## ARTICLE 1 TERM

Sec. 101 TERM: This Memorandum of Agreement (hereinafter "MOA") between Local 721 of the Service Employees International Union (hereinafter "Local 721" or "Union") and the County of Ventura (hereinafter "County") is effective from the date of its final adoption and approval by the Board of Supervisors (Board) of the County of Ventura or, as is applicable, the Board (Board) of the Ventura County Air Pollution Control District (APCD) up to and including midnight December 14, 2019.

All terms and conditions of the MOA between the parties that expired on August 9, 2016 shall be considered to have been extended and remained in full force and effect for the period between August 9, 2016, and the commencement of this MOA.

Sec. 102 SUCCESSOR AGREEMENT: In the event Local 721 desires to negotiate a successor Memorandum of Agreement, Local 721 shall, no more than one-hundred and twenty (120) days and no less than ninety (90) days prior to the expiration date referenced in Section 101, serve on the County its written request to commence negotiations as well as its initial written proposals for such successor MOA.

Upon receipt of such written notice and proposals, the County shall, within thirty (30) days, present counter-proposals. Negotiations shall begin within thirty (30) days after receipt of Local 721's proposals unless otherwise agreed to by the parties. Sections of this MOA not addressed by either party in their proposals shall remain in full force and effect when a successor agreement is implemented.

## ARTICLE 2 IMPLEMENTATION

This MOA constitutes a mutual recommendation to be jointly submitted to the County's Board of Supervisors (hereinafter "Board"), the Ventura County Air Pollution Control (hereinafter "APCD") Board (hereinafter, where appropriate, also "Board"), and Local 721 on behalf of each representational unit set forth in Article 3. It is agreed that this MOA shall not be binding – either in whole or in part – upon the County or APCD and the Union unless and until approved by Local 721 and then unless and until the County Board and the APCD Board, respectively:

- A. Act(s), by majority vote, formally to approve said MOA, and
- B. Enact(s) necessary resolutions and amendments to all County or APCD ordinances required to implement the provisions of these Articles.

### ARTICLE 3 RECOGNITION

This MOA shall apply only to persons employed by the County and/or the APCD in the classifications within the following bargaining units:

- A. Administrative Support Unit
- B. Supervisory Unit
- C. Technical Unit
- D. Maintenance and Labor Unit
- E. Professional Unit
- F. Social Services Non-Supervisory Unit

The terms "employee" or "employees" as used in this MOA shall refer only to persons employed by the County or the APCD in said bargaining units.

### ARTICLE 4 RETIREMENT

Sec. 401 GENERAL INFORMATION: The County offers defined Retirement Benefit plans for regular, full-time employees as per the criteria promulgated by the Ventura County Employees' Retirement Association (VCERA). In general (but as per VCERA criteria), employees are eligible for benefits provided by one (1) of the three (3) following "Tiers":

- Tier I General, non-safety employees hired on or before June 30, 1979
- Tier II General, non-safety employees hired after June 30, 1979 but before January 1, 2013
- Tier III General, non-safety employees hired on or after January 1, 2013 (aka "PEPRA employees")

For definitive information about retirement formulas and other benefit provisions, employees can contact VCERA "on-line" at [VCERA.Info@ventura.org](mailto:VCERA.Info@ventura.org) or by phoning (805) 339-4250.

Sec. 402 EMPLOYEE CONTRIBUTION: Effective July 6, 2014, employees shall pay one hundred percent (100%) of the actuarially determined employee retirement contribution rate. Effective July 6, 2014, employees shall contribute an amount equal to fifty percent (50%) of the actuarially determined normal cost of retirement contributions.

Sec. 403 SAFE HARBOR RETIREMENT PLAN: This is a defined benefit plan implemented on January 1, 1992 for Part-Time (those working schedules under 64 hours in a bi-weekly pay period), Per Diem Pool (PDP), and

Optimum Census Staffing (OCS) employees. Local 721 agrees the County's/APCD's "Safe Harbor" retirement plan is in compliance with the provisions of the Omnibus Budget Reconciliation Act (OBRA), for employees not eligible for coverage under the provisions of the 1937 Retirement Act.

