written designation of the employee) his CNA representative shall have the right to inspect the contents of his personnel file.

ARTICLE 24 ADDITIONAL EMPLOYEE BENEFITS

Sec. 2401 **Deferred Compensation:** Employees who are scheduled to work at least forty (40) hours per biweekly pay period may participate in the County's Deferred Compensation Program 401(k) and 457 Plans.

Effective no later than ninety (90) days following the adoption of this agreement, employees eligible for, and who participate in, the 401(k) Plan may contribute the maximum allowable limits as stated in the deferred compensation plan documents but must contribute at least one and one-half percent (1.5%) of salary and the County shall match one and one-half percent (1.5%).

Sec. 2402 **Serving As Witness:** No deductions shall be made from the salary of a regular employee for an absence from work when subpoenaed to appear in court as a witness, other than as a litigant. For purposes of this Section, "salary" shall include Assignment Bonus from Section 805 and Certification pay from Section 806.

Sec. 2403 **Jury Service:** No deductions shall be made from the salary of a regular employee absent from work when required to appear in court as a juror. When possible to do so, employees shall provide advance notification of any anticipated absence to their immediate supervisor and shall receive no more than eight (8) hours of jury pay per day of service. For purposes of this Section, "salary" shall include Assignment Bonus from Section 805 and Certification pay from Section 806. Assignment Bonus from Section 807 and, for those who are regularly scheduled on the night shift, Evening and Night Shift Differential Premium Pay Section 603.

Any employee scheduled to work a twelve hour shift who serves on jury service, may upon their release from jury service complete their scheduled shift depending on the needs of the department and provided that their supervisor grants approval prior to the employee beginning work. Such employees may complete their weekly scheduled hours depending on the needs of the department and with prior approval from their supervisor provided that such hours are completed within the same work week as originally scheduled. Alternatively, a 12-hour employee may elect to use annual leave to compensate for time lost while on jury duty. An employee may take leave without pay with the understanding that leave without pay may result in a loss of benefits, including but not limited to Flexible Credit Allowance, leave accrual, or continuous service time. This provision is in no way meant to be a guarantee of work.

If a CNA represented employee, who is regularly scheduled on the night shift, is summoned for jury services they will be paid night shift differential for the hours of jury duty they serve.

Sec. 2404 **Parking Space:** The County shall attempt to provide adequate parking facilities for employees within a reasonable distance of their work locations. At the discretion of the Appointing Authority, employees may be required to utilize alternative forms of transportation to come to work for a minimum of two (2) days each week. Without prejudice to the foregoing, Health Care Agency Administration and CNA agree to meet and discuss (but not negotiate over) problems with, or changes to, established parking or alternative transportation policies.

Sec. 2405 **Special Equipment Or Clothing:** Under no circumstances shall the employee be required to purchase special equipment or clothing unless so directed by order of the Board of Supervisors.

Sec. 2406 **Continuing Education - Health Personnel:** The Health Care Agency will attempt, through its Staff Development Program, to provide the required

In-Service Health Care Personnel Education requirements imposed by the Continuing Education Statute of the State of California.

Sec. 2407 **Staff Development For Nurses:** Employees shall be authorized up to forty eight (48) hours every two (2) calendar years (for example, January 1, 2007- December 31, 2008), of leave with pay to attend job related conferences, for example, and seminars which are conducted during times when said employees would regularly be on duty. Such leave may be taken while utilizing Textbook and Tuition Reimbursement. The approval and scheduling of such time off with pay by a department head is predicated on the availability of adequate staffing. For purposes of this Section, "pay" shall include Certification pay from Section 805.

Nurses who have hours that will be impacted by the change from fiscal to calendar year will be allowed to roll over the remaining balance of hours (up to a maximum of 40 hours) after January 2006. The rolled over hours must be utilized by July 1, 2006.

Sec. 2408 **In-Service Training For Nurses:** The Health Care Agency will attempt, through its Staff Development Program, to provide the In-Service Nursing Education required by statute (AB 449 of 1972). The Health Care Agency may provide up to fifteen (15) Continuing Education Units (CEU's) annually for designated courses which gain or maintain required certification/licensure or competency.

Sec. 2409 **Operating Room Leave:** Operating room nurses who in the preceding twenty-four (24) hours worked a minimum of fourteen (14) hours or six (6) hours in the immediately preceding twelve (12) hours may, with the approval of the appointing authority, not be required to report for their next shift and such time off may be taken as leave without pay and not charged to accrued annual leave, vacation or sick leave.

Such leave without pay will be considered as time entitled to compensation only for purposes of applying Section 1601 (Holiday Policy), allowing employees who use this option to still receive their holiday pay.

Sec. 2410 **License Reimbursement - Nurses And Specified Technician Classes:** The County shall reimburse employees in the below listed classifications for State required, job related licenses provided, however, that the Director, Health Care Agency determines that such licenses are necessary to meet the requirements of the position(s). Classifications eligible for reimbursement are:

