Subject: Relocation of a Sexually Violent Predator to Somis

Dear Judge Ayers,

As Chair of the Somis Municipal Advisory Council (MAC), I am writing on behalf of the MAC that unanimously and strongly urges that you intervene against the relocation of sexually violent predator Ross Wollschlager into our community. Somis is an official Existing Community in the unincorporated county with a neighborhood elementary/middle school and many families and children. We have heard from many of our fellow neighbors about this very upsetting news and we all find that it's truly an unacceptable decision. Parents should not be afraid to have their children play outside. Most streets do not have the extra safety of streetlights, and many homes have no fences around their perimeter. Relocating Ross Wollschlager, who has been convicted multiple times of violence and being a sexual predator of children, presents an extreme safety concern to our children and our community. The Somis MAC urgently requests this placement be denied and we respectfully request that you intervene to stop the relocation of Mr. Wollschlager into our community.

Thank you for your consideration,

Pat Richards, Chair
Somis Municipal Advisory Council