Sec. 404 TIER II & III RETIREMENT COST-OF-LIVING ADJUSTMENT (COLA)  
Effective March 16, 2003, employees in the Ventura County Retirement Plan's Tier II shall be granted a two percent (2%) COLA to be applied to future service only. Effective March 13, 2005, Tier II employees will pay 2.63% toward the normal cost of the COLA. On and after January 1, 2013, Tier III (PEPRA) employees became eligible for this benefit. The County agrees if Tier II and III employees represented by other labor unions or covered by the Management Resolution are granted the Tier II and III COLA, those employees will be treated in the same manner as SEIU Tier II and III employees, i.e., they will pay for the ongoing normal cost at the same rate as SEIU employees. County agrees that, upon request by SEIU 721 during the term of this Memorandum of Agreement, it will reopen bargaining concerning this Section 404 only, for negotiation as to the modification of this section as it applies to Tier II and III employees or discontinuance of this section.

Sec. 405 PURCHASE OF PRIOR SERVICE: Unless prohibited by statute, employees covered under this MOA are eligible to purchase time for service under the Federal Civil Service, Los Angeles City Department of Water and Power, or State Teacher's retirement system, and military buy-back for employees with over thirty (30) years of County/APCD service for which the employee is not receiving, and will not receive, a pension.

## ARTICLE 5 HOURLY RATE OF PAY/SALARY PLAN

Sec. 501 FISCAL STUDY: On November 15, 2016, the Fiscal Study impacting classifications and incumbents represented by Local 721 was approved/adopted by the Board as an amendment to the 2013-2016 MOA. The parties hereto mutually agreed upon the manner by which that plan was and is to be implemented and some of the effects will impact classifications and incumbents during the term of this 2016-2019 Agreement, and that agreement of implementation is attached hereto as exhibit 1.

Sec. 502     PAY/SALARY INCREASES:

A. General Salary Increases

Effective January 15, 2017, the base pay/salary range of each classification covered by this MOA and the base pay/salary of each individual employed in any such classification will be increased by one and one-half percent (1.5%).

Effective January 14, 2018, the base pay/salary range of each classification covered by this MOA and the base salary/pay of each individual employed in any such classification will be increased by one and one-half percent (1.5%).

Effective January 13, 2019, the base pay/salary range of each classification covered by this MOA and the base salary/pay of each individual employed in any such classification will be increased by one and one-half percent (1.5%).

B. Market Adjustments

Effective January 29, 2017, the base pay/salary range of each classification noted in Exhibit 2 of this MOA and the base pay/salary of each individual employed in such noted classification, will be increased by the indicated percentage.

Effective January 28, 2018, the base pay/salary range of each classification noted in Exhibit 2 of this MOA and the base pay/salary of each individual employed in such noted classification, will be increased by the indicated percentage.

C. (Historical) Salary Offsets for Increased Employee-Paid Retirement Contributions

Effective July 6, 2014, in order to accomplish the changes now noted in Section 402, the pay/salary ranges of represented classifications were, and the pay/salary of each represented employee was, increased by:

- a. The percentage amount equal to the percentage value of eliminating the retirement pick-up; and
- b. The percentage value of employees participating in the 50/50 cost-sharing of the normal cost of retirement contributions.

- c. The value of the salary offsets (in a and b above) were as approximate as possible to result in a cost neutral "exchange" for both the County and employee.

Sec. 503     COMPENSATION SCHEDULE: Except as otherwise provided herein, employees shall be compensated within the pay/salary range assigned to the classification of the position in which they are employed and in accordance with the pertinent conditions of employment enumerated in these Articles.

Sec. 504     REGULAR PAY DAY/DIRECT DEPOSIT: Employees shall be paid on or about the Friday following the end of each biweekly payroll period. Should the County/APCD wish to mandate direct deposit during the term of this MOA, Local 721 agrees that all current and newly hired employees will, as a condition of their employment, enroll and maintain direct deposit of their paychecks.

Sec. 505     PAY ON TERMINATION: Upon certification of the Director-Human Resources that the employment of any employee is terminated as a probationary or disciplinary dismissal prior to the expiration of the biweekly pay period, the compensation of such person shall become due and shall be paid within five (5) working days of notification.

Upon certification of the Director-Human Resources that the employment of any employee is terminated other than listed above, prior to the expiration of the biweekly pay period, the compensation of such persons shall be paid on the payday which falls within the next pay period.

