The term "employee" or "employees" as used in this Agreement shall refer only to persons employed by the County in said bargaining units. References to "any" or "all" employees in this Agreement includes regular part-time employees unless otherwise specified.

Masculine pronouns (he, his, etc.) in this Agreement refer to both male and female employees.

Sec. 302 UNIT WORK: Supervisors and other non-unit employees shall not perform the work of unit employees. Unit work may be performed by non-unit employees when doing so is necessary to preserve the health and safety of employees, members of the public and/or protect county assets. Such incidents shall be documented. If it is found that such a necessity did not exist, the unit employees who would have normally been called to perform the work outside of normal work hours will each be compensated as provided for under Article 6, Section 611 (Callback) of this Agreement.

Sec. 303 EXCLUSIVE DUES DEDUCTION: Dues deduction in the skilled trades unit shall be allowed only for the above recognized employee organization and any authorized County sponsored programs. The Union agrees to indemnify and hold the County harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 4 RETIREMENT

Sec. 401 EXISTING BENEFITS: Those individuals employed by the County who are currently provided benefits by either the Tier I or Tier II Retirement Plans shall continue to be provided the benefits set forth by the Plan in which they are enrolled.

Sec. 402 IRC SECTION 415 COMPLIANCE AND STUDY:

- A. The Union agrees that, pursuant to Section 31899.4 of the Government Code, the retirement rights for employees hired after January 1, 1990, shall not be vested, to the extent those rights are affected by changes in the Internal Revenue Code relating to limitations upon public retirement systems, including, but not limited to, private sector limits contained in Section 415 of the Internal Revenue Code.
- B. The Union agrees to meet with the County as often as necessary to develop a new retirement plan which would be a "qualified" plan under recently enacted amendments to the Internal Revenue Code, and to support all legislation necessary to implement the provisions of the agreed-upon plan.

Sec. 403 RETIREMENT "PICK-UP": Subject to the limitations of Government Code Section 31581.2, effective first day of the first pay period following Board approval of this Agreement, the County shall continue its "pick-up" of an amount equal to either 1.95% of the employee's base salary or the employee's entire contribution, whichever is less. For the purposes of taxation, this "pick-up" portion of the retirement contribution paid by the County under this Agreement shall not be regarded as ordinary income in accordance with both Section 414, subdivision (h) of the United States Internal Revenue Code and Government Code Section 31581.2, provided, however, the County makes no representation or guarantee with respect to the taxability or non-taxability of such "pick-up".

New County employees hired on or after the first day of the first pay period following Board approval of this Agreement, the County shall

contribute an amount equal to 0.95% of the employee's base salary to each employee's retirement account.

The provisions of subsection 403 shall no longer be in effect and the following shall apply:

Effective July 06, 2014, employees shall pay one hundred percent (100%) of the actuarially determined employee retirement contribution rate.

Effective July 06, 2014, employees shall contribute an amount equal to fifty percent (50%) of the actuarially determined normal cost of retirement contributions.

The parties implement all mandates of PEPRA as soon as administratively possible.

Sec. 404 PAYMENT IN LIEU OF RETIREMENT "PICK-UP" - 30 YEAR EMPLOYEES: Employees who have thirty (30) years or more of qualifying service and no longer contribute to the retirement system shall be paid an additional one percent (1%) of their base salary.

Sec. 405 SAFE HARBOR RETIREMENT PLAN: The Union agrees that the County's "Safe Harbor" retirement plan is in compliance with the provisions of the Omnibus Budget Reconciliation Act (OBRA), for employees not eligible for coverage under the provisions of the 1937 Retirement Act.

Sec. 406 MANNER OF TAXATION: Effective on or before January 8, 2011, the County shall, in accordance with Internal Revenue Code Section 414(h)(2), declare that it has agreed to "pick-up" the value of the employee paid retirement contributions so that the taxable income of the employees shall be reduced by the amount of the retirement contributions they will be paying. If the County has been unable to accomplish this declaration by January 8, 2011, Section 403 shall be rescinded retroactive to the implementation date, and shall not be reinstated unless and until the declaration has been accomplished, and a return to the status quo existent prior to commencement of this Agreement.

ARTICLE 5 PAY PLAN

Sec. 500 HUMAN RESOURCES/PAYROLL SYSTEM: All changes made throughout this Memorandum of Agreement that include the reference to VCHRP were made solely for the purpose of payroll processing. The intent of these changes was only to process payroll.

Sec. 501 – ONE TIME \$750 PAYMENT

Effective September 20, 2013, full-time employees (regularly scheduled to work 64 hours or more biweekly) covered by this Agreement at the time of its adoption shall receive a one-time payment of seven hundred fifty dollars (\$750). Employees employed less than full-time (regularly scheduled to work less than 64 hours biweekly) shall receive a one-time payment of six hundred (\$600) dollars.

Sec. 502 PAY INCREASES:

A. General Salary Increases

Effective August 17, 2014, employees covered by this agreement shall be eligible for a general salary increase of one percent (1%).

Effective August 16, 2015, employees covered by this agreement shall be eligible for a general salary increase of two percent (2%).

B. Market Based Adjustments

The County shall conduct a single total compensation market-based average study (based on the survey methodology outlined in Sec. 503 of this Agreement) by April 30, 2014. The results of that survey shall be used to determine market-based salary adjustments as follows:

- a. If the total compensation study results reveal that a benchmark classification is three percent (3%) or less than the market average, then that classification benchmark and all other classifications benchmarked to it shall not be eligible for any MBA.
- b. Effective August 17, 2014, if the total compensation study results reveal that a benchmark classification is more than three percent (3%) below the market average, then that classification benchmark and all other classifications benchmarked to it shall be eligible to receive a MBA of one percent (1%).
- c. Effective August 16, 2015, if the total compensation study results reveal that a benchmark classification is more than six percent (6%) below the market average, then that classification benchmark and all other classifications benchmarked to it shall be eligible to receive a MBA of one percent (1%).

C. Salary Offsets for Increased Retirement Contributions

Effective July 6, 2014, salary of represented employees affected by the changes to Sec. 403 shall be increased as follows:

- a. The percentage amount equal to the percentage value of eliminating the retirement pick-up; and
- b. The percentage value of employees participating in the 50/50 cost-sharing of the normal cost of retirement contributions.
- c. The value of the salary offsets (in a and b above) shall be as approximate as possible to a cost neutral basis to both the County and employee.

Sec. 503 OTHER ADJUSTMENTS: The parties have utilized a “total compensation formula” to obtain survey data from other employers in order to compute the Market Based Average (MBA).

Should the County produce future MBA studies the parties agree to utilize a total compensation formula set forth below to obtain survey data from other employers in order to compute the MBA results to which the total compensation for “benchmark” Local 501 represented - classes are compared.

A. Components: The components of the total compensation formula included:

1. Base Salary/Pay: The top of the salary/pay range.
2. Education Incentives and Certifications: Maximum incentive given at the jurisdiction being surveyed.
3. FICA/Medicare: Total amount that the employer pays for FICA and/or Medicare. Also include any pickup of employee portion.
4. Health Flex Credit Amount: Amount of flex credit allowance the employee receives from the employer. For employers who do not have a flex credit plan and pay directly for the cost of health insurance on behalf of the employee, the current cost of their medical plan premiums at the level of employee plus two dependents will be used.

5. Employer Paid Retirement Contributions: This will include all retirement contribution amounts paid by the employer, including rates for normal (basic) cost, cost-of-living adjustments, unfunded actuarial accrued liability (UAAL) and contributions that are normally the responsibility of the employee but through negotiations are paid by the employer.
6. Deferred Compensation: The maximum employer contribution toward any deferred compensation plan.
7. Holiday Pay: The monetary value of the maximum number of paid holidays received, including floating holidays.
8. Vacation: The monetary value of the annual vacation accrual earned by employees in the comparable class(es) from the appropriate jurisdictions. Accrual levels will be based on the current IUOE represented Ventura County employee's average years of service.
9. Sick Leave: The monetary value of annual sick leave accrual earned by employees in the comparable class(es) from the appropriate jurisdictions. Accruals will be based on the current IUOE represented Ventura County employee's average years of service.
10. Longevity Pay: Any added cash compensation in addition to regular salary based on tenure adjusted to our population.
11. Dental: Total employer contributions toward employee payment of dental, only if separate from Medical.

The sum of the monetary value of all these components represents a total compensation figure for each measured classification in each jurisdiction.