ARTICLE 25
TRANSFERS

- Sec. 2501 **Definition:** A transfer is a change from one department or agency to another in the same or similar classification, or a change from one class to a similar class within a County department or agency.
- Sec. 2502 **Minimum Qualifications:** A person must meet the minimum qualifications of the classification to which he is to be transferred. Employees who have not completed their probationary period shall not be eligible for transfer.
- Sec. 2503 **Pay/Salary Rate And Merit Increase Hours Needed On Transfer:** If the transfer occurs within the County Service, there shall be no change in salary rate. Any regular employee may be transferred from one position to another in either the same classification or to one which has the same salary range. An employee so transferred shall not have his merit increase hours needed reset.
- Sec. 2504 **Probationary Period On Transfer:** If transfer occurs within the County Service, the employee shall not be required to serve another probationary period.
- Sec. 2505 **Approval Of Transfer:** All transfers must have the written approval of the appointing authorities concerned and the Director - Human Resources.
- Sec. 2506 **Written Request For Transfer:** Any employee wanting to transfer shall submit a request in writing to the Director - Human Resources indicating his desire to transfer, his present classification, and any other special consideration or limitation regarding a possible transfer.
- Sec. 2507 **Consideration For Appointment Of Person Requesting Transfer:** Whenever the Director - Human Resources receives a request for certification of eligibles to an appointing authority, all persons who, within one (1) year from the date of the certification request, have requested a transfer shall have their names submitted to the appointing authority for consideration for appointment and shall be so notified. Such consideration shall be made in accordance with the provision of Section 809 of the Ventura County Personnel Rules and Regulations.
- Sec. 2508 **Transfer Within Department/Agency:** An employee desiring transfer or reassignment to another position within the same Department/Agency may request consideration for transfer, in writing on the designate form, to the Health Care Agency personnel officer. This form will be retained and valid

for six (6) months or until position/assignment is filled, whichever occurs first.

When a vacancy occurs and is posted, if there is more than one qualified candidate (considering competencies, skills, experience, and abilities) each candidate will be given equal consideration as determined by nursing administration. All things being equal, years of service will be the determining factor.

Sec. 2509 **Duration Of Transfer Request:** Except as provided in Section 2508 and notwithstanding any other consideration, a transfer request shall not be honored for more than one (1) year. In addition, a transfer request may be invalidated for any of the following reasons:

- A. The person has accepted a transfer which resulted from the specific transfer request.
- B. The person no longer has status in the County service as a regular employee.
- C. The person requests that his name be removed from consideration.
- D. The person refuses an offer of appointment.
- E. The person is refused appointment by three (3) appointing authorities.
- F. The person fails to appear for a selection interview once he has been notified of his eligibility for consideration.

Sec. 2510 **Pay/Salary Rate And Merit Increase Hours Needed On Involuntary Transfer:** Whenever an employee is involuntarily transferred to a different position in a different classification having the same salary range as his former position, he shall retain his salary rate and his merit increase hours needed will not be reset.

Sec. 2511 **Transfer To Fixed Term Positions:** Regular employees shall have the opportunity to apply for and transfer to fixed term positions without losing their rights to a regular position. Regular employees who transfer to a fixed term position may bump back to a regular position at such time that funding for the fixed term position expires.

Sec. 2512 **Notice Of Vacant Positions:** Whenever vacancies within the bargaining unit are to be filled, the Health Care Agency shall post a notice on each nursing unit for at least fourteen (14) calendar days.

Sec. 2513 **Reassignment/Transfer in Lieu of Layoff Due to Loss of Program Funding or Program:** Upon program termination or loss of program funding, employees who otherwise would be laid-off shall be provided with a list of all active vacant positions for CNA-represented classifications. Said employees will have the opportunity to apply for and compete for any of the listed available positions. If there is more than one qualified candidate (considering competencies, skills, experience and abilities) each candidate will be given equal consideration as determined by nursing administration. All things being equal, years of service will be the determining factor. In no case will an employee be assigned or transferred to a position for which he or she has not applied.

ARTICLE 26 REDUCTIONS IN FORCE

Sec. 2601 **Layoff Procedure:** Whenever there is a reduction in force, one or all of the following may occur, until the situation which necessitated the reduction in force has been eliminated:

- A. All incentive or differential payments to existing employees shall cease.
- B. Except for emergency situations as declared by the County, no overtime will be authorized.
- C. All merit increases may be delayed for 2,080 hours.
- D. Employees shall be laid off in the following order:
 - 1. Extra help employees
 - 2. Provisional employees
 - 3. Fixed term (only those positions filled with Regular and Regular Probationary employees)
 - 4. Temporarily promoted employees
 - 5. Probationary employees
 - 6. Employees who, within the twenty-six (26) pay periods immediately prior to the layoff, have received a disciplinary suspension of more than one (1) day, demotion or reduction in pay equal to a suspension of more than one (1) day. If an

employee has been demoted as a result of this provision then, for further reduction in force decisions, such disciplinary action will not be considered.

7. Regular employees.

So that CNA and all potentially affected employees may properly monitor application of the procedure set forth herein, the County shall, whenever possible, notify CNA and all such potentially affected employees of its intention to utilize this procedure at least four (4) weeks prior to the actual occurrence of layoff.

Sec. 2602 **Seniority:** "Seniority" shall be determined by each employee's "continuous service" with the County. All uninterrupted employment (including all time served as a provisional, probationary, limited term or regular less than full-time employee) shall be counted as continuous service for purposes of calculating seniority. A separation from the County service shall be the only cause for a break in continuous service, provided, however, a separation of three (3) or fewer days shall not constitute such a break. There shall be no "bridging" with prior County service for purposes of establishing seniority or calculating continuous service. An authorized leave of absence shall not constitute a break in service, but no time spent on an authorized leave of absence shall count towards continuous service and all seniority shall be adjusted by an amount of time equal to the time spent on such leave of absence.

Sec. 2603 **Order Of Layoff:** For purposes of this Article only, and as per Section 2610, each Department within HCA and each unit within VCMC shall be considered as separate and distinct organizational entities. The determination of which employee(s) shall be laid off shall be made within each Department (or in the case of VCMC, within each unit) on a classification-by-classification basis. The County shall designate the classification(s) to be affected. The order of layoff shall be determined by length of seniority and shall be in reverse order of seniority status. If two (2) or more employees have identical seniority, then such employee(s) shall be laid off in the order determined by the appointing authority.

