ARTICLE 3 COMPENSATION PLAN

Sec. 301 **Compensation Schedule:** Except as otherwise provided herein, employees shall receive the base hourly pay or salary of the pay range assigned to the classification of the position in which they are employed, benefits and retirement in accordance with the pertinent conditions of employment enumerated in these articles, appendices and exhibits. Salaried employees shall be compensated under the provisions of "Biweekly Salary"; and hourly employees under the provisions of "Hourly Salary."

- A. Base Hourly Pay or Salary for all except "Y" rated employees is defined as the biweekly compensation within the salary range for the employees' "class code" plus the additional compensation for supervisors as described in Section 311, if applicable. "Base Salary" for "Y" rated employees is that described in Section 309 and shall include the additional compensation for supervisors (Section 311) as applicable.
- B. Advanced Pay/Salary Appointments: The Director-Human Resources may provide that a position be filled at any point in the hourly pay/salary range up to the midpoint of the range, or with the approval of the County Executive Officer, may provide that a particular position be filled at a pay/salary level beyond the midpoint of the salary range. An advanced pay/salary appointment may be made when either of the following occurs:
 - 1. Whenever reasonable proof has been presented that no qualified person can be recruited to fill a position at the minimum rate.
 - 2. Whenever reasonable proof has been presented that an applicant has qualifications deserving a starting salary higher than bottom step of the range.
- C. There shall be an additional step of the salary range which shall be 105% of the normally assigned range which is reserved for those classifications designated as "Difficult to Recruit." Advancements up to this step shall not be automatic. They shall, instead, be granted based upon a determination by the Director- Human Resources, subject to approval by the County Executive Officer, that a serious recruiting and/or retention problem exists for a classification(s), or that increases granted to subordinate "difficult to recruit" classifications have created serious compaction problems, and that any percentage increase up to and including five percent (5%) can be granted under this Section if it would assist the County in recruiting or retaining employees in that classification(s). Upon such determination and approval, any percent up to and including the approximate five percent (5%)

increase(s) granted pursuant to the provisions of this Section shall be implemented as follows:

1. Upon prior authorization by the Director-Human Resources, the initial pay/salary placement for newly hired employees may be at any point within the pay/salary range for the classification.
2. All present permanent, regular, full-time or part-time employees assigned to positions in the affected classification(s), who have successfully completed one year or more of service at the top of the pay/salary range for that classification(s) shall receive a pay/salary increase in accordance with the provisions of Sections 316 or 319 of this Resolution.
3. All other regular, full-time and part-time employees assigned to positions in the affected classification(s), who have successfully completed less than one year of service at the top of the salary range for that classification may, upon recommendation of their Agency/Department Head and approval by the Director-Human Resources, have their pay/salary adjusted to an amount no less than the lowest pay/salary received by a qualified candidate hired from an eligible list created as the result of an open competitive examination to fill a vacancy in that classification provided that their education and experience meet or exceed those of the newly hired employee.
4. Subsequent merit increases for employees not compensated at the top of the pay/salary range(s) for classifications affected by the provisions of this Section may be granted pursuant to Sections 316 through 319 of this Resolution.

In the event the Director-Human Resources determines the circumstances that created the recruiting or retention problems for any or all classifications no longer exist, he or she shall advise the County Executive Officer of his or her findings. If the County Executive Officer concurs, he or she shall declare the provisions described above inoperative for such classification(s). At that time, the pay/salary for any employee compensated at a rate above that to which the employee would otherwise have been entitled shall be "Y" rated and shall not be increased until the new pay/salary for the employee's classification exceeds the rate established for the employee pursuant to the provisions described above.

- Sec. 302 **Regular Payday:** Whenever compensation is fixed for any position, such compensation is the biweekly compensation to be paid to the person holding such position unless otherwise stated. Such biweekly compensation shall be paid to employees, as determined by the Auditor-Controller, on or about the Friday following the end of the biweekly payroll period.
- Sec. 303 **Pay On Termination:** Upon certification of the Director-Human Resources that the employment of any employee is terminated prior to the expiration of the biweekly pay period, the compensation of such persons shall become due and shall be paid on the pay day which falls within the next pay period.
- Sec. 304 **Pay For Part-Time Services Of Regular Employees:** The actual compensation for part-time employment shall be determined by the relation that the total number of hours of service bears to the number of hours of service required in full-time employment in each class of position, except for those positions for which the Board has established a special or flat rate of pay as full remuneration for all services rendered, irrespective of the number of hours worked. Premium pay will also be paid to regular part-time employees on the same basis as full-time employees except that when premium pay is paid on a biweekly or monthly rate, that rate will be paid to part-time employees on a pro rata basis.
- Sec. 305 **Wage Rate:** Whenever a non-exempt employee, whose salary is fixed on a yearly or biweekly basis, works less than the total number of hours or days in a particular biweekly pay period, that employee shall receive salary or wages for the period in accordance with the hourly rate of the appropriate classification.
- In order to compensate for the difference between staff assigned Battalion Chiefs and line assigned Battalion Chiefs, such employees shall have their salary and benefits adjusted up or down, as appropriate, by the correction factor of 1.4, consistent with their assignment.
- Sec. 306 **Payment For Services Rendered On An Annual Basis:** Whenever the salary for any position is established as an annual rate, the employee appointed to that position will be paid a salary on a biweekly basis.
- Sec. 307 **Pay/Salary Corrections:** Upon recommendation by the Agency/Department Head and the Director-Human Resources, the County Executive Officer may approve a one-time pay/salary adjustment to resolve pay/salary compaction problems. Such corrections will not cause the top step of the salary range to be increased, but are intended to adjust pay/salaries that fall within the pay/salary range.
- Sec. 308 **Pay/Salary Range Changes:** Whenever a higher pay/salary range is assigned to a classification, an employee holding a position in such classification shall have their hourly pay/salary increased by the percentage

increase in the classification's salary range. The employee's anniversary date shall not change in such an adjustment. Whenever an additional step is added to the top of an assigned pay/salary range, individuals at the top of the existing range for at least one year shall be assigned to the new step.

Whenever a pay/salary range is assigned to a classification which previously was compensated on a flat rate, an employee shall either retain their salary immediately prior to the establishing of such range or receive the minimum of the pay/salary range established for the classification, whichever is greater. Whenever the Director-Human Resources furnishes reasonable proof that an employee, whose classification was previously compensated on a flat rate is deserving of a higher placement in the newly established range than the minimum of such range, the County Executive Officer may authorize an adjustment to any point in the pay/salary range assigned to the classification. The employee's merit increase hours shall not be affected by such an adjustment.