- B. Jurisdictions and Benchmarks: The following Jurisdictions and Benchmarks may be used in future MBA studies:
 1. Counties of Los Angeles and Santa Barbara. Cities of Camarillo, Moorpark, Ojai, Oxnard, Simi Valley, Thousand Oaks, Ventura.
 2. Appendix I sets forth the "clusters" related to each "benchmark" class.

Sec. 504 COMPENSATION SCHEDULE: Except as otherwise provided herein, employees shall be compensated within the pay range assigned to the classification of the position in which they are employed and in accordance with the pertinent conditions of employment enumerated in this Agreement.

Sec. 505 REGULAR PAY DAY: Employees shall be paid on or about the Friday following the end of each biweekly payroll period.

Sec. 506 PAY ON TERMINATION: Upon certification of the Director-Human Resources that the employment of any employee is terminated as a probationary or disciplinary dismissal prior to the expiration of the biweekly pay period, the compensation of such person shall become due and shall be paid within five (5) working days of notification.

Upon certification of the Director-Human Resources that the employment of any employee is terminated, other than listed above, prior to the expiration of the biweekly pay period, the compensation of such persons shall be paid on the payday, which falls within the next pay period.

Sec. 507 PREMIUM PAY FOR PART TIME SERVICES OF REGULAR EMPLOYEES: Premium pay will be paid to regular part-time employees on the same basis as full-time employees except that when premium pay is paid on a biweekly or monthly rate, that rate will be paid to part-time employees on a pro-rata basis.

Sec. 508 PAY RANGE CHANGES: Whenever a higher pay range is assigned to a classification, an employee holding a position in such classification shall have their hourly rate of pay increased by the percentage increase in the classification's pay range. The employee's VCHRP probation hours needed and/or merit increase hours needed shall not change in such an adjustment.

Whenever a lower pay range is assigned to a classification, an employee holding a position in that classification shall receive the same hourly rate of pay he was receiving on the day preceding the effective date of the new pay range, if such hourly rate of pay is within the newly established pay range. In all other instances, whenever a lower pay range is assigned to a classification, an employee holding a position in the classification whose rate of pay immediately preceding the effective date of the new pay range was in excess of the maximum of the new pay range shall receive the maximum of the new pay range. The VCHRP probation hours needed and/or merit increase hours needed of an employee affected by the establishment of a lower pay range for their classification shall not be affected by such an adjustment.

- Sec. 509 HOURLY RATE OF PAY ON "Y" RATING: When an employee is "Y" rated, the hourly rate of pay he received immediately prior to the date of downward reclassification is frozen and may not be increased until the maximum of the pay range assigned his new classification exceeds the hourly rate of pay he was earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing an approximately five percent (5%) increase in their hourly rate of pay and shall retain their VCHRP probation hours needed and/or merit increase hours needed that were in effect immediately prior to the establishment of the "Y" rate.
- Sec. 510 HOURLY RATE OF PAY ON TRANSFER: Whenever an employee is transferred or assigned to a position in a different classification having the same pay range as their former position, they shall retain their hourly rate of pay and their VCHRP probation hours needed and/or merit increase hours needed.
- Sec. 511 PRIORITY OF INCREASES: Whenever a general increase, a merit salary increase, a higher pay range or pay range placement, a promotional increase or any combination thereof are effective on the same date, the hourly rate of pay to which an employee is entitled shall be fixed as follows: to the hourly rate of pay received by the employee on the preceding day shall first be added any general increase, then any higher pay range or pay range placement, then any anniversary merit increase, and then any promotional increase.
- Sec. 512 HOURLY RATE OF PAY ON DEMOTION OF A PROMOTIONAL PROBATIONARY EMPLOYEE: A promotional probationary employee demoted to the classification he formerly occupied in good standing shall have their pay, VCHRP probation hours needed and/or merit increase hours needed adjusted to reflect what he would have achieved if he had remained in the lower classification throughout the period of their service in the higher classification.
- Sec. 513 HOURLY RATE OF PAY ON PROBATIONARY DEMOTION: At the discretion of the Agency/Department head, whenever an employee takes a probationary demotion to a lower related classification in which a probationary period has not previously been served, such employee shall retain their current rate of pay or receive the top of the pay range of the lower class, whichever is less. The employee shall also be required to serve a new probationary period.
- Sec. 514 HOURLY RATE OF PAY ON DEMOTION: Whenever an employee who has completed their probationary period in a higher classification is then demoted to a position in a lower classification for reasons other than unsatisfactory

performance, or for functional disability, he shall receive the highest rate of pay on the new range that does not exceed their rate of pay immediately prior to demotion and shall retain their VCHRP merit increase hours needed.

Sec. 515 MERIT INCREASES: Merit increases within a pay range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date thereof. Except as otherwise provided, a merit increase shall consist of an increase of approximately five percent (5%) within a pay range for the classification unless the employee is less than five percent from the top of the pay range and in such a case, the increase shall be to the top of the pay range. VCHRP qualifying service for merit increase consideration shall be by compensable hours, which include all paid hours exclusive of overtime compensation.

Sec. 516 TIME FOR MERIT INCREASES: A newly appointed, re-employed, promoted or appointed employee may qualify for:

- A. An initial merit increase within the pay range upon completion of the probationary period set forth in Section 1801.
- B. Succeeding merit increases within the pay range upon completion of each time additional VCHRP 2,080 compensable hours have been served.

The period of service required to qualify for merit increases by regular part-time employees shall be the same for a regular full-time employee. All approved VCHRP merit increases will be effective on the first Sunday of the pay period after completing the required compensable hours of service.

Sec. 517 MERIT REVIEW: At least one (1) pay period prior to an employee qualifying for a merit increase, the appointing authority shall notify the Director-Human Resources and the employee in writing of his decision regarding approval or denial of a merit increase. In all cases, the recommendation of the appointing authority shall be based on the employee's performance.

Sec. 518 DENIAL OF MERIT INCREASE: If, in the appointing authority's judgment, the employee's performance does not warrant a merit increase upon meeting the VCHRP time requirements of Section 518, the Agency/Department head may deny the increase and must complete the County performance evaluation rating form. Any time prior to the employee qualifying for his next merit increase, the employee may request a review of their merit increase by the appointing authority or the appointing authority, by their own initiative, may review the matter. If the appointing authority concurs with the requested review or if the appointing authority independently initiates their own review, then the appointing authority shall reopen the matter by submitting another

performance rating and recommendation. If an employee's merit increase is granted prior to completing at least 2,080 hours of compensable service in VCHRP after it was denied, the employee's next merit increase shall not be due until the employee has completed at least an additional 2,080 hours of compensable service in VCHRP from the first day of the pay period on which the increase was finally granted.

- Sec. 519 CORRECTING ERROR IN OVERLOOKING MERIT INCREASE: Upon discovery that an employee who would otherwise have been recommended for a anniversary merit increase failed to receive such increase as the result of an oversight or VCHRP system error, the Auditor-Controller shall compensate the employee for the additional pay he should have received dating from the first day of the pay period after which they would have satisfied the VCHRP merit increase hours needed requirement of Section 518 by adding said additional pay to the employee's next biweekly paycheck. In such cases, the employee's current VCHRP merit increase hours needed will be adjusted as necessary.
- Sec. 520 RATE OF PAY ON PROMOTION: A regular employee who is promoted to a position in a classification having a higher pay range shall receive the entry rate of pay for the higher classification or such higher amount as would constitute an increase of approximately five percent (5%) on the range over the rate of pay received prior to promotion, whichever is greater.
- Sec. 521 EFFECTIVE DATE OF PROMOTION: Whenever a person is promoted, the effective date of his promotion shall always be the first (1st) Sunday of the pay period.
- Sec. 522 RATE OF PAY ON TEMPORARY PROMOTION: An employee assigned to a higher paid classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by this Agreement, and who serves in any higher paid classification for forty (40) consecutive work hours, shall thereafter be paid at a rate of five percent (5%) above the rate of pay he was receiving immediately prior to the temporary promotion or the entry rate of pay for the higher position, whichever is greater. In no case shall such adjustment place the employee beyond the range of the position to which he has been temporarily promoted. The forty (40) work-hour waiting period shall apply each time an employee is assigned to a higher classification, unless an employee has established a consecutive forty (40) work-hour waiting period in the last sixty (60) calendar days, then the employee shall receive the greater of the two above-described increases immediately upon the out of classification assignment.