Whenever a Department Head believes that the best interest of the Department requires the retention of an employee with special qualifications, skills, abilities or fitness for his/her position, the Department Head may prepare a written request to the Director - Human Resources to grant an exemption to the order of layoff. Subsequent to conducting a review of the request, the Human Resources Director shall forward the request, together with his recommendation, to the County Executive Officer for final action.

Sec. 2604 **Transfer In Lieu Of Demotion:** A regular employee who is to be laid off shall have the right to transfer and/or voluntarily demote and transfer to any vacant position in his/her department within a classification for which he is qualified. The provisions of this Agreement shall govern such transfers and/or voluntary demotions and transfers. If there are two (2) or more employees to be laid off and they opt to exercise this right and request to transfer and/or demote and transfer to the same vacant position, then the employee with the greatest seniority shall have the right to fill such vacancy(ies). If the seniority status of these employees is equal, the Appointing Authority shall then have the right to fill such vacancy as he/she desires.

Sec. 2605 **Demotion In Lieu Of Layoff (Bumping):**

- A. If there are no vacant positions to which a regular employee who is to be laid off can transfer and/or demote and transfer as per 2604, then such regular employee shall have the right to demote to any position within his department (or, in the case of a VCMC employee, his/her unit) within a classification in which that employee previously held permanent status. Such "bumping" is restricted to positions within the department, or in the case of VCMC, to positions within the Unit, in which the employee is employed, provided, however, VCMC employees may "bump" into other units as per subsection "B" of this section. "Bumping" shall not be restricted to classes within the bargaining unit covered by this Agreement. Should an employee bump into a position within a classification in a bargaining unit covered by another Agreement, then the layoff procedures applicable to that classification's bargaining unit shall then become controlling. There does not need to be a vacant position within the classification for an employee to exercise this right. If, as a result of the exercise of this right, layoffs must occur in the classification to which that employee was demoted, then such layoff shall be made in accordance with the provisions of the Agreement which is controlling for that classification.
- B. If a VCMC employee is deemed "qualified" by VCMC's Director of Nursing, he/she may then utilize his/her seniority to "bump" into VCMC Units other than the one in which he/she was employed at the time of lay-off. For purposes of this subsection only, such a VCMC employee "bump" shall also include movement to the same classification within another VCMC unit. The determination as to whether or not an employee is "qualified" shall be at the sole discretion of the VCMC Director of Nursing who shall be guided by

the subject employee's recency of relevant experience, continuing relevant education, and the possession of current and relevant certifications and/or licenses. Subsequent to the aforementioned determination by the Director of Nursing, such employee must then demonstrate that he/she is fully competent in the new unit after an orientation period of no more than two (2) weeks duration. If an employee is not deemed fully competent at the end of the orientation period, then he/she shall be laid off and placed on the appropriate lists as per sections 2606 and 2607. This subsection shall be applied only when VCMC employees are being both laid off from classifications covered by this Agreement and "bumping" into other classifications covered by this Agreement.

Sec. 2606 **Reemployment:** All persons who have been laid off as a result of a reduction in workforce shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. There shall be two (2) Reemployment Eligible Lists: one which includes only the names of the laid off employees within the department (or, in the case of VCMC, within the unit), and the other which has the names of all other HCA (or, in the case of VCMC, department) employees who were laid off. The HCA Department and VCMC Unit Reemployment lists shall have priority over (respectively) the HCA Agency and VCMC Department Reemployment lists. Eligibles on Reemployment Lists shall be ranked in reverse order of their order of lay-off. Each person's name shall remain on such lists for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reemployed, or until their name has been removed from the eligible list in accordance with the provisions of Section 716 of the Ventura County Personnel Rules and Regulations, whichever occurs first. Eligibles on the Reemployment List shall be reappointed to vacant positions as they occur in the classification and department (or, in the case of VCMC, in the classification and unit) in which they were employed immediately prior to layoff. Such eligibles may be interviewed for consideration for appointment to vacant positions in other departments or units in the classification in which they were employed immediately prior to layoff.

Sec. 2607 **Classification Reinstatement:** All employees who have demoted to a lower classification as a result of a reduction in workforce shall have their names placed on a Classification Reinstatement List for the classification from which they were demoted. There shall be two (2) Classification Reinstatement Lists: one which includes only the names of the demoted employees within the department (or, in the case of VCMC, within the unit), and the other which has the names of all other HCA (or, in the case

of VCMC, Department) employees who were demoted from the specific classification. The HCA department and the VCMC Unit Classification Reinstatement lists shall have priority (respectively) over HCA Agency and VCMC Department Classification Reinstatement lists. Eligibles on the Classification Reinstatement Lists shall be ranked in reverse order of the order of their demotions. Each person's name may remain on such lists for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reinstated to the classification from which they were demoted, or until their name has been removed from the eligible list in accordance with the provisions of Section 716 of the Ventura County Personnel Rules and Regulations, whichever occurs first. To remain on a Classification Reinstatement List, a person must maintain status as an HCA employee. Eligibles on the Classification Reinstatement List shall be reappointed to vacant positions as they occur in the classification in the department (or, in the case of VCMC, in the Unit) in which they were employed immediately prior to layoff. Such eligibles may be interviewed for consideration for reappointment to vacant positions in other departments or units in the classification in which they were employed immediately prior to layoff.

