

List of 2023 Accomplishments with Casa Conejo MAC:

Casa Conejo MAC Accomplishment	Status	Outcome
Implemented Oversized Vehicle Ordinance	90% -100% Compliance	Improved safety hazards from OVS vehicles blocking views. Reduced the risk of RV caravans entering the area. Helped improve visual appeal of Casa Conejo.
Completed enhanced safety pedestrian crosswalk at Walnut Elementary School	Complete	The addition of flashing yellow lights and restriping of the crosswalk significantly improves visibility for parents walking kids to school and helps reduce the risk a tragic accident.
Implementing streaming capabilities and new community-based web pages.	Complete	Allows people to view meetings and keep informed in a convenient & safe manner. Hopefully will lead to more community engagement.
MAC passed a motion to begin a 3–5-year plan for Casa Conejo	On-going process	The MAC is taking a proactive approach to deal with issues such as aging infrastructure, traffic hazards, crime, beautification projects and more. The overall goal is to continue to make Casa Conejo a special place to live and grow in the future.
Received approval for initial safety enhancements at "T" intersections	In process	Public Works to place Right-Hand turn sign to help notify drivers of street comes to an end. Helps reduce drivers accidently driving into homes or garages.
Hoarder Case	In process	Working with a homeowner, local church, and EJ Harrison to help clean the property and work with the homeowner. Helps improve the quality of life for the homeowner and neighboring community.
Repaving of crumbling streets in CC moved up from 2025 to Spring of 2024	Spring of 2024	Will significantly improve road conditions in Casa Conejo sooner than later.
