Ms. Johnson presented a brief overview of the cultural meaning and treatment significance of the TAY Dia de los Muertos celebration hosted by VCBH.
1. Ms. Johnson reported that youth served by the Transitions program countywide have the option to participate in a culturally appropriate celebration to recognize and share among peers and family meaningful struggles and losses they have experienced and processed during weeks of group therapy sessions.
2. Small altars are constructed which incorporate photos, memorabilia, client produced art or writings and culturally relevant artifacts such as fabrics, candles, flowers and small offerings of food.
3. Client altars are shared with peers, family and staff during a celebration that features traditional music and foods that are appreciated by all.
4. Board members discussed the importance of incorporating traditional cultural supports and family into the client’s treatment plan.

**VIII. Directors Report**

Ms. Fisher presented the Directors Report.

A) Ms. Fisher announced upcoming events and trainings.
1. The South Oxnard Adult Clinic move will begin on November 3rd and the clinic will officially open on Monday November 10th. Beginning that week, all clinics will observe new hours of operation to expand client access to services: 8:00-6:00 Monday, Tuesday & Thursday; 8:00-7:00 Wednesday; 8:00-5:00 Friday.
2. October is National Bullying Prevention Awareness Month; nationwide an average of 160,000 students miss school each day due to bullying. Ventura County has used MHSA funds to provide anti-bullying education and prevention services in five school districts directed to students, staff and families. Online anti-bullying education for all school personnel countywide has also been provided. In the participating districts, incidents of bullying have decreased among third – sixth graders from 22% in 2011 to 14% in 2013.
3. The DUI Program Clinic Administrators and staff will attend *Drug Impairment Training for Educational Professionals* offered by the California Highway Patrol on November 5th and 14th. The training is intended to provide a systematic approach to recognize and evaluate individuals who are impaired by drugs, both legal and illegal for early recognition and intervention.

B) Ms. Fisher announced department collaborations.
1. VCBH will submit five Board Letters and provide a presentation on the Mental Health Rehabilitation Center (MHRC) under development at the Camarillo Airport for the County Supervisors. An RFP to award the building contract will go out to bid at year end; the awardee selected will participate in the final design of the facility.
2. The Simi Adult clinic continues to outreach to the homeless population through the Samaritan Center in Simi Valley. Our case manager, Selina Escoto, is at the Samaritan Center two days a week to provide mental health screening & referrals to connect clients and potential clients to VCBH services and to safe winter shelter provided through a coalition of Simi Valley churches.
3. Ophra Ashur, Clinic Administrator of the Conejo Youth & Family Clinic represented VCBH at two community events in October to promote awareness of county provided mental health and substance use prevention services at the Conejo Coalition for Youth and Families and the Conejo Valley Community Forum.