Whenever a lower pay/salary range is assigned to a classification, an employee holding a position in that class shall receive the same pay/salary they were receiving on the day preceding the effective date of the new range, if such salary placement is within the newly established pay/salary range. In all other instances, whenever a lower pay/salary range is assigned to a classification, an employee holding a position in the class whose pay/salary immediately preceding the effective date of the new range was in excess of the maximum of the new range, then such employee shall receive the maximum of the new range. The anniversary date of an employee affected by the establishment of lower pay/salary ranges for their classification shall not be affected by such an adjustment.

For Historical Purposes Only - Market Based Average adjustments granted July 6, 2003, are exempt from the provisions of this section.

Sec. 309 ***Hourly Pay/Salary On "Y" Rating:*** When an employee is "Y" rated, their base hourly pay/salary, immediately prior to the date of downward reclassification, is frozen and may not be increased until the maximum of the base hourly pay/salary range assigned their new classification exceeds the base hourly pay they were earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing approximately five percent (5%) increase in base hourly pay and shall retain the same merit increase hours that were needed in effect immediately prior to the establishment of the "Y" rate.

Sec. 310 ***Salary Rate On Transfer:*** Whenever an employee is transferred or assigned to a position in a different classification having the same salary range as their former position, they shall retain their salary rate and anniversary date.

Whenever an exempt employee is transferred to a position in a non-exempt classification, unless the transfer is at the employee's request, their Base Salary, immediately prior to the date of transfer is frozen and may not be increased until the maximum of the Base Salary range assigned their new classification exceeds the Base Salary they were earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing approximately five percent (5%) increase in Base Salary and shall retain the same merit increase hours that were needed immediately prior to the establishment of the "Y" rate. Flexible benefit allowances shall be provided in accordance with the provisions of Section 317.

Sec. 311 ***Additional Compensation To Supervisors:*** A person, occupying a supervisory position, may receive a differential equivalent to seven and one-half percent (7.5%) of the base salary rate of any one of their subordinates; or for a supervisor of an employee in the classifications listed in Section 622 of the Memorandum of Agreement with the Service Employees International Union, seven and one-half percent (7.5%) above the base hourly rate of pay plus the market based premium as described in Section 622 (MARKET BASED PREMIUM PAY), provided that:

- A. Both their appointing authority and the County Executive Officer find they are exercising substantial supervision over the subject subordinate and that they are satisfactorily performing the full supervisory duties of the position; and,
- B. The organization is a permanent one approved by the County Executive Officer; and,
- C. Both the supervisor and the subordinate have been permanently appointed to full-time positions. For purposes of this section, full-time for employees working twelve (12) hour shifts shall be thirty-six (36) hours per week.
- D. The classifications of both the supervisor's and subordinate's positions are appropriate to the organization and their duties.
- E. The classifications of the supervisor and subordinate shall not be the same.
- F. The supervisor must occupy a classification with a higher top step of the salary range than that of the subordinate.

Such increased compensation shall be effective on the first (1st) day of the pay period during which the finding called for in Subparagraph "A" above is made. Employees shall be eligible to receive this differential only for the period necessary to maintain the Base Salary of the supervisor at a rate of seven and one-half percent (7.5%) above that received by the subordinate.

When the conditions authorizing this differential cease to exist, then it shall be cancelled and the supervisor shall receive the Base Salary they would have attained notwithstanding the provisions of this Section. The effective date of said adjustment shall be the first (1st) day of the pay period following the action creating the changed condition.

Where the subordinate is receiving a "Y" rate, or is for any other reason paid more than the maximum of the salary range set for their classification, the supervisor's differential shall be computed on the actual base salary paid the subordinate excluding the "Y" rate. A change in the salary or status of the supervisor shall invoke the Merit Increase Section of this Resolution and said Sections shall only be applied to the base rate of the supervisor's salary. Policies and procedures relating to probation or merit increase hours are not affected by the provisions of this Section.

Sec. 312 ***Priority Of Increases:*** Whenever a general increase, a merit salary increase, a higher pay/salary range or pay/salary range placement, a promotional pay/salary increase, or any combination thereof are effective on the same date, the pay/salary to which an employee is entitled shall be fixed as follows: to the pay/salary received by the employee on the preceding day shall first be added any general pay/salary increase, then any higher pay/salary range or pay/salary range placement, then any merit increase, and then any promotional increase.

Sec. 313 ***Pay/Salary On Demotion Of A Promotional Probationary Employee:*** A promotional probationary employee demoted to the class they formerly occupied in good standing shall have the pay/salary status, probationary status, and anniversary date they would have achieved if they had remained in the lower class throughout the period of their service in the higher class.

Sec. 314 ***Pay/Salary On Probationary Demotion:*** When an employee takes a probationary demotion to a lower class in which a probationary period has not previously been served, such employee shall be demoted to the entry level pay/salary in the lower class and shall be required to serve a new probationary period.

Upon the request of the employee, a probationary employee may, upon approval of the Agency/Department head, be demoted to a class in which they did not previously hold status provided the Human Resources Division certifies that said employee is qualified for the position to which they are demoted. Such employee shall be demoted to the entry level hourly rate of pay/salary in the lower class or upon request by the Agency/Department Head and approval by the Director-Human Resources, retain their current hourly rate of pay/salary or receive the top of the range for the lower class, whichever is less. The employee shall also be required to serve a new probationary period.

Sec. 315 ***Salary On Demotion:***

- A. Whenever an employee who has completed their probationary period in a higher class is then demoted to a position in a lower class for reasons other than unsatisfactory performance, or for functional disability, they shall receive the highest salary on the new range that does not exceed their rate of pay immediately prior to demotion and shall retain their anniversary date.
- B. When an employee who has completed their probationary period in a higher class is then demoted, for disciplinary reasons, to a position in the lower class in which they did not previously hold status, they shall receive a salary five percent (5%) less than their salary immediately prior to demotion, or the highest salary on the new range, whichever produces the lower salary. An employee so demoted shall be required to serve a new probationary period.

Sec. 316 ***Merit Increases Within The Pay/Salary Range:*** Merit increases within a range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date therefore. Except as otherwise provided in Section 319 of this Resolution, a merit increase shall consist of an increase of approximately five percent (5%) within a range for the class unless the employee is less than five percent (5%) from the top of the range and in such a case, the increase shall be to the top of the pay/salary range.

Sec. 317 ***Change In Flexible Benefit Category:*** Employees affected adversely by involuntary assignment or reclassification to a lower flexible benefit category, shall have their credits frozen until such time as assigned credits exceed the frozen amount. Employees who voluntarily demote to a classification that is assigned a lower flexible benefit category shall not have their credits frozen.

