3.0 WIB Chair Comments

Mike Soules reported on the California Economic Summit, held in Los Angeles on November 7-8, 2013. Currently in its second year of operation, the Summit assembled regional leaders in California to identify shared challenges, solutions, and champions to address economic disparities and advance an integrated strategy for economic vitality. In progress are seven initiatives: workforce, infrastructure, advancing manufacturing, regulations, capital, working landscapes, and housing. The Ventura County WIB is in alignment with the workforce and manufacturing initiatives through its sector strategies.

5.0 Finance Update

2013-2014 WIA Budget Plan and Expenditures

The Committee reviewed and discussed the Financial Status Report (FSR) for Fiscal Year 2013-2014, dated November 11, 2013, and reflecting year-to-date expenditures from July 1, 2013 to October 31, 2013. The status of expenditures at 33% into the fiscal year was:

WIA Core Funds	2013-2014 Plan	YTD Expended	% Expended vs. Plan
Dislocated Worker	2,805,773	943,783	34%
Adult	2,247,497	586,891	26%
Youth	2,285,092	657,691	29%
Rapid Response	537,884	113,252	21%

WIB Executive Committee Page 1 of 5

The FSR report includes the completion of program year 2012-2013 contract extensions for the Ventura Adult and Continuing Education (VACE) Adult Program and the Economic Development Collaborative of Ventura County (EDC-VC) Incumbent Worker Training Program, which both ended on September 30, 2013. The amount expended in the Rapid Response category is slightly lower than planned due to the EDC-VC under-expenditure in business retention services. The Committee reviewed and discussed the cumulative quarterly report for EDC-VC in the Evaluation segment of the meeting.

The Committee discussed the potential impact of federal budget sequestration and/or rescission (possibly January/February 2014) on WIA funding and contingency planning. The Management Reserve in the 2013-2014 WIA Budget Plan is available to help address that type of situation.

WIB staff announced the recent name change of the Business Employment Services Department (BESD) to the Community Services Department (CSD). In addition, the Job & Career Centers (JCCs) are also going through a co-branding/re-branding process to reflect the new State-required branding as America's Job Centers of California.

WIA Training Expenditures

The summary of WIA training expenditures, as of November 11, 2013, indicated spending against the required 25% Adult/Dislocated Worker training expenditure target and against WIA grants across the overlapping federal two-year grant cycles:

	2012-2014 <u>Grants</u>		2013-2015 <u>Grants</u>
	Spent in <u>FY 12-13</u>	Spent in <u>FY 13-14</u>	
Total Adult and Dislocated Worker Formula Fund Allocations	4,503,559		4,346,991
25% Training Expenditure Requirement	1,125,890		1,086,748
 Formula Fund Training Expenditures 	656,813	197,689	154,710
 Total Leveraged Resources Used Toward Training Expenditures 	450,356		46,444
 2012-2014 Amount Leveraged to Date = \$562,187 (10% Maximum Leveraged Credit toward Goal = \$450,356) 			
 2013-2015 Amount Leveraged to Date = \$46,444 (10% Maximum Leveraged Credit toward Goal = \$434,699) 			
 Total Amount Spent on Training 	1,304	1,858	201,155
 % of Training Requirement Met (Final goal = 100%) 	116	6%	19%

The WIB plan for the use of WIA Adult and Dislocated Worker training funds is to expend 90% in the first year of the grant, and 10% in the second, to accommodate the overlapping of two-year grant cycles. With the 2012-2014 training funds fully expended, training costs now will be expended under the 2013-2015 grants. The WIA operations staff of the Community Services Department (CSD) are exploring options for possible leveraged training resources.

 - Below is the cumulative number of Adult and Dislocated Worker enrollments that received Rapid Response activities:

2012-2013 Enrollments	Plan <u>New Unique</u>	Actual New Unic [Rapid Response Act	
Adults	74	47 [1]* [3	3]**
Dislocated Workers	104	35 [3]* [[^]	13]**

^{*}Reflects outcomes based on a narrowly defined scope assessed at the participant level (WIA Application)

WIB Executive Committee Page 3 of 5

^{**}Reflects outcomes based on a broader definition of enrolled customer's employer at application and the employers receipt of Rapid Response information and services

Tracking of future outcomes will depend on the availability of data in the JTA replacement system (New CalJobs), tentatively scheduled for launch in December 2013.

