

**ENTRY/TRAINEE CLASSIFICATIONS  
ELIGIBLE FOR VETERAN'S POINTS**

**Personnel Rules and Regulations (Sec. 516):** "Any person who has been discharged or released under condition other than dishonorable within fifteen (15) years of the final filing date for the position being examined, and who enters a competitive Civil Service Examination for entry level and trainee classifications as designed by the Director-Human Resources, shall receive a preferential credit of five percent (5%) of the maximum score attainable in the examination. Persons retired with pension from the various military services shall not receive this preferential credit. Notwithstanding their date of discharge, veterans who have a service-connected disability rating of twenty percent (20%) or more shall be eligible to receive this preferential credit. Such credit shall be allowed only if the veteran attains a passing score in each phase of the examination. No veteran's credit shall be given in a Countywide or agency/departmental promotional examination. Presentation of discharge papers or a certified copy thereof for inspection by the Director-Human Resources prior to the final filing date of the announcement shall be required of all applicants seeking Veteran's preference credit."