Sec. 318 ***Time For Merit Advancements:***

A. Classified Service Employees

A newly appointed, reemployed or promoted employee may qualify for:

- 1. An initial merit advancement within the pay/salary range the pay period following completion of 1,040 hours of service in that class.
- 2. Succeeding merit increases within the pay/salary range the pay period following completion of each additional 2,080 hours of service.

The period of service required to qualify for merit increases by regular part-time employees shall be as for a regular full-time employee.

B. Unclassified Service Employees

A newly appointed, re-employed or promoted employee may qualify for:

1. An initial salary review based on performance after completing 1,040 hours of service in that class.
2. Succeeding annual salary reviews upon completion of each additional 2,080 hours of service in that class.

Sec. 319 ***Flexible Merit Increases For Certain Employees*** (See Exhibit 1):

- A. In addition to merit increase provisions contained in Section 316, merit increases for designated management and confidential clerical employees and all employees exempt from the classified service, shall be based on performance. A merit increase for these designated employees may be any amount up to approximately ten percent (10%), inclusive, within the range. Increases shall not be automatic and require the written approval of the appointing authority up to eight percent (8%). Increases of eight percent (8%) or more within the established range must have additional approval as follows:

<u>For Classification Of:</u>	<u>Requires Approval Of:</u>
1. Agency/Department Heads	County Executive Officer
2. Asst. Agency/Dept. Heads	County Executive Officer
3. Human Resources Mgt. Employees	County Executive Officer
4. All Other Designated Employees	Director-Human Resources

Sec. 320 ***Merit Review:*** The appointing authority shall notify the Director- Human Resources and the employee in writing of their decisions regarding approval, denial, or deferment of a merit increase. In all cases, the recommendation of the appointing authority shall be based on the employee's performance.

Sec. 321 ***Denial Of Merit Increase:*** If, in the appointing authority's judgment, the employee's performance does not warrant a merit salary increase upon meeting the time requirements of Section 318, the Agency/Department Head

may deny the increase and must complete the County Performance Evaluation Rating Form. Any time prior to the employee's next scheduled merit increase, the employee may request a review of their merit increase by the appointing authority, or the appointing authority by their own initiative, may review the matter. If the appointing authority concurs with the requested review, or if the appointing authority independently initiates their own review, then the appointing authority shall reopen the matter by submitting another performance rating and recommendation. If an employee's merit increase is deferred and granted within the year, that employee's next merit increase shall not be due until 2,080 hours of service have elapsed from the (1st) first day of the period in which the increase was finally granted.

Sec. 322 ***Correcting Error In Overlooking Merit Increase:*** Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight or system error, the Auditor-Controller shall compensate the employee for the additional salary they should have received, when they should have satisfied the merit increase hours needed. In such cases, there will be no adjustment of an employee's anniversary date.

Sec. 323 ***Pay/Salary On Promotion:*** Except as provided below, a regular employee who is promoted to a position in a class having a higher pay/salary rate shall receive the entry level pay/salary for the higher class or such higher amount as would constitute a pay/salary increase of approximately five percent (5%) over the pay/salary received prior to promotion, whichever is greater, or that amount as provided in Section 319. For the purpose of establishing the initial salary for employees promoted to the classification of Sheriff's Captain, the salary received prior to promotion shall include any applicable educational incentive received by the employee prior to their promotion.

A. Notwithstanding the provisions described above, a regular employee, who is promoted to a position in a class having a higher pay/salary rate may, upon recommendation of the appointing authority, have their initial pay/salary established at any point of the salary range. Such rate must, however, be at least the entry rate for the higher class of such higher amount as would constitute a pay/salary increase or approximately five percent (5%) over the pay/salary received prior to promotion, whichever is greater. A pay/salary established as a result of this provision is subject to the following approvals:

1. Up to the midpoint of the salary range - approval by the Director-Human Resources.
2. From the midpoint to the top of the salary range - approval by the County Executive Officer.

The advanced salary placement may be made when:

1. No qualified person can be recruited to fill a position at a minimum rate; or
2. The skills or experience of the regular employee warrant a higher salary placement.

Sec. 324 ***Effective Date Of Promotion:*** Whenever a person is promoted to a position, the effective date of their promotion shall always be the first (1st) Sunday of the following pay period.

Sec. 325 ***Pay/Salary On Temporary Promotion:*** An employee qualified for and assigned to a higher classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by these articles, and who serves in said higher classification for five (5) consecutive workdays, shall thereafter be paid according to the pay/salary range of the class to which the employee has been temporarily promoted. The change in pay/salary related to a promotion shall be effective the first (1st) Sunday of the pay period following such promotion. Prior approval by the Director-Human Resources is required.

Upon temporary promotion, an employee will receive either the minimum of the new pay/salary range or an approximate increase of about five percent (5%) over their present pay/salary, whichever is greater, and the appropriate flexible benefit credit allowance. In no case shall such pay/salary adjustment place the employee beyond the pay/salary range of the position to which they have been temporarily promoted.

An employee so temporarily promoted shall receive this pay/salary and flexible credit allowance benefits as long as they continue to serve in said higher classification and shall be entitled to receive increases within the range for the position as provided in these articles as though they had been appointed on the day they began to receive the salary designated for the position. The temporarily promoted employee shall not receive any other benefit assigned to the higher classification that they are not already receiving.

The five (5) day waiting period shall apply each time an employee is assigned to a higher classification in this manner.

This provision excludes those classifications whose specific duties and responsibilities require supervision in the absence of an immediate supervisor.

ARTICLE 4 PREMIUM PAY

Sec. 401 ***Bilingual Premium Pay:*** Employees whose positions require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Agency/Department Head, based upon the criteria established by, and subject to approval by, the Director-Human Resources. An employee's bilingual proficiency at Levels I and II shall be determined by an examination administered and certification issued by the Director-Human Resources or other approved county or city employer or educational facility at the employee's expense. Level III proficiency examinations shall be developed and administered solely by the Director-Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director-Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$.65/hour
II	\$.80/hour
III	\$.90/hour

Employees in positions eligible to receive this premium pay shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eight (80) compensated hours per pay period.

Such premium pay shall be in addition to an employees' pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

Sec. 402 ***Night Shift Differential:*** Except as otherwise provided herein, the night shift differential for employees of the County who are required to work a full shift between the hours of 2:00 p.m. and 9:30 a.m. shall be calculated at the rate of five percent (5%) of the base hourly pay/salary of said employee. This provision shall apply to nonexempt employees only. This provision does not apply to certain classifications engaged in law enforcement, fire suppression, or similar twenty-four (24) hour public safety activities as designated by the Director-Human Resources.

