The Ventura County Area Agency on Aging is seeking qualified individuals, public and private nonprofit services, and private for-profit organizations to request a vendor application with the intent to contract for services for the Ventura County ElderHelp, Elder Abuse XE, and/or Multipurpose Senior Services Programs.

A vendor application packet may be obtained at the office of the Ventura County Area Agency on Aging, 646 County Square Drive, Suite 100, Ventura, by telephoning (805) 477-7300 or by downloading from the website aaa.countyofventura.org. This application process will be ongoing.

The following service categories are specifically being sought: money management, bill payment, transportation services (appropriate for frail seniors and/or disabled adults), home repair and/or home safety modification, biohazard cleaning & waste management (i.e. ability to remove and dispose of potentially pathogenic substances), adaptive equipment/non-medical home equipment (MUST be a contracted provider with both Medi-Cal and/or Medicare for wheelchairs, threshold ramps, hospital beds, walkers, etc.), respite, personal care, chore and homemaker assistance, and home delivered meals.

Bilingual Spanish, Tagalog, Farsi and Chinese Mandarin speaking individuals providing services to seniors and/or disabled adults are encouraged to apply. Prior to any agency, company, or individual being granted a contract, the applicant(s) will be required to complete a standard vendor application packet and supply proof of all required licensing and/or insurance required by the California Department of Aging, Federal Transit Administration, and the County of Ventura. Vendors that provide service throughout the county will be given preference.

All requests to contract will be subject to review by the Ventura County Area Agency on Aging and depend upon receipt of federal and state funds. Funds will be available beginning July 1, 2017, and ending

June 30, 2018. Contracts may be renegotiated annually to provide services. For more information concerning the vendor application process, contact Brian Murphy, at (805) 477-7300.