6.3 Rapid Response: Economic Development Collaborative – Ventura County (EDC-VC):

The 2013-2014 cumulative quarterly report for July 1, 2012 through September 30, 2013 included activities for 15 at-risk businesses with 10 or more at-risk workers to help prevent the loss of 929 at-risk jobs. EDC-VC retained 439 jobs after completion of all employer services and at 6 weeks retention. Fifty-eight at-risk workers were provided Incumbent Worker Training with non-WIA funding in technology-related jobs.

Other: New Performance Measures

In response to new legislative and administrative mandates, additional performance measures (beyond WIA Common Measures) were in development by the California Workforce Investment Board (CWIB). Theresa Salazar Vital is serving on the CWIB workgroup to refine new measures performance criteria and develop a revised recommendation for CWIB consideration and approval. The next step would be for the Employment Development Department (EDD) to issue a directive for implementation local WIB implementation of the measures as of July 1, 2014.

7.0 Ventura County Regional Strategic Workforce Development Plan 2013-2017: Update

- Status of Plan: The Ventura County Regional Strategic Workforce Development Plan 2013-2017 had been approved by the CWIB in October 2013, resulting in local WIB certification through June 30, 2015. CWIB has decided to engage in a new round of WIB plan reviews to determine which WIBs would be designated as high-performing. High performing WIBs will be notified prior to their official announcement at a future CWIB meeting.
- <u>California WIB Member-to-Member Meetings</u>: Members of the CWIB were scheduled to meet with regional groups of local WIB representatives (chair, vice chair, labor, executive director) in October and November 2013. To ensure CWIB member availability, the meeting with Ventura, Santa Barbara, and San Luis Obispo (November 25, 2013) would be rescheduled for a future date.
- <u>California WIB Special Committees</u>: The CWIB has formed special committees to address
 the four policy priorities in the State Strategic Plan: Advanced Manufacturing Workforce
 Development Council, Career Pathways and Education Committee, Health Workforce
 Development Council, Green Collar Jobs Council, Issues and Policies Committee, and State
 Youth Vision Team. To follow the work of the committees, go to www.cwib.ca.gov.
- <u>California WIB Employment Zone Initiative</u>: CWIB is considering a new California Employment Zone Initiative to engage regional private and public stakeholders in making and keeping a public commitment to drive and support employment growth. The initiative would emphasize collaboration and encourage partnerships between local WIBs.

8.0 WIB Administration

• <u>2013 WIA Program Monitoring</u>: Richard McNeal provided an update on the recent Employment Development Department (EDD) 2013 program monitoring. The Adult and Dislocated Worker programs were evaluated with no findings.

WIB Executive Committee Page 4 of 5

• <u>WIB Planning Meeting</u>: Cheryl Moore discussed the annual planning meeting (February 27, 2014 from 8:00 a.m. to 11:30 a.m.) and requested feedback from Committee members regarding the content and structure of the meeting. She indicated that the focus of the WIB meeting on December 12, 2013, would be on WIB Plan youth strategies related to education, with WIB member Roger Rice as guest speaker.

9.0 Committee Member Comments

Mike Soules extended thanks to WIB Manager Theresa Salazar Vital for the evaluation reports and acknowledged the extensive staff work involved to prepare the information. He asked Committee members to think about the WIB's approach to performance measures reporting and make suggestions if changes and/or additions are needed.

Mr. Soules thanked the Executive Committee for being voluntary stewards of their respective committees and asked them to continue recruiting others to participate in workforce development. He encouraged members to invite the right people to the table and to spread the word that WIB and WIB Committee meetings are open to the public.

