- (2) "Oversized vehicle" means any vehicle, as the word "vehicle" is defined in the California Vehicle Code (CVC), or a combination of connected vehicles, which exceeds twenty-five feet in length, and/or eighty inches in width, and/or eighty-two inches in height, exclusive of such projecting lights or devices as are expressly allowed pursuant to the CVC as it now exists or hereafter may be amended.
- (3) "Recreational vehicle" means any vehicle used for recreational purposes including, but not limited to, motor homes and any trailer used for the transportation of recreational or leisure items.
- (4) "Highway" shall be as defined in the CVC.

(b) **PARKING OF OVERSIZED VEHICLES PROHIBITED.** Except as provided in Section (c) of this Ordinance, it is unlawful to park or leave standing any oversized vehicle at any time upon any highway within the Oak Park Community. Any violation of this section shall be subject to a fine in the amount of \$30 in addition to any administrative charges or penalties authorized under the CVC.

(c) **EXEMPTIONS.** This ordinance shall not apply:

- (1) To an oversized recreational vehicle, while any person is in preparation for a trip, or in the process of recovery from a trip in that recreational vehicle. Such preparation or recovery shall not exceed 72 hours. For the purpose of these exemptions, a trip is defined as an excursion outside of the Oak Park Community for a continuous period in excess of 24 hours duration. The exemption period is 72 hours; or
- (2) While any person is actively engaged in making temporary or emergency repairs to an oversized vehicle; for a period not to exceed 72 hours; or

For purposes of this exemption, work vehicles are vehicles used for a minimum of 16 trips of not less than four hours every four weeks.

No permit shall be issued if the resident has space on the driveway of the residence for parking the work vehicle in a manner that is not restricted by law or local property or homeowners association restrictions. Exemptions for work vehicles shall be by permit only.

- (7) To residents whose primary vehicle for transporting family members or other dependents to schools, hospitals or other essential community services is an oversized vehicle, as determined by this ordinance, and implementation of the vehicle restriction would be an undue hardship. Such exemptions will be by permit only.