For purposes of this Section, employees temporarily filling out-of-unit classifications will remain in the skilled trades unit receiving all benefits other than wages as noted above.

For purposes of this Section, subsequent merit increases shall be computed from the date that the temporary promotion was granted.

Persons appointed pursuant to the provisions of this Section, shall not gain permanent status in the higher-level class.

Sec. 523 TEMPORARY ASSIGNMENT PREMIUM (TAP): If the County has knowledge of the need to fill a temporary vacancy more than 4 days and less than twenty three (23) working days, they shall make such temporary assignment available to needed eligible classes within this unit. The department manager has the flexibility to make temporary assignments to higher-level work if needs of the County warrant it. Anyone so assigned is entitled to receive a five percent (5%) Temporary Assignment Premium (TAP) after the third regular, consecutive shift of said assignment.

Such assignment is subject to the following criteria:

1. Employee must have regular, non-probationary status.
2. They must meet the minimum qualifications for the positions to which they are temporarily assigned.
3. The department manager determines that the assignment has sufficient requirements to warrant the temporary pay adjustment.
4. Using business based criteria, placing an employee on or removing them from such temporary assignment is not grievable.
5. Any assignment twenty four (24) days or longer shall be considered under Section 525 for temporary promotion.

ARTICLE 6

PREMIUM PAY AND ADDITIONAL EMPLOYEE BENEFITS

Sec. 601 BILINGUAL PREMIUM PAY: Effective the first pay period following Board approval, employees whose positions require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Agency/Department Head, based upon the criteria established by, and subject to approval by, the Director-Human Resources. An employee's bilingual proficiency at Levels I and II shall be determined by an examination

administered and certification issued by the Director-Human Resources or other approved county or city employer or educational facility at the employee's expense. Level III proficiency examinations shall be developed and administered solely by the Director-Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director – Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

Bilingual Level	Premium Pay
I	\$.65/hour
II	\$.80/hour
III	\$.90/hour

Employees in positions eligible to receive this premium pay shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eighty (80) compensated hours per pay period.

Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

- Sec. 602
- A. STANDBY PREMIUM PAY: Should an employee be placed on standby duty, such an employee shall be compensated for actual time on call at one-quarter (1/4) of their hourly wage or at Federal minimum wage whichever is greater, and for time worked as a result of a callback to duty at their hourly wage when funds for such purposes have been specifically appropriated by the Board after specific inclusion in the Agency/Department budget. In no instance shall a callback to duty be considered as less than two (2) hours for pay purposes. No employee shall be paid for callback time and standby simultaneously. All employees excluded from the overtime provisions of this Agreement are also excluded from the provisions of this Section.

 - B. MILEAGE REIMBURSEMENT: Individuals who are authorized to utilize their own personal automobile when responding to a callback to duty under the criteria set forth in Subsection (A) above shall be eligible for the mileage reimbursement set forth in Section 801 for only those miles traveled to and from the employee's place of residence and the reporting work site.

Sec. 603 NIGHT SHIFT DIFFERENTIAL PREMIUM PAY:

- A. A shift differential for employees who are regularly assigned to work fifty-one percent (51%) of a shift between the hours of 3:00 p.m. and 11:00 p.m. shall be calculated as five percent (5%) of the employee's straight-time hourly wage rate.
- B. The shift differential for employees who are regularly assigned to work fifty-one percent (51%) of a shift between the hours of 11:00 p.m. and 7:00 a.m. shall be calculated as seven and one-half (7.5%) of the employee's straight-time hourly wage rate.

Sec. 604 SHIFT DIFFERENTIAL COMPENSATION WHILE ON PAID LEAVE: All paid leave shall include compensation for night shift differential for those employees exclusively assigned to work hours qualifying for such differential under Section 603 of this Article.

Sec. 605 MENTAL HEALTH ACUTE INPATIENT ASSIGNMENT DIFFERENTIAL: Any regular employee specifically designated by the HCA appointing authority as a member of the Mental Health Acute Inpatient Program, or any regular employee who works for more than one hour in said unit, shall receive a five percent (5%) differential for work performed at the Mental Health Acute Inpatient Facility. Said differential shall be based on, and paid in addition to, the base hourly wage of the employee. The differential paid pursuant to this provision shall be in addition to, but not part of, the employee's base hourly wage and shall not be considered compensation earned for retirement, or any other benefit proposed, unless required by law.

Sec. 606 DEFERRED COMPENSATION: As provided below, employees covered by this Agreement may participate in the County's Deferred Compensation Program. Participation in the plan(s) of that program shall be subject to the rules and regulations applicable to the plans.

- A. Employees scheduled to work at least forty (40) hours per biweekly pay-period may participate in the County's Deferred Compensation 457 Plan.
- B. Employees may participate in the County's 401(k) plan. Participating employees must contribute at least one percent (1%) of compensation and can contribute up to the annual maximum elective 401(k) deferral allowed by the Internal Revenue Code (IRC). Assuming the employee contributes the requisite one percent (1%), the County shall "match" the employee's contribution with no more than, and no less than, one-half percent (.5%).

In no case shall the County be required to “match” any “contribution” by the employee once the annual IRC maximum has been reached.

Effective August 9, 2009, assuming the employee contributes the requisite one percent (1%), the County shall “match” the employee’s contribution with no more than, and no less than three fourths percent (.75%). In no case shall the County be required to “match” any “contribution” by the employee once the annual IRC maximum has been reached.

- C. Effective July 6, 2003, and regardless of the employee’s decision to participate in the “matching” 401(k) benefit described in sub-section “B” above, the County shall make a 401(k) contribution on behalf of each employee in the unit that is equal to one percent (1%) of the employee’s compensation. The contribution by the County provided by this sub-section shall not be used to meet the threshold employee contribution set forth in sub-section “B” above (thereby triggering the one-half percent (.5%) benefit provided by that sub-section.)
- D. For purposes of sub-sections “B” and “C” above, “compensation” shall equal the sum of the base, hourly wage rate of the employee multiplied by the number of hours paid to the employee during the bi-week provided, however, the maximum number of hours to be used as a factor is eighty (80).
- E. Effective December 9, 2012, the County shall make a \$32 biweekly 401(k) contribution on behalf of each employee covered by this Agreement regardless of the employee’s decision to participate in the “matching” 401(k) benefit contribution in sub-section B above and is made in addition to the one percent (1%) contribution described in sub-section C above.

The 401(k) plan contributions made under this section are in lieu of County contributions previously made to the Union’s Insurance Trust Subsidy under Article 7, Section 704 of the 2010-11 memorandum of agreement.

Sec. 607 SERVING AS WITNESS: No deductions shall be made from the pay of a regular employee for an absence from work when subpoenaed to appear in court as a witness, other than as a litigant.

Sec. 608 JURY SERVICE: No deductions shall be made from the pay of a regular employee absent from work when required to appear in court as a juror. When possible to do so, employees shall provide advance notification of any anticipated absence to their immediate supervisor.

- Sec. 609 PARKING SPACE: The County shall attempt to provide adequate free parking facilities for employees within a reasonable distance of their work locations.
- Sec. 610 SPECIAL EQUIPMENT OR CLOTHING: Under no circumstances shall the employee be required to purchase special equipment or clothing unless so directed by order of the Board of Supervisors.
- Sec. 611 CALLBACK: The minimum callback for employees covered by this Agreement shall be two (2) hours.
- Sec. 612 SHORT TERM DISABILITY INCOME INSURANCE PROGRAM: Employees in the unit covered by this Agreement may participate, at no cost to the County, in the County's Short Term Disability Insurance Program.
- Sec. 613 CHILD CARE: The parties agree to support and promote efforts to remove childcare as a barrier to employment, productivity, and self esteem in Ventura County. It is further agreed to recommend and support policies and legislation, which builds family strength, and meet the changes and challenges of the work place in efforts to continue to attract and retain competent employees.

The parties agree that the provisions of subsection 1102C shall no longer be applied to employees covered by this Agreement effective September 28, 2014. At that time, hours worked for the purposes of overtime and the threshold at which overtime is triggered shall be those as defined by Fair Labor Standards Act. The parties agree to re-open negotiations to meet and confer with respect to those concepts should the County not effect similar change by September 28, 2014 within all other county labor agreements.

- D. In accordance with requirements set forth by the FLSA, an employee's "Regular Rate of Pay" shall be determined by dividing the total number of hours worked by the employee during their Designated Work Week into the sum of all compensation paid for those same hours worked.

