OUR MISSION

To promote hope, resiliency and recovery for our clients and their families by providing the highest quality prevention, intervention, treatment and support to persons with mental health and substance abuse issues.

WHO DO WE SERVE?

As an integrated division of the Ventura County Health Care Agency, Behavioral Health provides a full continuum of coordinated mental health, and alcohol and drug services to meet the needs of Ventura County residents. In collaboration with community-based, faith-based and other public/private partners, our goal is to assure access to effective treatment and supports for all children, adolescents, transitional-aged youth, adults, and older adults and their families in Ventura County, with mental health and/or substance abuse issues. In addition to regional clinics located in Oxnard, Ventura, Santa Paula, Thousand Oaks, Fillmore and Simi Valley, many programs provide services at home, in schools and at other locations most accessible to our clients.