Nursing Personnel:

- A. Evening and Night Shift Differential - Nurses who work five-eighths (5/8) of a shift between 3:00 p.m. and 11:00 p.m. shall be paid an additional seven and one-half percent (7.5%) of their Base Salary. Nurses who work five-eighths (5/8) of a shift between 11:00 p.m. and 7:00 a.m. shall be paid an additional fifteen percent (15%) of their base hourly pay/salary. This provision shall apply to non-exempt employees only.
- B. Specialty Pay - Whenever Nursing Services personnel are assigned to work in specialty areas, three dollars (\$3.00) per shift will be added to their regular base hourly pay/salary. These assignments as determined by hospital management shall include, but not be limited to: the Operating Room-Recovery Room, Intensive Care-Coronary Care Unit, Intensive-Intermediate Care Nursery, Maternity Ward-Delivery Room, Emergency Room, Pediatrics, Trauma, Pediatric Intensive Care, or In-Patient Jail.
- C. Weekend Pay - Nurses who work a weekend shift shall receive, in addition to all other compensation allowed for in these Articles, twelve dollars and fifty cents (\$12.50) for each weekend shift worked.
- D. Certification Pay: Any permanent employee in one of the classifications listed below who acquires and maintains certification(s) issued by a national or state recognized organization is eligible for Certification Pay. An eligible employee shall receive \$0.813 per hour based on his/her scheduled workweek hours, not to exceed the scheduled workweek hours for each certification to a maximum of five (5) certifications. For example:

Scheduled Workweek = 40.0 hours

of Certifications = 1

Certification Pay = \$0.813 x 40 hours = \$32.52

Scheduled Workweek = 32.0 hours

of Certifications = 2

Certification Pay = (\$0.813 x 32 hours) x 2 certifications = \$52.03

Certification Pay is in addition to the designated base salary. In order to receive the pay, an employee must be employed in one of the classifications listed below, be in an assignment whose position requires the possession of a valid State of California Registered Nurse license, and request Certification Pay and provide the appropriate documentation. In order to qualify for the Certification Pay, the certification(s) must be deemed clinically appropriate by the

Hospital Administrator and must be related to the employee's regular assignment.

Any employee who receives the Certification Pay pursuant to the provisions of this Section, and who is absent as the result of having utilized a day of paid sick leave, paid annual leave, paid vacation or paid holiday, shall continue to receive the Certification Pay as if they had worked their regular shift for that day(s).

Employees who move departments shall be given up to 6 months, if necessary, to acquire the applicable certifications of the new department without any loss of certification pay.

Eligible classifications include:

Job Code	Description
01370	Hospital Nurse Manager
01371	Clinical Nurse Manager

Fire Division Chiefs assigned to staff functions and a forty (40) hour work schedule shall receive one dollar (\$1.00) per hour up to eighty (80) hours per pay period in addition to their designated Base Salary.

Sec. 405 **Probation Assignment Differential:** Employees in the classification of Supervising Deputy Probation Officer assigned to Work Furlough/Work Release, and the Ventura County Probation Agency Juvenile Justice Facilities shall receive a five percent (5%) assignment differential to reflect additional duties and responsibilities associated with such assignments. This pay differential shall apply only while the employee is assigned to one of the designated positions and will be removed upon reassignment.

Sec. 406 **Ventura County Employees' Retirement Association (VCERA) Staff Premium Pay:** VCERA employees who have attained certification as a Certified Employee Benefits Specialist (CEBS) shall receive a three and one-half percent (3.5%) premium pay (CEBS) or five percent (5%) premium pay for employees who have attained certification as a Chartered Financial Analyst (CFA). Sec. 1204 **Maximum Accrual:**

A. Effective July 1, 2005, the maximum number of hours that an employee can accumulate shall be 880 hours.

These provisions shall apply to line assigned Battalion Chiefs except that the maximum accruals shall be 1232 hours.

- B. Annual Leave Credit Accumulation During a Natural Disaster: Effective March 22, 2020, during a natural disaster, as defined in Section 1804 of the Ventura County Personnel Rules and Regulations and as declared by the Ventura County Board of Supervisors, employees shall, notwithstanding the accrual limit set forth in Sec. 1204(A), above, be permitted to continue to accrue annual leave hours of up to 60 hours in excess of the applicable maximum annual leave credit accrual limit. Such accruals in excess of the applicable maximum annual leave credit accrual limit may occur only during the period of the declared natural disaster and in no case shall the total number of accrued hours of any employee exceed 60 hours over the applicable maximum accrual limit, as set forth in Sec. 1202(A), above.

Within six months from the date of the end of the natural disaster, any employee who was permitted under this subsection to accrue annual leave hours in excess of the maximum accrual limit set forth in Sec. 1202(A), above, shall draw down (by use for paid time off or cash redemption pursuant to Sec. 1205, 1206, and 1207 below) their accrued annual leave hours that are in excess of the maximum accrual limit set forth in Sec. 1202(A), above, or lose the value of all hours in excess of that maximum accrual limit.

Sec. 1205 ***Annual Leave Redemption:*** Effective May 23, 2004, employees covered by this Resolution who were first hired before May 23, 2004, may elect to receive pay in lieu of annual leave subject to the terms and conditions set forth below. This section shall apply to all employees first hired before May 23, 2004, notwithstanding Section 1012 of the Personnel Rules and Regulations.

- A. Any employee wishing to receive cash in lieu of annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred sixty (160) hours of annual leave, or two hundred (200) hours of annual leave for those with five (5) or more years of County Service, as compensation as prescribed in Section 1212 of this resolution. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual hours accrued in a prior calendar year are not allowed.

- C. After a qualified election is made, line assigned Battalion Chiefs with five (5) or more years' experience may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. Such employees may make up to two requests per calendar year for payment in lieu of a combined annual maximum of two hundred twenty-four (224) hours of annual leave, or two hundred eighty (280) hours of annual leave for those with five (5) or more years of County service, at the current salary rate. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.
- D. A temporary exception to the above requirements in "B" and "C" above that only annual leave hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County CEO-Human Resources Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from a prior calendar year, if and only if the following conditions are met:
1. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.
 2. At the time the employee makes a request for cash out payments to be paid, the employee submits an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
 3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- E. An employee must use eighty (80) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. Line assigned battalion chiefs must use a minimum of one hundred twelve (112) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used the required hours of annual leave in the twelve (12) months immediately preceding the cash-out, the employee's cash-out request

shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours (or one hundred and twelve (112) hours for line assigned battalion chiefs) in the preceding twelve (12) months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash.

If an employee is unable meet the eighty (80) hour usage requirement, (or for line assigned battalion chiefs one hundred twelve (112) hour usage requirement) necessary to cash-out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- F. If an employee fails to request payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- G. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- H. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
- I. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the

participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the Auditor-Controller's Office in its sole discretion.

