

Whose horses are here?

Stepping Stones Riding Program, a 501c3 nonprofit, and Ventura County Parks have begun a 5 yr pilot program in the Santa Rosa Valley Equestrian Park. Stepping Stones is leasing a portion of the park with the goal of keeping horse experiences affordable and accessible. Public lessons are conducted in the park arenas alongside visiting riders. Visiting riders are welcome to enter and use any of the arenas when lessons are taking place. For the safety of the horses and visitors, the stable area is off limits.

Typical times when you'll see lessons:

- M-F 9-10am, 4-6pm
- Sat 9-10am, 11-noon, 2-3pm
