Charmon stated that she is flying solo. We had our second parent education night. Executive Functioning, good turnout. Echo and Ms. Chambers did an incredible presentation on how our kids brain work. Really great pointers were given to parents. In October we participated in the California shakeout. Yesterday we had a surprise Fire Drill in the science classroom. The kids in the class were doing a safe experiment. Delores Huerta, activist coming to campus in March. She works with Dr Guzman and Cesar Morales. We are planning to send students to meet her, Dual immersion fourth graders, our kids will learn a song that would honor Ms. Huerta to sing taught by our music teacher. They will start practicing after break. We have lots of field trips, mostly walking field trips. Echo and I recently attended the federal program directors conference. Concentration on Federal dollars, it has hugely expanded with the title 1 monies. Incredible accountability. We came with a lot about federal compliance. We probably will be audited in the next few years. We also directors and leadership. We got to look at teacher evaluation system. We thought it was a great opportunity. Teams take back to teachers and discuss if we should have any changes. Year 1 and Year 2 model. All teachers filled out a growth plan, and we assigned a teacher to an administrator.