- J. Employees covered by this Resolution who, as a result of a change in a bargaining unit represented by a recognized employee organization pursuant to Article 20 of the Ventura County Personnel Rules and Regulations, shall be permitted to redeem annual leave under provisions of this Resolution for up to thirty-six (36) months subsequent to that change.
- K. Redemption requests that are processed outside the normal payroll cycle will be calculated at the pay rate in effect during the prior pay period. The check issue date shall determine the applicable period to credit such redemption for the purpose of determining compliance with this section.
- L. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.

Sec. 1206 ***Annual Leave Redemption:*** Effective May 23, 2004, employees covered by this Resolution who were first hired on or after May 23, 2004, but before April 6, 2011, may elect to receive pay in lieu of annual leave subject to the terms and conditions set forth below. This section shall apply to all employees first hired on or after May 23, 2004, but before April 6, 2011, notwithstanding Section 1012 of the Personnel Rules and Regulations.

- A. Any employee wishing to receive cash in lieu of annual leave annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred sixty (160) hours of annual leave as compensation as prescribed in section 1212 of this resolution. Only annual leave

hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.

- C. After a qualified election is made, line assigned Battalion Chiefs may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. Such employees may make up to two requests per calendar year for payment in lieu of a combined annual maximum of two hundred twenty-four (224) hours of annual leave at the current base rate of pay. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.
- D. A temporary exception to the above requirements in “B” and “C” above that only annual leave hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County CEO-Human Resources Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from a prior calendar year, if and only if the following conditions are met:
 - 1. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.
 - 2. At the time the employee makes a request for cash out payments to be paid, the employee submitted an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
 - 3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- E. An employee must use eighty (80) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. Line assigned battalion chiefs must use a minimum of one hundred twelve (112) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, “use” shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not

used the required hours of annual leave in the twelve (12) months immediately preceding the cash-out, the employee's cash-out request shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours (or one hundred and twelve (112) hours for line assigned battalion chiefs) in the preceding twelve (12) months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash.

If an employee is unable meet the eighty (80) hour usage requirement, (or for line assigned battalion chiefs one hundred twelve (112) hour usage requirement) necessary to cash-out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- F. If an employee fails to request payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- G. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- H. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
- I. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due

to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the Auditor-Controller's office in its sole discretion.

- J. Redemption requests that are processed outside the normal payroll cycle will be calculated at the pay rate in effect during the prior pay period. The check issue date shall determine the applicable period to credit such redemption for the purpose of determining compliance with this section.
- K. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.

Sec. 1207 ***Annual Leave Redemption:*** Employees covered by this Resolution who were first hired on or after April 6, 2011, may elect to receive pay in lieu of annual leave subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred (100) hours of annual leave at the current base rate of pay. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.
- C. After a qualified election is made, line assigned Battalion Chiefs may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. Such employees may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred forty (140) hours of annual leave at the

current base rate of pay. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.

- D. A temporary exception to the above requirements in “B” and “C” above that only annual leave hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County CEO-Human Resources Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from a prior calendar year, if and only if the following conditions are met:
1. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.
 2. At the time the employee makes a request for cash out payments to be paid, the employee submits an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
 3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- E. An employee must use eighty (80) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. Line assigned battalion chiefs must use a minimum of one hundred twelve (112) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, “use” shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used the required hours of annual leave in the twelve (12) months immediately preceding the cash-out, the employee’s cash-out request shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours (or one hundred and twelve (112) hours for line assigned battalion chiefs) in the preceding twelve (12) months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash.

If an employee is unable meet the eighty (80) hour usage requirement, (or for line assigned battalion chiefs one hundred twelve (112) hour usage requirement) necessary to cash-out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- F. If an employee fails to request payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- G. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- H. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
- I. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable

emergency shall be determined by the Auditor-Controller's office in its sole discretion.

- J. Redemption requests that are processed outside the normal payroll cycle will be calculated at the pay rate in effect during the prior pay period. The check issue date shall determine the applicable period to credit such redemption for the purpose of determining compliance with this section.
- K. Section 1207 only applies to employees hired into a County position on or after April 6, 2011. Employees hired on or after April 6, 2011, who were previously placed under a moratorium for annual leave redemption, are now covered by Section 1207.
- L. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.
- M. The Board of Supervisors reserves the right to modify or eliminate this annual leave redemption benefit at any time.

Sec. 1208 **Advanced Annual Leave Credit:** New regular, full-time employees shall receive advanced annual leave credit as follows: seven (7) biweekly pay periods of annual leave accrual as of the date of hire. Said annual leave advancement shall be balanced upon completion of seven (7) biweekly pay periods of service or upon earlier separation.

Sec. 1209 **Prior Sick Leave Accruals:**

- A. Current sick leave balances shall be frozen as of August 7, 1977 (October 28, 1990, for employees in classifications previously represented by the Social Services Supervisory Unit). Sec. 1210 ***Annual Leave Usage:*** Annual leave may be utilized to restore pay otherwise lost due to absence from work for personal reasons or illness.

- A. Each Agency/Department Head shall be responsible for scheduling the annual leave periods of their employees in such a manner as to achieve the most efficient functioning of the department/agency and of the County service. The appointing authority shall determine when annual leave will be taken. Absence from work by members of the Executive Committee shall cause annual leave balances to be reduced proportionately unless administrative leave is utilized.
- B. In addition, when unscheduled usage of annual leave occurs, verification of reason for absence may be required from the employee. Any person absent from work shall notify their Agency/Department Head on the first (1st) day of such leave and as often thereafter as directed by his Agency/Department Head.
- C. Any employee absent for a period of five (5) consecutive workdays due to illness or accident may, at the discretion of their appointing authority or the Director-Human Resources, be required to take a physical examination before returning to active duty. For the purposes of taxation, this "pick-up" portion of the retirement contribution paid by the County under this Resolution shall not be regarded as ordinary income in accordance with Section 414, subdivision (h) of the United States Internal Revenue Code and Government Code section 31581.2. The Director – Probation Agency, Chief Deputy – Probation, Manager – Probation Agency, supervising Deputy Probation Officer, and Probation Program manager classifications shall be exempt from this subsection.

- B. Provisions of sub-section (A) shall no longer be in effect and the following shall apply:

Effective July 6, 2014, and in conjunction with the related salary "offset" proposal (as found immediately below):

1. The County shall no longer "pick-up" any employee's mandated pension contribution(s);

2. All employees shall pay/contribute 1/2 of the actuarially-determined “normal” cost of retirement and thereafter such “normal” retirement costs shall continue to be shared on a 50:50 basis; and,

In conjunction with the retirement proposal(s) immediately above, also effective on July 6, 2014, the salary/pay of employees affected by the proposed changes to retirement “pick-up” and 50:50 retirement cost sharing shall be increased as follows:

1. The percentage amount equal to the percentage value of eliminating any retirement pick-up;
2. The percentage value of employees participating in the 50:50 cost sharing of the normal cost of retirement contributions.