If such compensatory time off is carried over, it must be taken as compensatory time off during the next year or, at the completion of the two-year period, it will be paid off at the base hourly salary rate then in effect.
3. Any employee who terminates or is terminated shall be paid the hourly equivalent of their salary for each hour of accrued compensatory time off. The compensation resulting from this provision shall be based upon the base salary rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

4. The benefits of this sub-section "B" shall not be available to Stationary Engineers or any other position, which, in the sole opinion of the Agency/Department Head, is one requiring 24-hour, continuous coverage.

Sec. 1208 COORDINATION WITH DISABILITY BENEFITS: Eligible employees, subsequent to exhausting all accumulated sick leave hours as per Section 1404, may use accrued vacation hours in conjunction with State Disability Insurance in order to receive an amount equal to the biweekly rate of pay the employee would have otherwise received had he actually worked their normal schedule.

ARTICLE 13 HOLIDAYS

Sec. 1301 HOLIDAY POLICY: Paid holidays shall be authorized only for regular full-time, regular part-time, and provisional employees. To be entitled to pay for such paid holidays, an employee must be entitled to compensation for their regularly scheduled shift both the day before and the day after such paid holiday.

2. Martin Luther King Day, the third Monday in January;
3. President's Day, the third Monday in February;
4. Memorial Day, the last Monday in May;
5. Independence Day, July 4;

If a paid, assigned holiday falls on a Sunday, the following Monday shall be the holiday in lieu of the day observed. For those employees regularly scheduled to work Saturday and/or Sunday, the paid assigned holiday shall be the day on which the holiday actually occurs.

- A. In addition to the holidays listed above, effective January 1st of each year, each regular, full-time employee covered under the terms of this Agreement shall be granted floating holiday leave hours equivalent to the employee's standard daily work schedule. For employees on 9/80 schedules, such holiday leave shall be equivalent to the work schedule for the day of the holiday. If an employee works a variable schedule, then hours shall be granted based on an average daily work schedule. Hours granted under this section shall in no case exceed twelve (12) hours. Such leave with pay may be taken, subject to management approval, no later than March 1 of the year following the year in which it was granted. Leave granted pursuant to this provision shall have no cash value beyond that provided herein and shall be lost without benefit of compensation if not taken by March 1 as described above.

The purpose of granting annual floating holiday leave hours is to provide employees with an additional day off with pay. Therefore, an employee's annual floating holiday leave hours shall be utilized in their entirety to cover a single day's absence. In no instance will an employee be allowed to split his annual allowance of floating holiday leave hours over multiple days.

For historical purposes only, the leave described above was negotiated in lieu of the four (4) hours of leave previously granted on Christmas or New Year's Eve.

- B. Regular part-time employees shall be granted the leave provided under (A) above on a pro rata basis.

Sec. 1303 HOLIDAY PAY: If a holiday falls within a biweekly pay period in which an employee is compensated, then such employee shall be given leave with pay

Such straight-time pay not to exceed the number of hours usually scheduled on that day, and shall in no case exceed twelve (12) hours.

Any such employee whose regularly scheduled day off falls on a paid assigned holiday, shall be credited with vacation leave (or annual leave where applicable) hours equivalent to the number of hours usually scheduled on that day, but credit shall in no case exceed twelve (12) hours.

Sec. 1305 VETERANS DAY: It is the County's intent, that to honor those who have served in the armed forces of the United States, effective November 11, 2014 (and every November 11 thereafter), the County's offices/operations will generally be closed (subject to customary and/or exigent circumstances requiring some to remain open) and that day be designated as a paid, assigned holiday. Both parties recognize that for such closure and designation to occur, it is necessary that agreement to do so must first be reached within the context of ongoing and/or immediately upcoming collective bargaining with the other employee organizations recognized by the County to represent its employees. The County agrees to pursue this issue with those other organizations within the context of collective bargaining so as to cause this observance and designation to occur on November 11, 2014, provided, however, both parties recognize and agree that should agreement with all other organizations not be timely reached, then the effective date of implementation will be the first Veterans Day following agreement by all.

Sec. 1405 DEPARTMENTAL/AGENCY RESPONSIBILITY FOR ADMINISTRATION: Each agency or department head shall be responsible for control and use of sick leave privileges. Employees utilizing sick leave may be required to furnish a certificate issued by a licensed physician or nurse, or other satisfactory evidence of illness. Any person absent from work on sick leave shall notify their department or agency head on the first day of such leave and as often thereafter as directed by their agency or department head. The Director-Human Resources or the department or agency head may request that a medically trained employee verify the employee's illness by a visit to the employee's residence.

Sec. 1406 PHYSICIAN'S CERTIFICATE AND EXAMINATION FOLLOWING ABSENCE FROM DUTY: An employee absent due to their illness or injury for more than five (5) consecutive work days may not be entitled to use sick leave credits for their absence on any day after the five (5) days unless and until he presents to their appointing authority a certificate signed by their physician stating that he was ill or injured on each day of such absence. Any employee absent for a period of seven (7) consecutive calendar days due to illness or accident may, at the discretion of their appointing authority or the Director-Human Resources, be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at County expense.

Sec. 1410 USE OF SICK LEAVE WHEN PERMANENTLY INCAPACITATED: Sick leave shall not be used to continue the salary of any employee after it has been determined by the County's Occupational Health Physician that such employee is permanently incapacitated for a return to County employment and is eligible for retirement. Sick leave may be utilized by such employee after appropriate action has been taken by the Ventura County Retirement Board.

Sec. 1411 USE OF SICK LEAVE FOR MATERNITY: An employee may elect to use accumulated sick leave during periods of inability to perform work due to pregnancy. Such sick leave usage shall only be allowed during the period in which a physician certifies that the employee is not able to perform the job. If the above conditions are met, such individual shall be paid for twenty-four (24) working hours following such accident or illness. Payment under this provision shall not be cumulative with any benefit which said employee may receive under the Labor Code of the State of California awarded as the result of the same injury.

- Sec. 1505 FULL SALARY: Upon receipt of temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, the employee may elect to take as much of their accumulated sick leave or accumulated vacation so as when added to their temporary disability indemnity, it will result in payment to him of their full salary.

- Sec. 1507 ACCRUAL OF SICK LEAVE WHILE ON TEMPORARY DISABILITY LEAVE OF ABSENCE: An employee who is on temporary disability leave of absence as provided in Section 1506 shall be entitled to accrue the same sick leave credits he would have normally accrued had he not been placed on temporary disability leave of absence without pay.

- Sec. 1508 VACATION ACCRUAL WHILE ON TEMPORARY DISABILITY: An employee who is on temporary disability leave of absence as provided in Section 1506 shall be entitled to accrue the same vacation credit he would have normally accrued had he not been placed on temporary disability leave of absence without pay.

4. Persons appointed from County service reinstatement eligible lists.
5. Persons appointed from Manpower training/work program eligible lists.

Prior service in an extra help status shall not be considered part of the probationary period.

This authorization shall be in writing. The Agency/Department Head shall give two (2) weeks notice to the Director-Human Resources and the employee of any extension and the reasons therefore. The Agency/Department Head can terminate the probationary extension at any time.

Where the County is considering the extension of an employee's probationary period, such employee shall be informed of their right to representation at a meeting to discuss the extension of the probation period. The employee so dismissed may write a letter for inclusion in their permanent personnel file. Upon a return to their former position in the same agency or department, the employee shall not serve a new probationary period. In the absence of such vacancy in the agency or department in which he held permanent status, the dismissed probationary employee may either:

Space shall be provided on the performance evaluation form for the employee to sign, signifying that he has read the supervisor's comments. Space will also be provided so that employees may give related comments of their own relative to the performance evaluation. - D. The person refuses an offer of appointment.
- E. The person is refused appointment by three (3) appointing authorities.
- F. The person fails to appear for a selection interview once he has been notified of their eligibility for consideration.

ARTICLE 23 REDUCTIONS IN FORCE

Sec. 2301 LAYOFF PROCEDURE: Whenever there is a reduction in force, one or all of the following may occur, until the situation which necessitated the reduction in force has been eliminated:

- A. All incentive or differential payments to existing employees shall cease.
- B. Except for emergency situations as declared by the County, no overtime will be authorized or paid.
- C. All merit increases may be delayed for 2,080 hours.

