Figures in the above table are from the U.S. Census Bureau's American Community Survey 2005-07 except for the cities of Fillmore and Ojai, for which the only data available is the U.S. Census 2000. NOTE: The American Community Survey for 2005-07 reflects an average of estimates for each of the years 2005, 2006 and 2007. As a result, figures may be lower than those found in the American Community Survey 2007.