Employees covered by this Resolution that are Tier I Retirement members, shall receive a supplemental pay for the additional Tier I contribution.

Members of the Board of Supervisors shall receive a supplemental pay for Tier I and Tier II contributions to be consistent with your Board’s goals and the 50:50 cost sharing under the goals of Public Employees’ Pension Reform Act (PEPRA) and Ordinance No. 4316.

- C. All employees in positions assigned to Flexible Benefit Categories 1 and 2 shall be in the Ventura County Employees’ Retirement System Tier II effective October 16, 2001, and all other provisions of this Section made applicable thereto. Employees assigned to Flexible Benefit Categories 1 and 2 who prior to October 16, 2001, were in the Ventura County Employees’ Retirement System Tier I, shall retain their Tier I status.
- D. For employees who participate in the County-sponsored 401(k) deferred compensation plan, the County will match a part of the employee’s contribution, on a pay period basis, according to the following schedule:

<u>Employee Contribution</u>	<u>County Match</u>
1%	1.00%
2%	1.50%
3%	1.75%
4%	2.00%
5%	2.50%
6% or more	3.00%

Only employees appropriately enrolled in a County-sponsored plan shall be entitled to benefits under this Section, subject to the following conditions:

1. The employee's individual contributions, and the total combined employer-employee contributions, shall not exceed legally established limits.
2. Should an employee reach their individual contribution limit before the end of the calendar year, the County shall nonetheless continue to contribute a 3% "County Match" to the employee's account for the remainder of the calendar year, provided that the employee remains employed by the County.
3. Should entitlement to County Match contributions be precluded by operation of the limit on total combined employer-employee contributions, the amount of the County Match lost shall be paid to the employee in cash in addition to Base Salary.
4. County contribution to the deferred compensation plans provided for in Section 1901(C) shall not qualify as any part of the employee's contribution specified in this Section.

This Section, as amended, is intended to clarify the County's existing 401(k) program.

- E. Elected officials who are not members of the County of Ventura retirement system shall have an amount equal to what the County's contribution to their retirement would have been if they were members of the system deposited on their behalf to a qualified 401(k).

The County's contribution to the deferred compensation plan will be made in accordance with terms of the official Ventura County Shared Savings Plan document.

The County's contribution to the deferred compensation plan will be based on the maximum amount the County would have contributed to the County retirement plan for which the elected official would have been eligible at the time they were first elected or appointed to an elective County office or were first employed by the County if the service is continuous, plus an amount equal to the current "pick-up" of the employee contribution as provided in Section 1.

As a condition of accepting contributions under this provision, an elected official who exercises rights under section 31648.5 of the Government Code to join the retirement association and "buy back"

prior service credit shall have a contractual obligation to reimburse the County for the “employer’s” share, with interest, of the contribution made hereunder.

- F. In determining the amount of contribution to the 401(k) plan under this Section, the following shall be considered in addition to Base Salary:

- Article 4, Section 401 (Bilingual Pay)
- Article 4, Section 404 (Fire Staff Pay)
- Article 6, Sections 604 (Auto Allowance)
- Article 6, Section 607A (Professional License)
- Article 6, Section 608 (Board Certified Pay)
- Article 6, Section 609 (CPA)
- Article 6, Section 612 (Educational Incentive Pay)
- Article 19, Section 1901(A) (effective July 6, 2014, this section shall no longer apply)
- Article 19, Section 1901(D) (Deferred Compensation) and
- Article 19, Section 1902 (30-year Incentive)

- G. Effective November 9, 2002, management probation officer classifications will be prospectively eligible for the benefits provided to safety members of the Ventura County Employees’ Retirement Association (VCERA). Management Probation Officer employees will no longer participate in or make contributions to FICA (Social Security).

- H. Effective July 6, 2014, provisions of this section (H) shall no longer be in effect and Section 1901(B) shall apply. The percentage contribution required for employee contributions, employees in Probation Agency management classifications, eligible for safety member retirement status, shall pay the first 6.24% of final retirement earnings. This was in lieu of the FICA contribution previously being made by the employee. In addition, effective June 27, 2010, they will contribute up to 3% of the remaining contribution paid by management employees for a total of up to 9.24%.

Sec. 1902 ***Retirement Incentives - 30-Year Employees:*** Employees who have thirty (30) years or more of qualifying service and no longer contribute to the retirement system or qualified employees who, at their option, are not members of the Ventura County Employees’ Retirement System, shall be paid an amount equivalent to the percentage pickup (employee contribution rate picked up by the employer x employee final compensation) paid on behalf of employees in the 30-year employee’s membership classification. The amount may vary each year depending on the amount picked up for employees with less than 30 years of service. (Effective July 6, 2014, this section is inoperative.)

- Sec. 1903 ***Serving As Witness:*** No deductions shall be made from the salary of an employee for an absence from work when subpoenaed to appear in court as a witness, other than as a litigant. Mileage and other actual expense reimbursement received as a result of service as a witness may be retained by the employee. Any fee or compensation for the service itself must be returned to the County for any days of absence for which the employee receives salary as for a day worked, except that if such service occurred during the employee's vacation or other authorized leave of absence, then the employee may retain the fee or compensation paid for such service.
- Sec. 1904 ***Jury Service:*** No deduction shall be made from the salary of an employee absent from work when required to appear in court as a juror; nor is it necessary to return the daily compensation and mileage issued to County employees for serving as a juror. When possible to do so, employees shall provide advance notification of any anticipated absence to their immediate supervisor.
- Sec. 1905 ***Drug And Alcohol Testing:*** Employees covered by this Resolution are subject to the County of Ventura's Drug and Alcohol Policy with respect to transportation employees (Exhibit 2) when assigned to drive commercial motor vehicles as defined in Section C of said Policy.
- Sec. 1906 ***Management Education Fund:*** A sum of thirty thousand dollars (\$30,000) shall be allocated annually to support educational and professional development activities of value to all employees covered in this resolution in lieu of individual membership dues. Exact expenditures of these funds will be the responsibility of the Ventura County Management Council.

Use of these funds is subject to review and oversight by the County Executive Officer. The County reserves the right to suspend or modify the funding level based upon budgetary considerations as determined by the Board of Supervisors.

