*This menu of activities is not a final comprehensive list; activities may be added throughout the year (January – August, 2020) and communicated via all-County email and/or VC-WELL website.

To be eligible for cash prizes, ALL ACTIVITIES MUST BE COMPLETED BY August 31, 2020.

**Key Details:**

- The wellness biometric screening and wellness profile questionnaire are intended to be educational in nature, not as a substitute for health care with your doctor. Employees are limited to one wellness screening & questionnaire per calendar year. Follow-up blood work for known conditions should be done with your Dr.

- All wellness activities for this program will have a point value. (All activities EXCEPT WELLtrek Challenges, will be tracked using the County's Wellness Registration page.)

- You must register for all wellness classes/program/activities on the Wellness Registration page (EXCEPT for WELLtrek Challenges)

- To get points for completing a physical activity event you must sign the class roster as this is the only method we can reliably use to award points for activity completion – NO EXCEPTIONS. WALK-INS: IF WE CAN'T READ YOUR NAME AND EMP # WE CAN'T AWARD YOUR POINTS.

- Since most County sites don't have onsite physical activity classes, points are no longer being awarded for group activity classes such as Yoga, Pilates, Boot Camp, Zumba, etc. However, you will be able to convert your time for any class you take into steps using the activity converter on the WELLtrek platform. Steps will count toward WELLtrek challenges happening at that time, including Million Step Marches.

- There will be a 4-week appeals period after the program period ends on AUGUST 31, 2020. If you feel your points status is not accurate you can complete an appeal by the deadline.
