SECTION 6 – CONFLICT OF INTEREST CODE & ETHICS

The Political Reform Act, Government Code section 81000 et seq., requires local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code Regs., § 18730) which contains the terms of a standard Conflict of Interest Code, which may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act after public notice and hearings.

The terms of California Code of Regulations, Title 2, Section 18730, and any amendment to it duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference as the Conflict of Interest Code for the United Water Conservation District, and along with the attached Exhibit A, which designates positions requiring disclosure and Exhibit B, which sets forth disclosure categories for each designated position, constitute the Conflict of Interest Code of the United Water Conservation District. Persons holding positions designated in Exhibit A shall file Form 700 Statements of Economic Interests with the Filing Officer specified for that position in Exhibit A.

Ethics Training

Pursuant to AB 11234, passed in 2005, local agency officials must take two hours of ethics training every two years. For the purposes of this training requirement, District officials are defined as the Directors and management staff. Upon completion of the training, these officials must present the District with a copy of the certificate proving fulfillment of the training.