Sec. 2608 Restoration Of Benefits:

- A. Sick Leave - For laid off employees, sick leave accruals shall remain on the books and be reinstated if such employees are reappointed. Whenever a person becomes ineligible for reemployment and such person has not been reemployed, then, if at the point of layoff such person was eligible to receive a sick leave accrual payoff, such person shall be paid for existing sick leave accruals in accordance with Section 1507 of this Agreement.
- B. Seniority - For laid off employees, upon reemployment such employees shall have their seniority status held immediately prior to layoff reinstated.
- C. Salary - Laid off employees who are reemployed or demoted employees who are reinstated to the classification demoted from, shall receive salary equivalent to that which they were receiving immediately prior to layoff or demotion or the maximum of the salary range of the classification, whichever is less, upon reemployment or classification reinstatement.
- D. Annual Leave Accrual Rates - Laid off employees who are reemployed shall have the Annual Leave Accrual rate they held immediately prior to layoff restored.

- E. Vacation Accrual Rates - Laid off employees who are reemployed shall have the vacation accrual rate they held immediately prior to layoff restored.
- F. Merit Increase Hours Needed - An employee who is reemployed while in layoff status shall retain the merit increase hours needed as of the time of the layoff.
- G. Retirement Contributions - Upon reemployment, laid off employees shall not be required to redeposit retirement contributions withdrawn at the time of layoff or subsequently; provided, however, that the employee may elect to redeposit said funds to the retirement system.

If a nurse believes that circumstances are present which may jeopardize a patient's health or safety, the nurse must attempt to resolve the issue with their immediate supervisor by communicating their concern in writing. The supervisor shall respond to the registered nurse within 14 days from receipt of the written notice. If the matter is not resolved at this level, the matter may be brought to the Professional Practice Committee (PPC) by submitting an Assignment Despite Objection form. The PPC will bring forth any issues related to the above to the Patient Classification Committee for review.

A formal Patient Classification Committee (PCC) will be established in accordance with Title 22. The committee will be composed of five (5) nurses, two (2) members from the Professional Practice Committee and three (3) staff nurses who are not participating on any other committee and five (5) managers, one of whom will be the Chief Nurse Executive or his/her designee. ARTICLE 28 **TECHNOLOGY**

5. Prior to implementing new technology, the Health Care Agency shall notify the PPC of the proposed new technology being considered.

Upon CNA's request, HCA management shall meet with the PPC to assess the extent to which the new and existing technology meets the guidelines set forth in this Article, and provide opportunities for registered nurses to have input regarding the new technologies. Input from the nurses and the PPC will be considered prior to the implementation of the new technology.

- E. If either the County or CNA shall claim before the Arbitrator that a particular alleged grievance fails to meet the tests of arbitrability as set forth in this Agreement, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he will hear the case on its merits at the same hearing in which the jurisdictional question is presented. - C. At the completion of the period provided in "B" above, the appointing authority shall review the employee's response, if any, and make a determination whether to cancel, amend, or sustain the proposed action. duplicate of that Notice must be filed with the Director - Human Resources and CNA.

Nothing in this Section shall be considered to restrict the right of the County to take immediate disciplinary action when it is deemed appropriate.

- Sec. 3403 **Causes For Demotion, Suspension, Reduction In Pay, Dismissal:** In accordance with Section 1345.1.4.13.1 of the Ventura County Ordinance Code, causes for disciplinary action are as follows: fraud in securing appointment, incompetency, inefficiency, inexcusable neglect of duty, physical or mental disability, insubordination, dishonesty, drunkenness on duty, intemperance, addiction to the use of narcotics or habit forming drugs, inexcusable absence without leave, conviction of a felony or misdemeanor involving moral turpitude, immorality, discourteous treatment of the public or other employees, improper political activity in violation of Article 24 of the Ventura County Personnel Rules and Regulations or Sections 1351 and 1351.1 of the Ventura County Ordinance Code, willful disobedience, violation of any provision of Article IV of the Ventura County Ordinance Code, which among other things includes the corrupt use of official authority or influence, or any other failure of good behavior or acts which are incompatible with or inimical to the public service.
- Sec. 3404 **Disciplinary Reduction In Salary:** In accordance with the necessity for taking disciplinary action, the salary of a CNA represented employee may be reduced by either 2.5% or 5% for a period of time not to exceed thirteen (13) pay periods for any one offense.
- Sec. 3405 **Suspension Without Pay:** Suspension without pay may be imposed not to exceed thirty (30) calendar days. Whenever an employee is suspended without pay, no salary shall be paid the suspended employee for the duration of his suspension and such suspension shall be treated as an authorized leave of absence without pay for purposes of annual leave, vacation and sick leave accruals.
- Sec. 3406 **Demotion:** The employee may be demoted to a classification which has a lower salary range than the position currently occupied. In cases of disciplinary demotion, the compensation of the employee shall be adjusted to the salary in the range of the position to which he has been demoted which is approximately 5% lower than the salary he was receiving in the higher class. If the top step of the salary in the range of the position to which he has been demoted is more than 5% lower than the salary he was receiving in the higher class, the employee shall receive the top step of the salary in the range of the position to which he has been demoted. An

employee so demoted shall not have his merit increase hours needed reset.

Sec. 3407 **Disciplinary Action Imposed During Probationary Period:** The appointing authority may dismiss, demote, suspend, demote and suspend, or impose any other disciplinary action on any probationary employee during the probationary period. Neither a probationary employee nor CNA may request arbitration of any disciplinary action taken against an employee during his probationary period.

A promoted employee who is dismissed during his probationary period shall return to the position in which he held permanent status, if vacant, or any other vacant position in his former classification in the department/agency. If no such vacancy exists, every reasonable attempt will be made by the appointing authority to retain the employee in an underfill capacity. Only if there is no vacancy and the appointing authority is unable to make reasonable accommodation, the employee shall be placed on a leave of absence without pay not to exceed one (1) year and shall be granted the first position that becomes available in his former classification. The above provisions shall not apply if the cause of the dismissal warrants dismissal from County service. If the cause for dismissal warrants dismissal from County service, the employee may request that CNA submit the matter to arbitration.

