## PUBLIC COMMENT

Public comment is the opportunity for members of the public to participate in meetings by addressing the Oak Park Municipal Advisory Council in connection with one or more agenda or non-agenda items. Public comments by a member of the public at a single meeting are limited to a cumulative total of five minutes at such meeting unless the time allotment is increased or decreased by the Chair depending on the number of speakers. The public comment period during the opening part of the meeting to address non-agenda items is limited to 30 minutes total for all speakers; this 30-minute limit does not apply to items on the agenda.

To maintain a public meeting environment conducive and welcoming to receiving public comments from all members of the public, the audience is discouraged from engaging in displays of support or opposition to staff reports or public comments, including clapping, yelling, booing, hissing or cheering, that may create a disruptive environment for members of the public wishing to participate. Any person who disrupts or impedes the orderly conduct of a meeting will be instructed to cease the disruptive conduct. Failure to do so may result in that person being removed from the meeting.

Members of the public who would like to augment their comments with visual or audio presentations must submit their materials to the [dale.thomas@ventura.org](mailto:dale.thomas@ventura.org) for review at least 48 hours before the meeting. The review will be conducted to determine only whether the materials are on matters within the jurisdiction of the Municipal Advisory Council, would be disruptive of the meeting, or would foster illegality, such as identity

theft. If it is determined that materials are about matters not within the Municipal Advisory Council's jurisdiction, or would be disruptive of the meeting, or would foster illegality, use of County-provided equipment will not be allowed.
