4.0 Membership Status

- Reappointments: Current WDB member terms indicate six total reappointments for consideration will be coming due in June (one) and August (five) and require action at this meeting. Members discussed and reviewed committee participation and attendance records of the reappointment prospects. The committee unanimously agreed to extend reappointment invitations to all six. Committee Chair Patty Schulz, Capt. Doug King, and Jesus Torres will divide list and extend invitations for reappointment to Anthony Mireles, Brian Gabler, Greg Gillespie, Cindy Guenette, Kathy Harner, and Bill Pratt. WDB staff Patrick Newburn will subsequently prepare board of supervisor recommendation for reappointment letters.
- Appointments: Committee members discussed board composition, WIOA categories of representation, required business member and workforce member ratios, and the engagement/recruitment process. One Government/Workforce Services category prospective member was discussed as a potential appointment for this mandatory category, given a potential resignation from Connie Chan due to job reassignment by EDD. The EDD representative is mandated in this category as there are no other entities that fulfill the WIOA mandate for Workforce Services. Patrick Newburn will contact both existing WDB member and prospective candidate for clarification and intention to support WDB. The committee agreed that the WDB remains WIOA compliant with 29 voting members in all mandated categories.

- Recruitments: Committee members had no potential recruitments on the horizon for either WDB or Programs Committee appointment.

5.0 WIOA Workforce Development Planning

Committee members reviewed the 2017-2019 2-Year Plan and made no revisions.

6.0 Committee Member Comments

Members discussed suggestions for improving WDB member development and improvements to WDB meetings. Member comments included:

- WDB member understanding of responsibilities would improve with ongoing/ stepped WDB orientation training beyond the introductory training provided at new member onset
- WDB members need better understanding of WIOA programs and would benefit from WIOA “101” training to learn more about the details of the federal law; WDB meetings might include 15 minute segment of WIOA training at every WDB meeting
- WDB members would better comprehend the complexities of WIOA funding and participant outcomes with improved finance expenditure explanations at WDB meetings including better use of graphs, pie charts, and dashboards
- WDB members ongoing participation value continuation of bi-monthly meeting rotation and consistent calendar schedules
- WDB members will potentially benefit from meetings located and hosted at AJCC and Youth Contractor locations in order to learn more about WIOA provider programs
- WDB members appreciate and value WIOA participant success stories at WDB meetings as well as business testimonials about benefits from hiring WIOA participants
- WDB members attention and engagement will benefit from increased opportunities for open discussion at WDB meeting with less emphasis on prescribed report-outs

Members discussed the WDB Executive Director vacancy relating to WDB member engagement, development, and retention.

Committee Accomplishments

In support of the WDB's Ventura County Regional Workforce Development Plan 2017-2020 "SKILLS ATTAINMENT FOR UPWARD MOBILITY ALIGNED SERVICES FOR SHARED PROSPERITY", the Membership Committee:

- Board Composition
 - Maintained a well-balanced WDB membership, in compliance with federal and state requirements. Engaged action-oriented business, labor, education, economic development, government and community leaders who are committed to regional workforce development.
 - Considered multiple options and made recommendations to the WDB for the composition of the WDB to fulfill the requirements under the Workforce Innovation and Opportunity Act (WIOA).
- Board Appointments and Reappointments
 - Engaged, screened, and recommended three new WDB members who were appointed by the Board of Supervisors for three-year terms: One Labor representative under the category of Workforce, One EDD representative under the Government category, and one non-voting member.
 - Recommended reappointments for eleven WDB members who were approved by the Board of Supervisors for additional three-year terms: three members representing Business category, two members representing in the Workforce category, three members representing Education category, and three representative under the Government category.
 - Encouraged business and community leaders to attend WDB committee meetings as an introduction to the work of the WDB. Considered committee participation in developing the queue of potential WDB candidates.
- Board Development and Stewardship

WDB MEMBERSHIP COMMITTEE

Insights (Examples from 2016-2017)

- Our WDB members are great ambassadors for the WDB and continue to leverage their networks to help with recruitment efforts and support for committee activities.
- There is an identified agriculture industry sector gap in the board membership and we need to engage and recruit representation from within the agriculture industry.
- Participation on WDB sector committees continues to be a good first step for business and community leaders to be introduced to the work of the WDB.
- As identified in the WDB Regional Plan 2017-2020, Ventura County has a strong small business community and we need to continue to engage business and industry leaders with a goal of increasing diversity and the voice of small business.
- We need to identify and encourage board members with leadership qualities that will volunteer for officer and committee chair positions. We need to continue to provide board members with opportunities to participate in local, state, and national outreach activities to grow and sustain engagement in workforce development.

-
- NEW: *We need to identify improved methods and orientations to provide continued and ongoing WIOA education for board members*
 - NEW: *We need to improve WDB meetings by increasing opportunities for open discussion and simplified reports that are easy to understand*