In order that the Union may properly monitor application of the procedure set forth herein, the County shall, whenever possible, notify the Union of its intention to utilize this procedure at least four (4) weeks prior to the actual occurrence of layoff.

Sec. 2302 SENIORITY: Seniority shall be determined by each employee's continuous County service. All uninterrupted employment with the County, including all compensated hours exclusive of overtime as a provisional, probationary, manpower work/training program, fixed-term, regular full-time or regular part-time employee, shall be counted as continuous County service seniority. A separation from the County service shall be the only cause for interrupting

employment with the County. A separation of three (3) or fewer days shall not be considered a break in service, but all time spent on a leave of absence shall not count toward seniority.

Sec. 2303 ORDER OF LAYOFF: The determination of which employee(s) shall be laid off shall be made within each Agency/Department on a classification-by-classification basis. The County shall designate the classification(s) to be affected. The order of layoff shall be determined by length of seniority.

The order of layoff shall be in reverse order of the employee's seniority. If two (2) or more employees have identical seniority status, then such employee(s) shall be laid off in the order determined by the appointing authority.

Employees shall be laid off in the following order:

1. Extra help employees.
2. Provisional employees.
3. Fixed term employees.
4. Temporarily promoted employees.
5. Probationary employees.
6. Employees who, within the twenty-six (26) pay periods immediately prior to the layoff, have received a disciplinary suspension in excess of one day, a demotion or reduction in pay equivalent to more than one day's pay. If an employee has been demoted as a result of this provision, then for further reduction in force decisions, such disciplinary action will not be considered.
7. Permanent employees.

Sec. 2304 TRANSFER IN LIEU OF DEMOTION: A permanent employee who is to be laid off shall have the right to transfer and/or voluntarily demote and transfer to any vacant position in the employee's Agency/Department for which he is qualified. The provisions of this Agreement shall govern such transfers and/or voluntary demotions and transfers. If there are two (2) or more employees to be laid off and they opt to exercise this right and request to transfer and/or demote and transfer to the same vacant position, then the employee with the greatest seniority shall have the right to fill such vacancy. If the seniority status of these employees is equal, the appointing authority shall have the right to fill such vacancy.

Sec. 2305 DEMOTION IN LIEU OF LAYOFF: If there are no vacant positions to which a permanent employee who is to be laid off can transfer and/or demote and transfer, then such permanent employee shall have the right to demote to any classification within their Agency/Department in which that employee previously held permanent status. Bumping shall not be restricted to classes within a bargaining unit. Should an employee bump into a classification in

another bargaining unit, then the layoff procedures applicable to that bargaining unit shall be controlling. There does not need to be a vacant position within the classification for an employee to exercise this right. If, as a result of the exercise of this right, layoffs must occur in the classification to which that employee demoted, then such layoff shall be made in accordance with the provisions of the agreement which is controlling for the classification.

Sec. 2306 REEMPLOYMENT: All persons who have been laid off as a result of a reduction in workforce shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. There shall be two (2) Reemployment Eligible Lists: one which includes only the names of the laid off employees within a department or agency, and the other which has the names of all other County employees who were laid off. The Agency/Department reemployment list shall have priority over the Countywide reemployment list. Eligibles on the Reemployment List shall be ranked in reverse order of the order of layoff. Each person's name shall remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been re-employed, or until their name has been removed from the eligible list in accordance with the provisions of Section 716 of the Ventura County Personnel Rules and Regulations, whichever occur first.

Sec. 2307 CLASSIFICATION REINSTATEMENT: All employees who have demoted to a lower classification as a result of a reduction in workforce shall have their names placed on a Classification Reinstatement List for the classification from which they were demoted. There shall be two (2) Classification Reinstatement Lists: one which includes only the names of the demoted employees within a department or agency, and the other which has the names of all other County employees who were demoted from the specific classification. The Agency/Department classification reinstatement list shall have priority over the Countywide classification reinstatement list. Eligibles on the Classification Reinstatement List shall be ranked in reverse order of the order of their demotions. Each person's name may remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reinstated to the classification from which they were demoted, or until their name has been removed from the eligible list in accordance with the provisions of Section 716 of the Ventura County Personnel Rules and Regulations, whichever occurs first. To remain on a Classification Reinstatement List, a person must maintain status as a County employee.

Sec. 2308 RESTORATION OF BENEFITS:

- A. Sick Leave - For laid off employees, sick leave accruals shall remain on the books and be reinstated if such employees are reappointed.

Whenever a person becomes ineligible for reemployment, and such person has not been re-employed, then, if at the point of layoff such person was eligible to receive a sick leave accrual payoff, such person shall be paid for existing sick leave accruals in accordance with Section 1408 of this Agreement.

- B. Seniority - For laid off employees, upon reemployment such employees shall have their seniority status held immediately prior to layoff reinstated.
- C. Rate of Pay - Laid off employees who are re-employed or, demoted employees who are reinstated to the classification demoted from, shall receive pay equivalent to that which they were receiving immediately prior to layoff or demotion or the maximum of the pay range of the classification, whichever is less, upon reemployment or classification reinstatement.
- D. Vacation Accrual Rates - Laid off employees who are re-employed shall have the vacation accrual rate they held immediately prior to layoff restored.
- E. VCHRP Merit Increase Hours Needed: An employee who is re-employed while in layoff status shall retain the VCHRP merit increase hours needed as of the time of the layoff.
- F. Retirement Contributions - Upon reemployment, laid off employees shall not be required to redeposit retirement contributions withdrawn at the time of layoff or subsequently; provided, however, that the employee may elect to redeposit said funds to the retirement system.
- G. Grievability - Persons disputing the application or interpretation of layoff, reemployment and/or classification reinstatement policies shall use the grievance procedure to resolve their dispute and shall not have any such allegation considered under any other County administrative procedure.

Sec. 2309 PRIORITY OF LISTS: The order of priority of eligible lists for certification to an appointing authority shall be: Classification Reinstatement List, Reemployment List, Agency/Department Promotional List, Countywide Promotional List, County Service Reinstatement List, and Open List.

ARTICLE 24
NO STRIKE/NO LOCKOUT

During the term of this Agreement, no work stoppages, strikes, or slowdowns shall be caused or sanctioned by the Union, and no lockouts shall be made by the County. If this section is violated, the party committing the violation shall lose all rights under this Agreement.

ARTICLE 25
NON-DISCRIMINATION

NON-DISCRIMINATION/EQUAL OPPORTUNITY EMPLOYMENT: The provisions of this Agreement shall be applied equally to all employees without unlawful discrimination as to age, sex, race, color, creed, national origin, or functional disability.

The County of Ventura's Equal Opportunity Employment Plan will be fully supported by the Union.

ARTICLE 26
COUNTY RIGHTS

It is the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reason, classify and reclassify positions, and determine the methods, means, and personnel by which the County's operations are to be conducted, including the use of time clocks; provided, however, that exercise and retention of such rights does not preclude employees or their representatives from consulting about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

Nothing contained in this provision shall be deemed to supersede the provisions of existing State law and the ordinances and rules of the County which established the Civil Service System.

ARTICLE 27
UNION RIGHTS

Sec. 2701 UNION STEWARDS: The Union may designate ten (10) stewards to represent those employees in the Union. The Union shall submit to the County a list of Union stewards within thirty (30) days following the signing of this agreement. The list is to be updated on a semi-annual basis.

When required by a Union employee, a Union steward may represent the aggrieved Union employee under the Grievance Procedure, and the County shall grant the steward a reasonable amount of official leave for this purpose.

Sec. 2702 NEGOTIATING COMMITTEE: The committee authorized by the Union to consult, meet and confer, or negotiate collectively, shall consist of not more than four (4) employees who are compensated for hours spent in negotiations. Employee members will be paid by the County for the time spent in negotiating with management, but only for the straight-time hours they would otherwise have worked on their regular work schedule. Meetings shall be held between 8:00 a.m. and 5:00 p.m. whenever possible and at a time and place mutually acceptable to all parties. Additional employee members shall be compensated when approval and authorization for such payment has been made by the County.

Sec. 2703 EMPLOYEE ORIENTATION: When invited to do so by the head of a County agency, or the head of a County department not part of an agency, staff or employee stewards of the Union may participate in training or orientation sessions for employees in that department or agency.

Sec. 2704 EMPLOYEE LISTS: The County shall furnish the Union on a biweekly basis a listing of new employees hired and employees terminated within the Union's bargaining units. Once every fiscal quarter, the County shall furnish the Union a complete listing of all employees in this unit. Said quarterly listing shall include the employee's home address, job classification, and department. In the event it becomes possible to also provide the Union with the employees' primary assigned work location, that information shall become part of the quarterly listing.