Sec. 3408 **Non-Discrimination:** Disciplinary actions shall be taken without regard to race, color, national origin, religion, sex, age, or functional limitation.

Sec. 3409 **Request For Arbitration:** If an employee wishes to appeal a disciplinary action, he shall ask that the matter be submitted to arbitration by CNA. If CNA concurs, it shall submit to the Director - Human Resources, in writing, within fourteen (14) calendar days of the employee's receipt of the Notice of Disciplinary Action, a request that the matter be submitted to arbitration. Upon receipt of CNA's request, the Director - Human Resources shall, within fourteen (14) days, request a panel of five (5) names from the State Mediation and Conciliation Service or some other mutually agreeable list. Within seven (7) calendar days of the receipt of that list, the parties shall jointly select an arbitrator. In the event the parties are unable to select an arbitrator, they shall alternately strike names from the list with the last name being the arbitrator selected. The party striking the first name shall be determined by lot.

Sec. 3410 **Arbitration Costs:** The costs of the arbitrator shall be paid by the losing party. In the event the arbitrator modifies the discipline imposed, the costs shall be shared equally by the parties. Costs of the court reporter, if any,

shall be paid by the party who requested the presence of the reporter; however, nothing shall preclude the parties from agreeing to share equally in the costs of the reporter. If a cancellation fee is imposed on the parties by the arbitrator, it shall be paid by the party whose actions were responsible for the imposition of said fee.

Sec. 3411 **Scope Of Arbitrator's Authority:** The Arbitrator shall have no power to alter, amend, add to or subtract from the provisions of this Article or any other terms of this Agreement. If the Arbitrator finds that none of the charges contained in the Notice of Disciplinary Action are true, then he shall set aside the action taken by the appointing authority. If the Arbitrator finds that some or all of the charges are true, then he shall make a decision confirming or modifying the action of the appointing authority provided, however, that his authority to modify the appointing authority's action is limited to those disciplinary actions described in Section 3402. The Arbitrator shall have no authority to increase the discipline imposed by the appointing authority.

Notwithstanding the provisions of Section 3405, nothing shall preclude the Arbitrator from ordering the reinstatement of an employee with or without back pay. The decision of the Arbitrator shall be final and binding, subject to judicial review pursuant to Title 9 of Part 3 of the Code of Civil Procedure of the State of California, upon the employee, the County, and, if applicable, CNA.

Sec. 3412 **Governing Provisions:** All arbitration proceedings arising under this Article shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California. However, Code of Civil Procedure Section 1283.05, relating to discovery, shall not be a part of this Agreement. Further, subpoenas duces tecum may be issued by the attorney or other representative of a party as well as by the arbitrator. All other provisions relating to subpoenas found in Chapter 3 of Title 9 of the Code of Civil procedure shall apply.

Sec. 3413 **Arbitrability:** If either the County or CNA shall claim before the Arbitrator that a particular request for arbitration fails to meet time limits, or is in some other manner defective, and, thereby, fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case, where the Arbitrator determines that such appeal fails to meet said test of arbitrability, he shall refer the case back to the parties without a decision or recommendation on its merits.

Sec. 3414 **Report Of Hearing:** The Arbitrator shall render his report to the parties in writing, including reasons for any decision, within thirty (30) calendar days of the completion of the hearing. Failure to comply with this provision shall result in the automatic waiver of all arbitration, per diem, preparation, and related fees.

Sec. 3415 **Vacation Of Order:** A decision of the Arbitrator may be modified or vacated, in whole or in part, and a new or further hearing granted on all or part of the issues on the application of a party to the arbitration for any of the following causes, materially affecting the substantial rights of the parties:

- A. Irregularity in the arbitration proceedings, or any order of the Arbitrator or abuse of discretion by which either party was prevented from having a fair hearing.
- B. Accident or surprise, which ordinary prudence could not have guarded against;
- C. Newly discovered evidence which could not, with reasonable diligence, have been discovered and produced at the hearing and which is material to the question that was before the Arbitrator;
- D. Error in law, occurring at the arbitration and excepted to at the arbitration by the party making the application or motion.

Sec. 3416 **Application For Vacation Of Order:** The application or motion to the Arbitrator shall be made either before the signing of the order of the Arbitrator or within fourteen (14) calendar days of the Arbitrator mailing notice of his order and shall designate the grounds upon which vacation is requested.

Should the Arbitrator grant a hearing on the application or motion, the Arbitrator shall, after review of the application or motion, specify the ground or grounds on which it is granted and his reason or reasons for granting the application or motion. At the hearing, the evidence introduced shall be limited to the ground or grounds upon which the hearing was granted. At the conclusion of the hearing, the Arbitrator shall either confirm his prior findings and decision or issue a new finding and decision.

The filing of an application under this Section shall not be necessary to exhaust administrative remedies and the application or motion shall not operate to stay the effectiveness of the Arbitrator's order except by

discretion of the Arbitrator upon a showing by affidavit of emergency or hardship should the order not be stayed.

In order for the County to achieve its goals, it adheres to all federal, state and local regulations in addition to having developed a workplace safety program outlining the policies and procedures regarding employee health and safety. Each and every individual must become familiar with the program, follow and enforce the procedures, and become an active participant in this workplace safety program.

While management (the workplace safety officer and Risk Management) will be responsible for developing and organizing this program, its success will depend on the involvement of each employee. Therefore, it's the responsibility of all employees to report all threatening behavior or unsafe conditions to management immediately.

The Professional Practice Committee may recommend in writing to the nurse manager representative on the Hospital Safety Committee that a particular health and safety issue affecting nurses be presented for consideration by the safety committee/officer. IN-HOUSE REGISTRY (IHR) GUIDELINES FOR CNA NON-EXEMPT
CLASSIFICATIONS – HEALTH CARE AGENCY

Introduction: This agreement is reached in an effort to develop a program in which regular full-time and regular less than full-time employees represented by the California Nurses Association can voluntarily work extra hours as needed to reduce the utilization of outside agencies.