OUTREACH COMMITTEE

DATE: JANUARY 9, 2014

SUBJECT: RECOMMENDATION TO AUTHORIZE WORKFORCE INVESTMENT BOARD (WIB)

STAFF TO DEVELOP AND RELEASE A REQUEST FOR PROPOSALS (RFP) FOR WORKFORCE INVESTMENT ACT (WIA) OUTREACH SERVICES FOR \$150,000 IN

WIA FUNDS

RECOMMENDATION

That the Executive Committee authorize Workforce Investment Board (WIB) staff to develop and release a request for proposals (RFP) for Workforce Act (WIA) Outreach Services for \$150,000 in WIA Funds.

DISCUSSION

County of Ventura procurement term limits require that a new competitive solicitation be conducted for the selection of a contractor to provide outreach services.

The public Request for Proposals (RFP) process in October 2011 funded a contract with the Agency for these outreach services. The current and final annual contract with the Agency ends June 30, 2014.

On October 24, 2013, the full WIB approved the plan for preliminary recommendations for general use of 2013-2014 WIA core funds. The purpose of this new RFP is for a County-wide outreach project with a selected organization to promote workforce development programs and services in Ventura County. Services will include creative design, production and copywriting (e.g., brochures, flyers, commercials), media negotiation and placement (e.g., newspapers, newsletters, English and Spanish radio, cable TV and public access programming, transit, non-traditional) public relations (e.g., press releases, media placements, public service announcements and placement, broadcast Interviews). This procurement will align with the WIB goals and WIB-approved plan:

• Business-friendly outreach in the Ventura County region is essential for raising awareness of business services and engaging employers in workforce development.

The new outreach project will be funded with WIA Adult, Dislocated Worker, Youth and Rapid Response core funds. The planned RFP release date is January 21, 2014, for approval by the Board of Supervisors of a contract starting July 1, 2014.

If you have questions or need more information, please call me at (805) 583-6701 or contact Talia Barrera at (805) 477-5341 or <u>Talia.Barrera@ventura.org</u>.

CONSIDERATIONS FOR USE OF UNCOMMITTED WIA FUNDS

Workforce Investment Board of Ventura County

WIB Policy on Uncommitted Funds

The use of uncommitted funds in any WIA budget category must be consistent with Workforce Investment Act (WIA) regulations and with the WIB's established priorities. These funds may be used in one or more of the following ways:

- Modifying existing contracts or in-house budgets to provide for additional enrollments and/or increased services for enrolled clients
- Funding special projects identified as WIB priorities
- Funding new Requests for Proposals (RFPs) for new and needed services
- Funding unsolicited proposals that comply with the WIB's policy on unsolicited proposals

WIB Policy on Unsolicited Proposals

Unsolicited proposals must meet the following minimum standards for initial consideration by the WIB Executive Director:

- Provide needed services that are consistent with WIA regulations and with the WIB's established priorities.
- Provide documentation that supports one or more of the following WIA requirements for noncompetitive proposal/sole source:
 - Service(s) in the proposal is only available from that organization.
 - Public exigency or emergency for the proposal service(s) will not permit a delay resulting from competitive solicitation.
 - Employment Development Department (EDD) gave written authorization for the proposal.
 - After solicitation of a number of sources for the proposal service(s), competition is determined inadequate.
- The WIB Executive Director may accept unsolicited proposals for subsequent consideration by the WIB, or may reject them.
- Unsolicited proposals may be used as a basis for establishing a Request for Proposal (RFP).
- The Executive Director will refer previously-screened unsolicited proposals to the appropriate WIB committee for consideration and subsequent action by the WIB Executive Committee and/or the full WIB.

Guidelines for Applying WIB Priorities to Special Projects

- Target training opportunities (Healthcare, Manufacturing, Clean Green and other priority sectors; customized training for businesses; incumbent worker training)
- Target special needs (veterans, persons with disabilities, foster youth, incarcerated/probationary youth, parolees)
- Increase other job seeker services (support services; more/different workshops)
- Increase employer services (recruitment; business attraction/layoff aversion; business management consulting; business workshops; employer outreach)
- Offer WIA-related training for potential providers