Sec. 2705 UNION-SPONSORED DEDUCTIONS:

A. DUES DEDUCTION:

1. The County shall deduct Union dues from the salary of each employee who so authorizes such a deduction.
2. Remittance of all dues and insurance premiums so deducted shall be made to the Union within fifteen (15) working days after the deductions are made.
3. The County shall supply the Union with a Union dues and other deductions check off list each pay period. Said list shall be provided without cost to the Union within the first ten (10) working days after each payday. If this date cannot be met, the Union shall be notified of the delay within the above specified ten (10) day period.

4. The County and the Union agree that both parties shall be saved, indemnified, and held harmless from any liability due to errors and omissions arising out of the other party's use of the Union-sponsored deductions codes.

B. PAYROLL DEDUCTION:

In the event the Union wishes to utilize a new payroll deduction code for a Union-sponsored activity, the Union shall make a request of the County Auditor-Controller. Dependent upon the availability of additional codes and the agreement of the Auditor-Controller, the new code may be instituted. Upon such approval, the Union shall pay in advance to the County Auditor-Controller the sum of nine hundred fifty dollars (\$950) for activating the code. Existing codes and changes shall be processed without cost to the Union.

The County and the Union agree that both parties shall be saved, indemnified, and held harmless from any liability due to errors and omissions arising out of the other party's use of the Union-sponsored deductions codes.

Sec. 2706 INTERDEPARTMENTAL MESSENGER SERVICE (BROWN MAIL): The County's interdepartmental messenger service (brown mail) may be used for individual business-oriented communication between employees who are represented by the Union and between the paid staff of the Union and such employees, provided that:

- A. Paid staff of the Union shall pick up and deliver all messages being communicated outside the County's normal distribution route.
- B. All mass communications intended for broad departmental distribution shall be approved in advance by the County Executive Officer or their designated representative.

Sec. 2707 MEETING SPACE: Upon written request of the Union, the County may provide meeting space outside working hours, provided such place is available and the Union complies with all departmental rules and policies of the Board of Supervisors.

Request for use of facilities will be made in advance to the department head and will indicate the date, time, and general purpose of the meeting and facilities needed.

Sec. 2708 BULLETIN BOARDS: The County will designate a bulletin board or a portion of an existing bulletin board in each Agency/Department for the exclusive use

of the Union. The space allotted shall not be less than 2' x 3' or more than 3' x 4'. A copy of all material to be displayed upon the bulletin board shall be provided to the Agency/Department Head or their designated representative.

If the Agency/Department Head objects to the contents of such material, he shall immediately notify the Union staff or representative. Such material shall be removed from the board, based upon the Agency/Department Head's objections and if an agreement cannot be reached between the Union and the Department/Agency Head, the matter shall be immediately referred to the Industrial Relations Manager in the County Executive Office for resolution. If either party objects to the Industrial Relations Manager's decision, they have the alternative of filing an unfair labor practices charge before the Civil Service Commission. The Union is responsible for posting material upon the designated bulletin board and for neat and orderly maintenance thereof. Such material shall be signed and dated by a unit representative, officer, or staff member of the Union.

Sec. 2709 MAINTENANCE OF MEMBERSHIP:

- A. Effective January 1, 1984, any employees in this unit who have authorized Union dues deductions effective that date or at any time subsequent to that date shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in the unit may terminate such Union dues during the first fourteen (14) calendar days of each January by notifying the County Auditor-Controller of their termination of Union dues deduction.
- B. The Union agrees to indemnify and hold the County of Ventura harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

Sec. 2710 DRUG AND ALCOHOL TESTING: The Union and County have mutually agreed to implement the Drug and Alcohol Policy for Safety Sensitive Employees effective January 4, 1996 (policy on file with County Personnel and the Union). The Union and County also agree to any changes, including changes to the qualified vendor or those mandated by revisions in federal or state law or regulations which impact on the testing program or its implementation.

Sec. 2711 ACCESS TO WORK LOCATIONS:

- A. Access to Non-patient and Non-security Work Locations: Authorized Union representatives shall be given access to non-patient and non-security work locations during working hours to conduct grievance investigations and observe working conditions on the condition the

Union representatives shall comply with the regulations established in this Article, and that Union representatives shall not interfere with work operations of any Agency/Department or district of the County.

- B. Headquarters Work Locations: When visiting any department/ agency or district headquarters work location, Union representatives shall contact the Agency/Department Head or their designee prior to entering any work areas. The Union representative shall state the purpose of their visit, i.e., grievance investigation or observation of working conditions. The Management designate may deny access to work areas if it is deemed that a visit at that time shall interfere with the operations of the department. If access is denied, the Union representative shall be informed when access will be made available. Such access shall not be denied for more than twenty-four (24) hours, excluding Saturdays and Sundays and legal holidays, after the time of the Union representative's request, unless otherwise mutually agreed to.

- C. Field Work Locations: Union representatives desiring access to field work locations shall either telephone the appropriate Management representative responsible for the district, division or yard or shall personally contact such Management representative upon entering any work location under their supervision. If access is denied, the Union representative shall be informed when access will be made available. Such access shall not be denied for more than twenty-four (24) hours, excluding Saturdays and Sundays and legal holidays, after the time of the Union representative's request, unless otherwise mutually agreed to.

The decision of the Agency/Department head with respect to grievances over performance evaluations is final and binding, and the Union hereby waives the right to submit any such grievance to Arbitration as provided under Section 2904.

Sec. 2803 PROCEDURE

2. Within seven (7) calendar days from the day of discussion with the employee, the immediate supervisor, or in their absence their authorized representative, shall orally reply to the employee's complaint.

B. Formal Complaint - Step 1. Division Head

1. Within seven (7) calendar days from their receipt of the answer from the immediate supervisor, an employee may appeal to their division head. A grievance shall not be deemed to be properly filed unless it is completed on an official and appropriate form, furnished by the County. Such written grievance shall:
 - a. Fully describe the grievance and how the employee was adversely affected;
 - b. Set forth the Section(s) of the Agreement, Personnel Rules and Regulations, and/or written policies violated.

Within twenty-one (21) calendar days from receipt of the employee's grievance, the agency/department head or their designated representative who has not been involved in the grievance in prior steps shall make a thorough review of the grievance and give a written decision to the employee with a copy to the Union.
3. On matters that do not concern or involve the interpretation or application of the specific terms and provisions of this Agreement, the written decision of the agency/department head shall be final as to the disposition of matters within their authority.

Sec. 2804 ARBITRATION:

- A. A grievance unresolved in the steps enumerated above may be submitted to arbitration by the Union by submitting a letter requesting that the grievance be submitted to arbitration to the Director-Human Resources within ten (10) calendar days after the Agency/Department Head renders a decision. Prior to submitting the matter to arbitration, the Director-Human Resources or their designee will meet with an employee representative from the Department, Department Management, a representative of the County Executive Office (CEO) and the Union in an effort to resolve the grievance. In the event the parties reach an agreement, such agreement shall be submitted to the County Executive Officer (CEO) for their approval. The CEO shall advise the parties of their decision within ten (10) working days after the receipt of the proposed resolution. If the CEO concurs with the agreement, the grievance shall be considered resolved and binding upon the parties. If the CEO rejects the agreement or fails to respond within ten (10) working days described above, the Union may proceed to submit the matter to arbitration. The grievance submitted to arbitration shall be limited to the grievance originally filed at the first step except as amended by mutual agreement between the Union and the Director-Human Resources or their designee.
- B. The Arbitrator shall be selected by mutual agreement. In the event mutual agreement cannot be reached on an Arbitrator within fifteen (15) calendar days of the receipt of notice of appeal to arbitration, the State Conciliation Service shall be asked to list a panel of five (5) individuals from which one (1) name shall be selected by the parties within ten (10) calendar days after the receipt of such list by alternate striking of names. The party making the first deletion shall be determined by lot. The remaining name shall be deemed to be the Arbitrator for this grievance.

