Re: October 14th Truck Accident in Ojai Valley

Dear Captain Ghiglieri:

The October 14th accident involving two large trucks on State Highway 150 east of the City of Ojai was alarming to many of our constituents. With the heavily travelled, windy, and narrow roads of the Ojai and Upper Ojai Valleys, truck accidents have the potential for causing substantial harm to motorists as well as occupants of the adjoining homes, businesses, and schools.

We wish to go on record encouraging a thorough investigation of this accident and any highway conditions that may have contributed to it. We would also request that the results of this investigation be provided to us and made public.

Thank you for your work protecting the people of Ventura County.

Cordially,

Steve Bennett
Supervisor, First District
