## CASA CONEJO 3-5 YEAR PLAN

As a MAC part of your role is to provide advisory recommendations to the Supervisor regarding planning, public works, public health, safety, and welfare issues which relate to the Casa Conejo area.

### OVERVIEW

#### The Objective Tonight

As part of the agenda tonight the Casa Conejo MAC is to discuss the pros/cons, scope, and purpose of developing a 3–5-year plan for Casa Conejo. Developing such a plan could help in defining areas of need, priorities, goals, and objectives for the community. The plan could also set goals for issues like public safety, public work projects, planning, and welfare items. The plan could serve as a road map and a pro-active step for the future of Casa Conejo.

#### The Opportunity

- Discuss the concept of developing a 3–5-year plan for Casa Conejo
- Determine concept has merit or not
- Seek Initial public comments on the concept
- Decide whether or how to proceed in the future. You can table it for future discussion, move the item to a committee, or decide not to pursue the idea anymore.
