

FILING A CLAIM FOR DAMAGES WITH THE GOVERNMENT ENTITY

Dear Claimant:

These instructions apply to County of Ventura and its separate districts. The requirements and procedure for recovering damages are outlined in the California Government Code commencing with §900. Subject to a few exceptions, you are required to file a timely claim with the **Board of Supervisors**. In most cases, as further discussed below, to be timely, the claim must be filed within six (6) months of the date of accrual. For your convenience, the County of Ventura provides a claim form you may elect to use to assist you in presenting your claim for consideration. Instructions for use of the claim form are outlined below.

Also provide the name and mailing address where claims information should be sent if other than the claimant. Provide the telephone number where additional information can be obtained.
- 2. Date of Accident** - It is critical that you provide the date of the accident or event that caused the damage for which you seek compensation. Failure to provide this information will cause your claim to be returned as insufficient. (See discussion below).
- 3. Place of Accident** – Describe the location of the accident or event with sufficient particularity to be able to identify the location on a map and visit the scene. Be sure to indicate if it is within a city or unincorporated area of the County.

If someone else owns the property, provide their name, address and telephone number. Attach copies of repair bills or at least two damage estimates that support your claim. In the case of lost property, evidence of ownership and replacement costs will expedite the handling of your claim.

- 6. Liability** – Describe how the event occurred and the facts and circumstances why you believe the County of Ventura or its special districts are liable for your damage.
- 7. Amount of Claim** - State the total amount you are claiming as a result of the alleged damage/injury. Indicate if costs or damage is continuing and describe the basis for this assertion. If the total amount is unspecified or exceeds \$10,000, designate the appropriate court jurisdiction for the claim. If available attach copies of all bills, payment receipts, and cost estimate(s). Provide an itemization and total of all damages.

8. **Witnesses** – Provide the names and contact information of any witnesses to the accident, including public employees involved in the incident.

The date of the incident must be provided on the claim form. Pursuant to Government Code §911.2, claims relating to causes of action for personal injury, wrongful death, property damage, and crop damage must be presented no later than six (6) months after the incident date.
