CHP MOORPARK'S OAK PARK MAC TALKING POINTS: (10.24.24)

- The CHP Moorpark Area continues to send Special Enforcement Units (SEU) to conduct targeted patrol throughout Oak Park. Citations are being issued for unsafe turns, unsafe passing, posted signage violations, unsafe speed, and various parking violations. Targeted patrols help saturate an area where multiple violations are known to be happening at once so multiple violations can be addressed in the area simultaneously.
- CHP Moorpark is hosting a Start Smart class in early November (please check our social media pages for the exact date, it is not yet scheduled). The class will be **from 6:00pm-8:00pm** at the Moorpark CHP Office at 610 Spring Rd. in Moorpark. This is a FREE class offered to current and prospective teenage drivers and their parents/guardians to discuss important issues such as tips on how to avoid crashes, safe driving habits, dynamics of a crash, consequences of a poor choice behind the wheel, parental roles and responsibilities, and legal and civil liabilities. Call the Moorpark CHP office to reserve your spot at (805) 553-0800.
- CHP Moorpark will be focusing patrols on distracted driving violations during Distracted Driver Awareness Week, October 21st through October 27th. Anything that diverts our attention away from driving, however slight, is a distraction. Safe driving requires 100% of our attention 100% of the time.
- The California Highway Patrol will be conducting a Maximum Enforcement Period (MEP) over the Thanksgiving Holiday weekend. The MEP will run from Thursday, November 28th through Sunday, December 1st. A focus for this MEP will be seatbelt violations.
- The California Highway Patrol is hiring 1,000 officers to help make California's roadways safer. If you or someone you know would like to join the CHP, visit www.betheCHP1000.com for more information and to speak with a local recruiter. Also, the CHP is hiring more than just officers. We are currently looking to fill 165 dispatcher vacancies across the state and are also looking for Commercial Vehicle Inspection Specialists to inspect the growing number of commercial vehicles on California highways. The CHP will provide you with the training for all three of these positions. More details and applications can be found at www.chp.ca.gov.
- Follow CHP Moorpark on social media for traffic updates, sig alerts, evacuation notices, roadway closures, and general information on what the CHP is doing in your area.