- C. Costs of the Arbitrator and court reporter, if any, shall be shared equally by the parties.
- D. The Arbitrator shall have no power to alter, amend, change, add to or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of the Agreement in respect to the alleged grievance and remedy. The decision and/or award of the Arbitrator shall be based solely upon the evidence and arguments presented to him by the respective parties. The decision and/or award of the Arbitrator shall be final and binding upon the County, the Union, and the employee affected, subject to judicial review.
- E. If either the County or the Union shall claim before the Arbitrator that a particular alleged grievance fails to meet the tests of arbitrability as set forth in this Agreement, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the Arbitrator determines that such grievance fails to meet said test of arbitrability, he shall refer the case back to the parties without a decision or recommendation on the merits.
- F. All arbitration proceedings arising under this grievance procedure shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California.

Sec. 2805 MEDIATION: Within ten (10) days of submitting a letter for arbitration, the Union and the County shall request the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The Mediator shall have no authority to resolve the grievance except by agreement of the Union and the County. In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at a subsequent hearing.

Sec. 2806 WAIVER AND LIMITS: Grievances may, by mutual agreement, be referred back for further consideration or discussion to prior steps or advance to a higher step in the grievance procedure. Time limits specified in the grievance procedure of the Agreement may be waived by mutual written agreement. Should the County fail to respond orally and/or in writing when required within the specific time limits, the grievance shall be automatically progressed into the next step of the grievance procedure. Likewise, should the Union and/or the grievant fail to initiate or appeal any grievance within the specific time

limits, the grievance shall be considered resolved on the basis of the County's last response and shall be considered waived and abandoned for all purposes.

- Sec. 2807 TIME OFF FOR GRIEVANCE RESOLUTION: An employee who has filed a written grievance shall be given a reasonable amount of time off with pay by their appointing authority to process, prepare and resolve their grievance.
- Sec. 2808 GRIEVANCES AND RULE OR AGREEMENT CHANGES: Grievances shall be arbitrated on the basis of the Rules, Agreement, etc., in effect when the incident or incidents upon which the specific grievance is based occurred or first occurred.
- Sec. 2809 FULL DISCLOSURE: At the step of the grievance procedure described in Section 2803-C and during any efforts to resolve the matter prior to submission to arbitration as per Section 2804-A, the grieving employee and/or their authorized representative shall disclose to the County Representatives a full and detailed statement of both the facts and the provision(s) of the Agreement relied upon and specify the remedy sought.
- Sec. 2810 RESPONSIBILITY AND AUTHORITY OF RESPONDENTS: Respondents at each level of the grievance procedure are empowered to resolve disputes only by properly applying existing provisions of this Agreement. Respondents cannot alter, amend, change, add to or subtract from any of the terms of this Agreement.

ARTICLE 29 DISCIPLINARY ARBITRATION

- Sec. 2901 PURPOSE: To provide an equitable and uniform procedure for administration and arbitration of discipline. The provisions of this Article supersede those of Article 21 of the Ventura County Personnel Rules and Regulations.
- Sec. 2902 WRITTEN ORDER FOR DEMOTION, SUSPENSION, REDUCTION IN PAY, DISMISSAL: The continuing employment of every permanent employee shall be contingent upon good behavior. Any such employee may be dismissed, demoted, suspended, reduced in pay, or demoted and suspended for cause as specified in Section 2903 by the appointing authority in the following manner:

- A. The appointing authority shall serve upon the employee a Notice of Proposed Disciplinary Action stating the nature of the proposed action and its effective date. Such Notice shall also set forth in writing the reasons for the proposed disciplinary action, a statement of the charges upon which the action is to be based, a notice to the employee that he has the right to review the materials being used against him, and a statement advising the employee that he has a right to respond to the charges. A duplicate of that Notice must be filed with the Director-Human Resources and Local 501.
- B. Within seven (7) calendar days from receipt of the Notice of Proposed Disciplinary Action, unless additional time is otherwise specified by the appointing authority in said Notice of Disciplinary Action, the employee may respond to the proposed action. Such response may be presented orally or in writing. The employee has a right to have a Local 501 representative if he so chooses.
- C. At the completion of the period provided in "B" above, the appointing authority shall review the employee's response, if any, and make a determination whether to cancel, amend, or sustain the proposed action. If the appointing authority decides to amend or sustain the proposed action, the employee will be served with Notice of Disciplinary Action again setting forth in writing the reasons for disciplinary action and offering a statement of the charges upon which the action is based.

The Notice of Disciplinary Action shall also advise the employee that the action being taken is final, and apprise him of their right to request that Local 501 submit the matter to arbitration within fourteen (14) calendar days. A duplicate of that Notice must be filed with the Director-Human Resources and Local 501.

Nothing in this Section shall be considered to restrict the right of the County to take immediate disciplinary action when it is deemed appropriate.

Sec. 2903 CAUSES FOR DEMOTION, SUSPENSION, REDUCTION IN PAY, DISMISSAL: In accordance with Section 1345.1.4.13.1 of the Ventura County Ordinance Code, causes for disciplinary action are as follows: fraud in securing appointment, incompetency, inefficiency, inexcusable neglect of duty, physical or mental disability, insubordination, dishonesty, drunkenness on duty, intemperance, addiction to the use of narcotics or habit forming drugs, inexcusable absence without leave, conviction of a felony or misdemeanor involving moral turpitude, immorality, discourteous treatment of the public or other employees, improper political activity in violation of Article

24 of the Ventura County Personnel Rules and Regulations or Sections 1351 and 1351.1 of the Ventura County Ordinance Code, willful disobedience, violation of any provision of Article IV of the Ventura County Ordinance Code, which among other things includes the corrupt use of official authority or influence, or any other failure of good behavior or acts which are incompatible with or inimical to the public service.

- Sec. 2904 DISCIPLINARY REDUCTION IN PAY: In accordance with the necessity for taking disciplinary action, the pay of a Local 501 represented employee may be reduced by either two and one-half percent (2.5%) or five (5%) for a period of time not to exceed 1,040 hours for any one (1) offense.
- Sec. 2905 SUSPENSION WITHOUT PAY: Suspension without pay may be imposed not to exceed thirty (30) calendar days. Whenever an employee is suspended without pay, no compensation shall be paid the suspended employee for the duration of their suspension and such suspension shall be treated as an authorized leave of absence without pay for purposes of vacation and sick leave accruals.
- Sec. 2906 DEMOTION: The employee may be demoted to a classification which has a lower pay range than the position currently occupied. In cases of disciplinary demotion, the compensation of the employee shall be adjusted to the point in the pay range of the position to which he has been demoted which is approximately five percent (5%) lower than the rate of pay he was receiving in the higher class. If the top step of the range of the position to which he has been demoted is more than five (5%) lower than the rate of pay he was receiving in the higher class, the employee shall receive the top step of the pay range of the position to which he has been demoted. An employee so demoted shall not have their VCHRP merit increase hours needed reset.
- Sec. 2907 DISCIPLINARY ACTION IMPOSED DURING PROBATIONARY PERIOD: The appointing authority may dismiss, demote, suspend, demote and suspend, or impose any other disciplinary action on any probationary employee during the probationary period. Neither a probationary employee nor Local 501 may request arbitration of any disciplinary action taken against an employee during their probationary period.
A promoted employee who is dismissed during their probationary period shall return to the position in which he held permanent status, if vacant, or any other vacant position in their former classification in the Agency/Department. If no such vacancy exists, every reasonable attempt will be made by the appointing authority to retain the employee in an underfill capacity. Only if there is no vacancy and the appointing authority is unable to make reasonable accommodation, the employee shall be placed on a reemployment list for two years for the position in which he held permanent status and shall be granted the first position that becomes available in their

former classification in the Agency/Department in which he was employed. The above provisions shall not apply if the cause of the dismissal warrants dismissal from County service. If the cause for dismissal warrants dismissal from County service, the employee may request that Local 501 submit the matter to arbitration.

Sec. 2908 NON-DISCRIMINATION: Disciplinary actions shall be taken without regard to race, color, national origin, religion, sex, age, or functional limitation.

