

## Auction Interactive Map

The screenshot shows the "Auction Interactive Map" interface. At the top, there is a black header bar with the title "Auction Interactive Map" on the left, and "HELP" and "Auction Home Page" on the right. To the right of the header are several icons: a list icon, a layer stack icon, a search icon, a ruler icon, a print icon, and a window icon. Below the header is a satellite map of a region with several blue circular markers numbered 1 through 4. A white dashed line outlines a specific area on the map. In the bottom left corner, there is a scale bar labeled "10mi" and coordinates "34°34'57"N 119°06'48"W". In the bottom right corner, there is a logo for "Earthstar Geographics" and "esri" with the text "POWERED BY".