ARTICLE 20 TRANSFERS

- Sec. 2001 **Definitions:** A transfer is a change from one department or agency to another in the same or similar classification, or a change from one class to a similar class within a County department or agency. The similar classification to which the employee wishes to transfer must be compensated at the same or lower hourly pay/salary rate as the classification from which the employee transfers.
- Sec. 2002 **Minimum Qualifications:** A person must meet the minimum qualifications of the classification to which they are to be transferred.
- Sec. 2003 **Salary Rate And Anniversary Date On Transfer:** If the transfer occurs within the County Service, there shall be no change in salary rate or anniversary date. Any regular employee may be transferred from one position to another in either the same classification or to one which has the same salary range. An employee so transferred shall retain their anniversary date.
- Sec. 2004 **Probation Period On Transfer:** If a transfer occurs within the County Service, the employee shall not be required to serve another probationary period except that a person so transferred who has not completed their initial probationary period must serve a new probationary period.
- Sec. 2005 **Approval Of Transfer:** All transfers must have the written approval of the appointing authorities concerned and the Director-Human Resources.
- Sec. 2006 **Salary Rate And Anniversary Date On Involuntary Transfer:** Whenever an employee is involuntarily transferred to a position in a different classification having the same salary range as their former position, they shall retain their salary rate and their merit increase hours needed will not be reset.
- Sec. 2007 **Written Request For Transfer:** Any person wanting to transfer shall submit a request in writing to the Director-Human Resources indicating their desire to transfer, their present classification, and any other special consideration or limitation regarding a possible transfer.
- Sec. 2008 **Consideration For Appointment Of Person Requesting Transfer:** Whenever the Director-Human Resources receives a request for certification of eligibles to an appointing authority, all persons who, within one (1) year from the date of the certification request have requested a transfer, shall have their names submitted to the appointing authority for consideration for appointment and shall be so notified. Such consideration shall be made in accordance with the provisions of the Ventura County Personnel Rules and Regulations.

Sec. 2009 ***Duration Of Transfer Request:*** A transfer request shall not be honored for more than one (1) year. In addition, a transfer request may not be honored and may be invalidated for any of the following reasons:

- A. The person has accepted a transfer which resulted from the specific transfer request.
- B. The person no longer has status in the County service as a regular employee.
- C. The person requests that their name be removed from consideration.
- D. The person refuses an offer of appointment.
- E. The person is refused appointment by three (3) appointing authorities.
- F. The person fails to appear for a selection interview once they have been notified of their eligibility for consideration.

Sec. 2010 ***Certification/Transfer Of Exempt Employees:*** An employee who is exempt from the classified service and who, immediately prior to gaining exempt status, held status as a regular permanent or probationary employee in the County of Ventura may, upon the Director-Human Resources' application screening pursuant to Section 508A of the Personnel Rules and Regulations, be placed on a Countywide Transfer List for any position(s) for which they are determined to be qualified.

ARTICLE 21 REDUCTIONS IN FORCE

Sec. 2101 **Purpose:** To provide a means by which employees covered by this Resolution are to be demoted or laid off when a reduction in force occurs.

Sec. 2102 **Order Of Layoff:** Employees shall be laid off in the following order:

- A. Extra help employees
- B. Provisional employees
- C. Fixed Term employees
- D. Temporarily promoted employees
- E. Probationary employees
- F. Employees who, within the twenty-six (26) pay periods immediately prior to layoff, have received a disciplinary suspension of more than one day, or a demotion or reduction in pay equivalent to a suspension of more than one day. If an employee has been demoted as a result of this provision then, for further reduction in force decisions, such disciplinary action will not be considered.
- G. Permanent employees

Sec. 2103 **Seniority:** Seniority shall be determined by each employee's continuous County service. All uninterrupted employment with the County, including all time served as a provisional, probationary manpower working/training program, limited term, or regular, part-time employee, shall be counted as continuous County service seniority. Service as a part-time employee shall be pro-rated. A separation from the County service shall be the only cause for interrupting employment with the County. A separation of three (3) or fewer days shall not be considered a break in service. All authorized leaves of absence shall not constitute a break in service, but all time spent on a leave of absence shall not count toward seniority and all seniority dates shall be adjusted by an amount of time equal to the time spent on such leave of absence.

Notwithstanding the above, seniority for Fire Battalion Chiefs, Fire Division Chiefs, Sheriff's Captains, and Sheriff's Commanders shall be determined by the employee's continuous service in said rank.

Sec. 2104 **Determination Of Layoff:** The determination of which employee(s) shall be laid off shall be made within each department/agency on a classification by classification basis. The County shall designate the classification(s) to be affected.

The order of layoff shall be in reverse order of the employee's seniority. If two (2) or more employees have identical seniority status, then such employee(s) shall be laid off in the order determined by the appointing authority.

Whenever an Agency/Department Head believes that the best interest of the County requires the retention of a management employee with special qualifications, skills, abilities or fitness for their position, the Agency/Department Head may prepare a written request to the Director-Human Resources to grant an exception to the order of layoff. Subsequent to conducting a review of the request, the Director-Human Resources shall forward the request, together with their recommendation, to the County Executive Officer for final action.

Sec. 2105 ***Transfer In Lieu Of Demotion:*** A regular employee, including employees on probation as a result of a promotion, who is to be laid off shall have the right to transfer and/or voluntarily demote and transfer to any vacant position in the employee's department/agency for which they are qualified. If the employee has not previously held permanent status in the classification to which they demote and transfer, then the employee must serve a regular probationary period in the new classification. If there are two (2) or more employees to be laid off and they opt to exercise this right and request to transfer and/or demote and transfer to the same vacant position, then the employee with the greatest seniority shall have the right to fill such vacancy. If the seniority status of these employees is equal, the appointing authority shall have the right to fill such vacancy.

Sec. 2106 ***Demotion In Lieu Of Layoff:*** If there are no vacant positions to which a regular employee, including employees on probation as a result of a promotion, who is to be laid off can transfer and/or demote and transfer, then such employee shall have the right to demote to any class within their department/agency in which that employee previously held permanent status. Bumping shall not be restricted to classes within the management and confidential classifications. Should an employee bump into a class represented by an employee organization, then the layoff procedures applicable to that bargaining unit shall be controlling. There does not need to be a vacant position within the classification for an employee to exercise this right. If, as a result of the exercise of this right, layoffs must occur in the classification to which that employee demoted, then such layoff shall be made in accordance with the provisions of the agreement which is controlling for the classification.

Sec. 2107 ***Reemployment:*** All persons who have been laid off as a result of a reduction in work force shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. There shall be two (2) Reemployment Eligible Lists: one (1) which includes only the names of the laid off employees within a department or agency, and the other which has the names of all other County employees who were laid off. The Department/Agency

Reemployment List shall have priority over the County-wide Reemployment List. Eligibles on the Reemployment List shall be ranked in reverse order of the order of layoff. Each person's name shall remain in reverse order of the order of layoff. Each person's name shall remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reemployed with the County or until their name has been removed from the eligible list in accordance with the provisions of the Ventura County Personnel Rules and Regulations, whichever comes first. However, employees of the Human Services Agency who, in the opinion of the appointing authority, have performed satisfactorily and who have been laid off as a result of a reduction in work force shall be entitled to reemployment within that Agency in the classification they held prior to layoff, in the reverse order of layoff and prior to the employment of any other persons in said classification.

