RE: CUP LU09-0069 for Tropical Paradise Case
No. PL13-0088

Dear County of Ventura Supervisor Bennett, Supervisor Foy, Supervisor Long, Supervisor Parks,
Supervisor Zaragoza,

The APPEAL brought by Tropical Paradise, seeking to overturn the unanimous decision of the Ventura County Planning Commission, which denied the renewal of the Conditional Use Permit (**Exhibit 1**), is being presented to the Board of Supervisors today.

Although there have been a few changes by the venue, in our opinion, these changes have not mitigated the problem and we join with the Planning Commission in recommending that the Board of Supervisor's support the Planning Commission's decision to deny the renewal of the CUP.

Respectfully submitted,