Registration: Employees interested in working IHR shifts will offer a letter of intent to their direct manager.

Eligibility: Registry sign-up is contingent on the employee reporting for duty and completing his/her regular hours schedule for a two week period (not including hours placed “on call”). If the employee is called off during the two (2) week schedule, the hours called off will be considered hours worked for purposes of IHR eligibility, not direct compensation. Paid time off (for example, annual leave, vacation, or sick leave) does not count as time worked for completing the hours schedule requirement. Holidays are time worked for purposes of IHR eligibility.

Only non-exempt employees in classifications represented by the California Nurses Association (CNA) are eligible to participate in the registry. Non-exempt employees are those who under the Fair Labor Standards Act are eligible for overtime payment.

The establishment of the IHR Program is not intended as a guarantee of work.

Competencies: Nursing Personnel will be certified for work in specific areas of the Medical Center, Ambulatory Care, Public Health and the Crisis Team. The Clinical Manager or designee will be responsible for orientation and competency certification of the nurse prior to the nurse taking an IHR assignment. Orientation and competency certification will be on paid time.

Availability and Assignment: IHR participants will notify their direct clinical manager (or their designees) each month of their availability for the following month (shifts, dates and areas of work).

IHR employees will accept both the unit and patient care assignments, based on their competencies, preferences and availability. An IHR employee who accepts an assignment in a work area other than that which the employee is usually assigned will not serve as the Resource/Charge Nurse for that work unit.

IHR Employees will get written approval from their manager to work an IHR shift in another unit prior to working the shift.

Call On/Call Off: IHR employees will receive a minimum of two hours notice if called off from IHR work. Employees will be given a minimum of two hours of pay at the IHR rate if the employee reports for work and the need for registry work no longer exists. The two hours of pay, in that instance, only applies if the employee actually works the two hours. The employee may also volunteer to go home, in which case the employee would be paid at the IHR registry rate for actual hours worked.

Employees also have up to forty eight hours before reporting for registry work to cancel. If an employee cancels a shift less than forty eight (48) hours before a scheduled registry shift, those hours will be charged to sick/annual leave bank, the only exception being if the nurse brings a doctor's notice excusing the absence. If an employee is called for registry work without the two hours advance notice, the employee may decline registry work without it being counted as a refusal.

The above IHR call on/call off procedure is for IHR only and does not conflict with any other call on/call off procedure, e.g., "Low Census" call off as contained in the current Memorandum of Agreement between CNA and Ventura County.

Removal from Registry: An employee may be removed from the IHR if s/he does not report or refuses an otherwise valid request to report for registry duty three (3) times during the six months commitment to the IHR.

In addition, an IHR enrollee may be removed from the program if there are performance or job-related disciplinary issues which a nurse is functioning in the IHR Program or in the course of his/her employment with the County. Such issues will be evaluated and reviewed with the employee prior to removal from the IHR.

Timekeeping: IHR employees will sign in and out on the IHR Log. At the end of the pay period, the employee's regular supervisor/manager may verify the hours worked with the appropriate IHR Coordinator or designated staffing coordinator.

IHR Hours: IHR work will be considered "extra" shifts and not an extension of the regular work day. IHR will be used after overtime is offered to all employees eligible to work the overtime. IHR employees will record hours worked which represent overtime (beyond 40 hours/pay period) separately from those which represent non-overtime hours (e.g., those which do not cause the employee to have worked more than 40 hours/pay period).

IHR Rates of Pay: The IHR rate of pay is as follows:

1. IHR hours which are "non-overtime" hours (i.e., the total of the employee's regular hours worked and any IHR hours does not equal above 40 hours in any one week), the rate is equal to 1.75 times the employee's straight time base hourly rate plus any applicable evening and night shift differentials exclusive of any other premiums. For example, a nurse making \$20/hour who works a 24

hours weekly schedule and then works an additional 4 hours of IHR is paid \$35/hour for the IHR assignment.

2. For IHR hours which result in overtime (i.e., IHR hours which when added to hours worked equals more than 40 hours in a week, the rate is 2.0 times the employee's straight time base hourly rate plus any applicable evening and night shift differentials exclusive of any other premiums. For example, a nurse making \$20/hour who works a 40 hours weekly schedule and then works an additional 4 hours of IHR is paid \$40/hour for IHR "overtime" hours.

The IHR rate is intended for registry work only and is not considered as the rate of pay for usual overtime hours.

Overpayments: Should an overpayment occur under the IHR, the employee shall be informed of the circumstances of the overpayment. A nurse representative may review the documentation explaining the overpayment with the employee and his/her supervisor/manager. CNA agrees that it will support the County's efforts to collect any IHR overpayment.

IHR Committee Review: The IHR Committee will meet as needed to resolve issues of mutual concern. The Committee shall be composed of ten members (five members from County Management and five members from the Association).

Additional Provisions: All provisions of the August 3, 1999 Board letter which recommends adoption of the IHR are incorporated in this Exhibit.

FLOAT POLICY

Floating of registered nurses shall be subject to patient care considerations and staffing needs, and shall consider current skill level needs, qualifications and patient acuity and shall be in compliance with applicable regulations including Title 16 and Title 22.

Nurses shall float in the following order:

- (1) Volunteers
- (2) IHR
- (3) Per Diem
- (4) Regular Part-Time
- (5) Regular Full-Time

County will attempt to negotiate registry/traveler contracts that comply with this language within six (6) months of the closing of this contract. Upon reaching agreement with registry contractors that allow floating of registry nurses, they shall then become number 2 in this section of the Article.

