2	5/30/2023	Public Safety	Roads & Transportation	Install speed bumps on Conifer Street, between Kanan Road or Satinwood and Smoketree. This is a route for children attending Brookside Elementary and Mae Boyer Park. Car speeds are up to 45mph at all hours of the day and night. Written comment received via email from resident Alison Kollee to Dale Thomas and included MAC June 2023 agenda packet.	**Update 2/18/25:** Per Roads and Transportation, the road is posted at 35mph per a 2018 Engineering &Traffic Study that is used to establish Speed limits on roadways. Another speed survey would likely not bring the speed limit down to 25mph. One of the requirements for speed humps is that it can be installed only on Roadways with speed limit 25 MPH or lower. There are also 25mph school zone signs. This is an enforcement issue & CHP may need to be notified.	Medium	VC Supervisor	Closed	2/18/2025

10	9/26/2024	Public Safety	Vegetation	Juniper bushes at the intersection of Kanan Road and Tamarind Street (southeast side) require additional pruning as they are blocking driver visibility.	**update 11/30/25:** All bushes were removed. **Update 10/21/24:** Public Works has deemed this to be a traffic safety issue and a notification has been sent to the property owner to resolve. **Update 9/26/24:** Ashley will request status from Public Works.
