Council member Teri Hernandes commented on the ownership of a public sound wall on Wells Rd (118 HWY). The wall is graffitied a lot and would like to find out who owns it so it can be better maintained. The council discussed several community options for the maintenance of the wall. The direction from the council was to find the owner of the wall and see if a community mural could be added to help stop future vandalism. Council member Josh Addison suggested a field trip to the Bell Arts Building in Ventura. The visit would help with mural options.