Assignments shall include only those duties and responsibilities for which the registered nurse is qualified.

Registered nurses who float will have completed a float orientation and float competency signed by the nurse and the orienting nurse prior to their first patient care assignment outside their unit. Assignments shall include only those duties and responsibilities for which demonstrated current competencies have been validated.

Orientation of registered nurses to float will occur with an experienced registered nurse of that specific unit. Registered nurses must complete the float orientation and float competency process before they can float.

Registered nurses shall float within their specialty units/clusters. There shall be no mandatory floating between clusters except in emergencies. Clusters are designated as follows:

1. The Emergency Department
2. Surgical Services
 - The Pre-Anesthesia Department
 - The Surgery Department
 - The Day Surgery Unit/Department
 - The Recovery Room

- GI Lab
- 3. Infant and Children Services
 - Pediatrics
 - Neonatal Intensive Care
 - Neonatal Intermediate Care
 - Transitional Care Unit
- 4. Intensive Care Unit/DOU/Telemetry
- 5. The Medical/Surgery (2W, 3W) & Telemetry Unit
- 6. Maternal/Infant Unit
 - L/D → Transitional Care Unit
 - Post Partum/Couplet Care, Transitional Care Unit
- 7. Ambulatory Care
- 8. Inpatient Psychiatric Unit
 - Assessment and Referral
 - Acute Inpatient Care

Rotation of floating will be at the unit level and maintained by the nurse manager.

Floating is part of all registered nurse's duties and responsibilities in order to meet patient needs and state mandated staffing ratios. A registered nurse who has completed the float orientation and float competency for that specific unit shall not refuse a floating assignment.

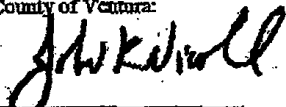

There shall be no double floating. If the nurse volunteers to return to her/his home unit, it shall not be deemed as double floating.

EXHIBIT C – Agency Shop

Indemnification

CNA shall indemnify and hold the County of Ventura harmless against any cost or liability resulting from any and all claims, demands, suits, or any other action arising from the County's implementation of agency shop in accordance with the procedures set forth in the letter from Chief Deputy Executive Officer John K. Nicoll to all personnel employed in classifications represented by the California Nurses Association (CNA) dated January 31, 2007, a copy of which is attached hereto. The indemnification includes the cost of defending against any such actions or claims. CNA shall have no monetary claim against the County by reason of its failure to perform under this procedure.

For County of Ventura:

Chief Deputy Executive Officer

For California Nurses Association (CNA):

**COUNTY OF VENTURA
INDUSTRIAL RELATIONS – RISK MANAGEMENT
MEMORANDUM**

Date: January 31, 2007

TO: All Personnel Employed in Classifications represented by
The California Nurses Association (CNA)

FROM: John K. Nicoll, Chief Deputy Executive Officer

SUBJECT: CNA Agency Shop

The California State Mediation and Conciliation Service recently conducted an "Agency Shop" election applicable to all regular and permanent employees in classifications currently represented by the CNA. The election was ordered and conducted pursuant to Section 3502.5(b) of the California State Government Code. The question placed before all eligible voters was:

"Do you wish to be covered by an Agency Shop arrangement, which requires all employees to either join the employees organization or pay an agency fee for representation?"

At 1:00 p.m. on December 13, 2006, the vote in this election was tallied by State Mediator Dolores Lobina. Her count was observed by two (2) members of County Labor Relations, two (2) representatives of the Health Care Agency, two (2) representatives of CNA, and eight (8) members of the local chapter of CNA. A total of 178 voted in favor of agency shop and a total of 50 voted in opposition. Therefore, as per Section 3502.5 of the California State Government Code, any individual employed by the County of Ventura in a classification represented by CNA must, as a condition of initial and/or continued employment either:

- A. Join CNA as a member and pay full membership dues to that organization; or,
- B. Not join CNA as a member but nonetheless pay CNA a proscribed "service fee" for the representation and bargaining services it provides.

The only partial exception to this condition of employment is set forth in Section 3502.5(c) of the Government Code wherein it states, in pertinent part, that:

"Any employee who is a member of a bona fide religion, body or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment..."

CNA AGENCY SHOP

2 of 3

The balance of Section 3502.5(c) sets forth a process where-by an employee claiming to be a member of such a bona fide religion, body or sect may, in lieu of paying membership dues and/or service fees, be required to pay an equivalent amount to selected non-religious, non-labor charitable funds.

Should you have any questions regarding any issues arising from this agency shop arrangement, you may direct your questions to CNA by phone @ (510) 272-2200, by email @ membership@calnurses.org, or by mail @ CNA Membership Department, 2000 Franklin Street, Oakland, CA 94612-2908.

In the very near future you will receive a communication from CNA informing you of the benefits of joining that organization as a member. **READ THE INFORMATION PROVIDED BY CNA VERY CAREFULLY.** Any questions regarding membership should be directed to CNA and not to representatives of the County.

Section 3508.5(b) of the Government Code provides, in pertinent part, that:

"A public employer shall deduct the payment of dues or service fees to a recognized employee organization as required by an agency shop arrangement between the recognized employee organization and the public employer."

County Management has been notified by CNA that the "service fee" is presently "...calculated as a percentage of the dues rate. The current percentage (effective from 7/1/06-6/30/07) is 92.37%." Of course, this means the actual fee to be paid will vary from employee to employee, dependent upon the amount the employee would have to pay were s/he to pay full dues. Again, any questions regarding the fees to be paid should be directed to CNA and not to representatives of the County.