Sec. 2909 REQUEST FOR ARBITRATION: If an employee wishes to appeal a disciplinary action, he shall ask that the matter be submitted to arbitration by Local 501. If Local 501 concurs, it shall submit to the Director-Human Resources, in writing, within fourteen (14) calendar days of the employee's receipt of the Notice of Disciplinary Action, a request that the matter be submitted to arbitration. Upon receipt of Local 501 's request, the parties shall, within seven (7) calendar days, request a panel of five (5) arbitrators who comprise a permanent panel agreed to by the parties. The Director Human Resources and the Union will meet with the Department Management, a representative from the CEO and an employee representative from the department in an attempt to resolve the issue prior to proceeding with the arbitration. This process must be completed no more than seven days after the request to proceed to arbitration is received by the Director Human Resources. The arbitrator shall conduct a hearing within thirty (30) days of being selected by the parties unless there is a mutual agreement to extend the time frame. In the event mutual agreement cannot be reached on an arbitrator within fifteen (15) calendar days of the receipt of notice of appeal to arbitration, the State Conciliation Service shall be asked to list a panel of five individuals from which one name shall be selected by the parties within ten (10) calendar days after the receipt of such list by alternate striking of names. The party making the first deletion shall be determined by lot. The remaining name shall be deemed to be the arbitrator for this grievance.

Sec. 2910 ARBITRATION COSTS: The costs of the arbitrator shall be paid by the losing party. In the event the arbitrator modifies the discipline imposed, the costs shall be shared equally by the parties. Costs of the court reporter, if any, shall be paid by the party who requested the presence of the reporter; however, nothing shall preclude the parties from agreeing to share equally in the costs of the reporter. If a cancellation fee is imposed on the parties by the arbitrator, it shall be paid by the party whose actions were responsible for the imposition of said fee.

Sec. 2911 SCOPE OF ARBITRATOR'S AUTHORITY: The Arbitrator shall have no power to alter, amend, add to or subtract from the provisions of this Article or any other terms of this Agreement. If the Arbitrator finds that none of the

charges contained in the Notice of Disciplinary Action are true, then he shall set aside the action taken by the appointing authority. If the Arbitrator finds that some or all of the charges are true, then he shall make a decision confirming or modifying the action of the appointing authority provided, however, that their authority to modify the appointing authority's action is limited to those disciplinary actions described in Section 2903. The Arbitrator shall have no authority to increase the discipline imposed by the appointing authority.

Notwithstanding the provisions of Section 2906, nothing shall preclude the Arbitrator from ordering the reinstatement of an employee with or without back pay. The decision of the Arbitrator shall be final and binding, subject to judicial review pursuant to Title 9 of Part 3 of the Code of Civil Procedure of the State of California, upon the employee, the County, and, if applicable, Local 501.

- Sec. 2912 GOVERNING PROVISIONS: All arbitration proceedings arising under this Article shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California. However, Code of Civil Procedure Section 1283.05, relating to discovery, shall not be a part of this Agreement. Further, subpoenas duces tecum may be issued by the attorney or other representative of a party as well as by the arbitrator. All other provisions relating to subpoenas found in Chapter 3 of Title 9 of the Code of Civil procedure shall apply.
- Sec. 2913 ARBITRABILITY: If either the County or Local 501 shall claim before the Arbitrator that a particular request for arbitration fails to meet time limits, or is in some other manner defective, and, thereby, fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case, where the Arbitrator determines that such appeal fails to meet said test of arbitrability, he shall refer the case back to the parties without a decision or recommendation on its merits.
- Sec. 2914 REPORT OF HEARING: The Arbitrator shall render their report to the parties in writing, including reasons for any decision, within thirty (30) calendar days of the completion of the hearing. Failure to comply with this provision shall result in the automatic waiver of all arbitration, per diem, preparation, and related fees.
- Sec. 2915 VACATION OF ORDER: A decision of the Arbitrator may be modified or vacated, in whole or in part, and a new or further hearing granted on all or

part of the issues on the application of a party to the arbitration for any of the following causes, materially affecting the substantial rights of the parties:

- A. Irregularity in the arbitration proceedings, or any order of the Arbitrator or abuse of discretion by which either party was prevented from having a fair hearing.
- B. Accident or surprise, which ordinary prudence could not have guarded against;
- C. Newly discovered evidence which could not, with reasonable diligence, have been discovered and produced at the hearing and which is material to the question that was before the Arbitrator;
- D. Error in law, occurring at the arbitration and excepted to at the arbitration by the party making the application or motion.

Sec. 2916 APPLICATION FOR VACATION OF ORDER: The application or motion to the Arbitrator shall be made either before the signing of the order of the Arbitrator or within fourteen (14) calendar days of the Arbitrator mailing notice of their order and shall designate the grounds upon which vacation is requested.

Should the Arbitrator grant a hearing on the application or motion, the Arbitrator shall, after review of the application or motion, specify the ground or grounds on which it is granted and their reason or reasons for granting the application or motion. At the hearing, the evidence introduced shall be limited to the ground or grounds upon which the hearing was granted. At the conclusion of the hearing, the Arbitrator shall either confirm their prior findings and decision or issue a new finding and decision.

The filing of an application under this Section shall not be necessary to exhaust administrative remedies and the application or motion shall not operate to stay the effectiveness of the Arbitrator's order except by discretion of the Arbitrator upon a showing by affidavit of emergency or hardship should the order not be stayed.

ARTICLE 30 FULL UNDERSTANDING, MODIFICATION, WAIVER

- A. This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

- B. It is the intent of the parties that this Agreement be administered in its entirety in good faith during its full term. It is recognized that during such term, it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit. Where Management finds it necessary to make such change, it shall notify Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions in the unit; where the subject matter of the change is subject to negotiations pursuant to the Meyers-Miliias-Brown Act and where Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the unit. Any agreements reached regarding these impact items will be reduced to writing by all parties and, if required, approved and implemented by the County's/APCD Board.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify Union of such changes as soon as practicable. Emergency is defined as an unforeseen circumstance affecting life or property requiring immediate implementation of the change.

Where Management makes any changes in working conditions because of the requirements of federal or state law, the County shall not be required to renegotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

- C. Except as specifically provided herein, it is agreed and understood that each party voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations, during the term of this Agreement.
- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by the County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.
- F. As an exception to the above-stated waiver of the duty to bargain during the term of this MOA, the parties agree to re-open negotiations whenever the County's implementation of the provisions of the federal Affordable Care Act significantly affects mandatory subjects of negotiations under the MMBA.

ARTICLE 31
AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Agreement.

- A. Management's principal authorized agent shall be the County's Director-Human Resources or their duly authorized representative.
- B. The Union's Principal authorized agent shall be the Union's Business Manager or their duly authorized representative.

ARTICLE 32
PROVISIONS OF LAW

It is understood and agreed that this Agreement is subject to all current and future applicable federal, state, and County laws and regulations. If any part or provision of this Agreement is in conflict or inconsistent with such applicable provisions of federal, state or County laws, rules and regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Agreement shall not be affected thereby.

ARTICLE 33
COOPERATION WITH COMPLIANCE EFFORTS OF THE VENTURA COUNTY
MEDICAL CENTER (VCMC)

The Union agrees to cooperate with VCMC as necessary so that VCMC may meet all requirements imposed by law or ordinance or established by the rules and regulations of any federal, state or local agency, department, commissions, association or other governing or advisory body having authority to set standards governing the operation of VCMC. The Union further agrees to fully cooperate with any compliance-related activities of VCMC, whether voluntarily initiated by VCMC or required by any federal, state, or local agency, including without limitation, attending training sessions and providing certifications as requested by VCMC.

The definition of VCMC as defined by the Office of Inspector General Integrity Agreement includes but is not limited to, employees of the Ventura County Medical Center, employees of the Behavioral Health Department, and employees of Health Care Agency Administration.

By agreeing to the above two (2) paragraphs, the Union does not waive any right to bargain over any change in the terms or conditions of employment, after the effective date of this agreement, within the scope of bargaining as defined by applicable law.

BETWEEN THE COUNTY OF VENTURA
AND THE
INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL 501

Recognizing the value of a committee where issues of common concern may be discussed, a Labor/Management Committee has been established. The Labor/Management Committee may convene once quarterly for the term of this 2010-11 agreement. IUOE Local 501 shall submit to the Deputy Executive Officer/LR its request to schedule a Labor/Management Committee meeting no less than ten (10) business days prior to the proposed meeting date and an agenda no less than one (1) week in advance of the meeting. Such meetings shall be scheduled so as to minimize disruptions to the delivery of county services, shall be mutually agreeable to the County and not exceed two (2) hours. The Labor/Management Committee shall consist of two (2) County representatives; one (1) IUOE staff member and four (4) IUOE-represented employees (appointed by IUOE), for a committee comprised of seven (7) members. Additionally, meeting space shall be provided by the County.

Matters brought before this committee shall not include subjects which are in any way grievable/arbitrable and/or negotiable. Minutes of meetings shall be maintained. This committee shall be advisory in nature.