Sec. 2108 **Classification Reinstatement:** All persons who have demoted to a lower classification as a result of a reduction in work force shall have their names placed on a Classification Reinstatement List for the classification from which they were demoted. There shall be two (2) Classification Reinstatement Lists: one which includes only the names of the demoted employee within a department or agency, and the other which has the names of all other County employees who were demoted from the specific classification. The Department/Agency Classification Reinstatement List shall have priority over the County-wide Classification Reinstatement List. Eligibles on the Classification Reinstatement List shall be ranked in reverse order of the order of their demotions. Each person's name may remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reinstated to the classification from which they were demoted, or until their name has been removed from the eligible list in accordance with the provisions of the Ventura County Personnel Rules and Regulations, whichever occurs first. To remain on a Classification Reinstatement List, a person must maintain status as a County employee.

Sec. 2109 ***Restoration Of Benefits:***

- A. Sick Leave: Sick leave accruals for employees in layoff status, shall remain on the books and be reinstated if such employees are reappointed. Whenever a person becomes ineligible for reemployment with the County per the Ventura County Personnel Rules and Regulations, then, if at the point of layoff such person was eligible to receive a sick leave accrual payoff, such person shall be paid for existing sick leave accruals in accordance with Section 1208 of this Resolution.
- B. Seniority: Employees who are reemployed while in layoff status shall have their seniority status held immediately prior to layoff reinstated

and all time spent on layoff shall be treated as authorized leave of absence without pay for seniority purposes.

- C. Salary: Employees who are reemployed while in layoff status or demoted employees who are reinstated to the class demoted from shall receive a salary equivalent to that which they were receiving immediately prior to layoff or demotion. In no case shall an employee receive a salary which exceeds the established salary range for the classification.
- D. Annual Leave Accrual Rates: Employees who are reemployed while in layoff status shall have the annual leave accrual rate they held immediately prior to layoff restored.
- E. Merit Increase Hours Needed: An employee who is re-employed while in layoff status shall retain the merit increase hours needed as of the time of layoff.

Sec. 2110 ***Obligation To Serve Probationary Period***: A person appointed from a reemployment list or classification reinstatement list must serve a new probationary period in order to attain regular status. Except that persons reemployed or reinstated to a permanently held classification within ninety (90) calendar days following a reduction in force shall not be required to serve a new probationary period.

Sec. 2111 ***Retirement Contribution***: If a person has less than five (5) years of service time that is applicable toward retirement, upon layoff all employee retirement contributions will be paid to the employee. If the employee has more than five (5) years of service that is applicable toward retirement, the employee may elect either to withdraw their share of the retirement contribution or leave the money in the retirement system. Upon reemployment, laid off employees shall not be required to redeposit retirement contributions withdrawn at the time of layoff or subsequently; provided; however, that the employee may elect to redeposit said funds to the retirement system.

Sec. 2112 ***Non-Discrimination In Reduction In Force***: Layoffs and demotions which result from a reduction in force shall be made without regard to an employee's race, color, national origin, religion, sex, age, disability, citizenship, or functional limitation.

ARTICLE 22 GRIEVANCE PROCEDURE

- Sec. 2201 **Purpose:** To provide a means for processing grievances and for obtaining fair and proper answers and decisions.
- Sec. 2202 **Policy:** The County recognizes the importance of effective communication between employees and supervisors and encourages the interchange of ideas and concerns on a continuous basis. On those occasions when informal discussions do not result in satisfactory solutions to disputes arising out of this resolution, the grievance procedure described herein shall be the sole method of review. Any employee utilizing the grievance procedure shall be guaranteed freedom from reprisal. Disputes involving discipline, other than written or oral reprimands, shall continue to be appealable to the Civil Service Commission pursuant to the Personnel Rules and Regulations. Written reprimands may be appealed through the grievance procedure as outlined in this Article.
- Sec. 2203 **Definition:** A grievance is a claim by an employee or group of employees of a violation, misinterpretation, or inequitable application by the County of the provisions of this Resolution that are applicable to the employee.
- Sec. 2204 **Matters Excluded From The Grievance Procedure:**
- A. Those matters not specifically provided for under Section 2203 above; and,
 - B. Disputes involving performance reviews arising from the application of the provisions of Article 17.
- Sec. 2205 **Representation:** At any step of the grievance procedure, the employee may represent himself, may be represented by a fellow employee, or any other person they may choose.
- Sec. 2206 **Time Limitations:** The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties. If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered, it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified. Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered resolved. The grievant shall promptly proceed to the next step if the Agency/Department Head fails to respond within the time limits specified. By written agreement, the parties may return a grievance to the first (1st) step for adjustment. Any remedy awarded in conjunction with a grievance submitted pursuant to this Article, either during the informal or formal grievance process as set forth in Section 2207, below, including any back pay or benefits, shall be limited to one year from the date the formal written grievance is filed at Step 1, consistent with Division 1, Chapter 4, Article 1,

Section 1413 of the County Ordinance Code and California Government Code section 911.2(a).

Sec. 2207 **Step No. 1 - Review By Department/Agency:** The grievance shall first be discussed on an informal basis by the aggrieved with their immediate supervisor within twenty-one (21) calendar days from the date of the action causing the grievance. The immediate supervisor shall respond within seven (7) calendar days. Every effort shall be made to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the Agency/Department Head within seven (7) calendar days after receipt of the immediate supervisor's response. Such written grievance shall:

1. Fully describe the violation and how the employee was adversely affected;
2. Set forth the section(s) of the Resolution violated;
3. Indicate the date of the action(s) grieved;
4. Specify the remedy sought by the employee.

Sec. 2208 **Step No. 2 - Review By Agency/Department Head:** Within five (5) calendar days after receiving the completed grievance form, the Agency/Department Head or their representative shall meet with the employee and they shall thoroughly discuss the grievance. The Agency/Department Head shall give their written decision within ten (10) working days after the discussion.

Sec. 2209 **Step No. 3 - Review By County Executive Officer (CEO):** If the grievance has not been resolved to the satisfaction of the employee by the Agency/Department Head, the employee shall submit the grievance, in writing, to the CEO within seven (7) calendar days of the step 2 response due date.

The CEO or their representative may meet and discuss the grievance with the employee. After careful review of the facts the CEO will render a decision in writing within fourteen (14) calendar days after receipt of the grievance. The CEO's decision is final and binding on the parties.