In light of the foregoing, effective with the next paycheck, (pp 07-04; paid on 2/15/07) the following will occur:

- A. Any individual employed in the specified classifications as a permanent, regular employee who has a signed, payroll deduction card currently on file with the Auditor-Controller evidencing a desire to be a full, dues-paying "member" of CNA will continue to have Union Dues deducted from his/her paycheck. County shall then forward that deducted amount to CNA.
- B. Any permanent, regular employee who does not have such a signed, payroll deduction cards on file with the Auditor-Controller will have the CNA determined "service fee" deducted from his/her paycheck. The County shall then forward that deducted amount to CNA.

- C. Should an employee wish to change from a "dues-payer" to a "fee-payer" or vice versa, then the employee shall submit a payroll deduction card evidencing that desire to the Auditor Controller.
- D. Any individual hired into one of the subject classifications as a permanent, regular employee after initial implementation of the agency shop arrangement shall have the service fee referenced in "B" immediately above deducted from his/her initial paycheck and each paycheck that follows. Should the County subsequently receive a signed payroll deduction from the employee either evidencing his/her desire to become a full "dues-paying" member of CNA, or, after becoming a "dues-payer" evidencing his/her desire to become a "fee payer," the County shall act to immediately implement the desire of the employee.

Any employee who feels he/she meets the criteria set forth in Section 3502.5(c) of the Government Code and who further desires to claim the exemption based on that criteria shall immediately notify CNA (NOT the County) of such desire. In accord with Section 3508.5(b) of the California State Government Code, the County shall continue to deduct the "service fee" from the each paycheck of the employee and forward the deducted amount to CNA. It is the responsibility of CNA to determine whether an employee has a bona fide religious objection and to forward the withheld funds to the employee's designated charitable fund. Any dispute, and/or any resolution of any such dispute, over the claim for exemption shall be between the employee and CNA and shall not involve the County of Ventura.

SETTLEMENT AGREEMENT

On or about March 2, 2009, a dispute arose regarding the interpretation of Section 3211 Access between the Ventura County Health Care Agency ("HCA") and the California Nurses Association ("CNA") pertaining to access to the Ventura County Medical Center ("VCMC") and Santa Paula Hospital ("SPH"). CNA submitted a grievance to the HCA on March 15, 2009, with respect to said dispute.

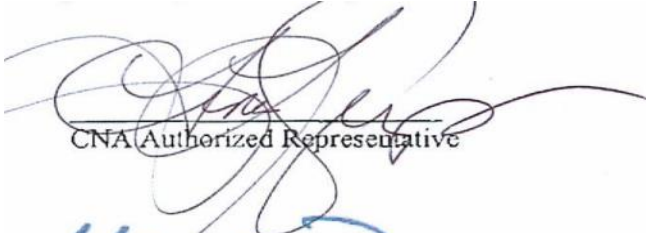

The HCA and CNA desire to resolve the dispute underlying said grievance at this time without further proceedings. Accordingly, in consideration of the aforesaid premises and the following mutual promises, the HCA and CNA agree as follows:

- This Agreement is intended to supplement only the provisions of Section 3211 of the Memorandum of Agreement ("MOA") between the County of Ventura and CNA and does not supercede or nullify any of those provisions. Moreover, this Agreement is not intended to alter, modify, limit or expand any other provisions of the MOA, including but not limited to provisions pertaining to union stewards.
- The HCA agrees CNA paid Labor Representatives' shall have access to work areas for CNA represented employees to observe working conditions with proper notice and by escort within those work areas that abides by Federal, State and HCA regulations protecting patient rights.
- The HCA agrees CNA paid Labor Representatives' shall have the right to access non-working areas in VCMC and SPH , such as cafeterias, meeting rooms and employees break rooms to conduct representation activities with CNA represented employees HCA agrees that CNA paid Labor Representatives are not required to

be escorted or accompanied to access these non-work areas. Hallways and corridors shall be considered non-work areas where escort or accompaniment are not required. A list of break rooms in both VCMC and SPH is attached as Exhibit 1.

- The parties agree that certain break rooms are not conducive to representation activities. At VCMC, these are the break rooms located in the ICU/DOU areas and in the OB/Labor & Delivery area. As an alternative, within the ICU/DOU area, CNA may have access to the area known as the "quiet room" for representation activities. For the OB/Labor & Delivery area, CNA may have access to the "waiting room" for representation activities. AT SPH, the breaks rooms that are not conducive to representation activities are located in the ER and ICU areas. CNA may have access to the "Library" to conduct representation activities for those units.
- The parties also acknowledge and agree that the break room located in the Pediatrics unit also serves as a family conference room. CNA shall have access to, and use of, the Pediatrics break room except during such times as it is in use for a family conference. The parties also acknowledge that the Pediatrics break room may, in the future, be converted back to patient use. In this event, the parties will make reasonable good-faith efforts to find a suitable alternate location for CNA to conduct representation activities with its represented employees from the Pediatrics unit.
- CNA agrees to provide the required notice of intent to access both work and non-work areas, as outlined in Section 3211.
- CNA agrees to withdraw, with prejudice, the grievance and pending arbitration with respect to said dispute.
- Each party shall bear its own costs and attorney's fees.

- The arbitrator's fee shall be split evenly between the parties.

SIDE LETTER AGREEMENT REGARDING SANTA PAULA

The parties agree that the MOA currently in effect will apply to the Santa Paula campus of the Ventura County Medical Center. In the event that circumstances or situations arise in the operations of the additional facility that are inconsistent with the current MOA or current practices we will meet and consult with California Nurses Association (CNA) regarding the circumstances or situations.

Employees will not be reassigned nor required to float between VCMC and the Santa Paula campus. At the discretion of the nursing administration and due to the operational need, in a recognized/established emergency, employees may be asked to float to another unit/department if they have previously been assigned to that campus location.