Sec. 506     PAY FOR PART-TIME SERVICES OF REGULAR EXEMPT EMPLOYEES: Employees who are exempt from the overtime provisions of the Fair Labor Standards Act (hereinafter "FLSA") are to be compensated on a salary basis only. The actual compensation for a part-time, exempt employee is determined by the ratio of the agreed upon standard hours for the part-time function to the standard hours of eighty (80) per bi-weekly pay-period which are "normal" for full-time employment. Once determined by the assigned standard hours, this is the salary the part-time exempt employee will be paid every bi-week regardless of hours worked or reported.

Premium pay will also be paid to regular part-time employees on the same basis as full-time employees except that when the premium pay is paid on a bi-weekly or monthly rate, that rate will be paid to part-time employees on a pro rata basis.

Changes to the standard hours of an exempt employee shall be made no more frequently than once every three (3) months, and then only with the prior approval of the Director-Human Resources

Sec. 507     PAY FOR OPTIMUM STAFF EMPLOYEES: The compensation for Health Care Agency (hereinafter "HCA") Optimum staff employees shall be determined in accordance with the provisions of Article (36) of this MOA.

Sec. 508     HOURLY WAGE RATE: Whenever an employee whose hourly rate of pay is fixed on a yearly or biweekly basis works less than the total number of hours in a particular biweekly period, he/she shall receive hourly rate of pay for the period in accordance with the hourly rate of his/her classification.

Sec. 509     PAY/SALARY RANGE CHANGES: Whenever a higher pay/salary range is assigned to a classification, an employee holding a position in that classification shall have his/her hourly rate of pay/salary increased by the percentage increase in the classification's pay/salary range, provided that no hourly rate of pay/salary shall be lower than the minimum of the new pay/salary range established for the classification. The employee's merit or probationary qualifying hours shall not change due to such an adjustment.

Whenever a lower pay/salary range is assigned to a classification, an employee holding a position in that classification shall receive the same hourly rate of pay/salary he/she was receiving on the day preceding the effective date of the new range, if such hourly rate of pay/salary placement is within the newly established pay/salary range. In all other instances, whenever a lower pay/salary range is assigned to a classification, an employee holding a position in the class whose hourly rate of pay/salary immediately preceding the effective date of the new range was in excess of the maximum of the new range, then such employee shall receive the maximum of the new range. The employee's merit or probationary qualifying hours needed of an employee affected by the establishment of a lower pay/salary range for his/her classification shall not be affected by such an adjustment.

Sec. 510     HOURLY RATE OF PAY/SALARY ON "Y" RATING: When an employee is "Y" rated, the hourly rate of pay/salary he/she received immediately prior to the date of downward reclassification is frozen and may not be increased until the maximum of the pay/salary range assigned his/her new classification exceeds the hourly rate of pay/salary he/she was earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing an approximately five percent (5%) increase in hourly rate of pay/salary and shall retain his/her merit or probationary qualifying hours that were in effect immediately prior to the establishment of the "Y" rate.

For purposes of this section, the term "Y" rate shall mean the amount equal to the difference between the hourly rate of pay/salary received by the employee while working in the prior classification and the top point of the range for the new classification.

Sec. 511     HOURLY RATE OF PAY/SALARY RATE ON TRANSFER: Whenever an employee is voluntarily or involuntarily transferred or assigned to a position in a different classification having the same pay/salary range as his/her former position, he/she shall retain his/her hourly rate of pay/salary rate and his/her merit or probationary qualifying hours needed.

Sec. 512     ADDITIONAL COMPENSATION TO SUPERVISORS:

A.     A person occupying a supervisory position may receive compensation at a rate of seven and one-half per cent (7.5%) above the base hourly rate of pay/salary rate of any of his/her subordinates, or for the supervisor of the classifications listed in Section 622, seven and one-half per cent (7.5%) above the base hourly rate of pay plus the market based premium as described in Section 622 (MARKET BASED PREMIUM PAY). This supervisory differential shall be granted provided that:

1.     Both his/her appointing authority and the County Executive Officer find he/she is exercising substantial supervision over the subject subordinate and that he/she is satisfactorily performing the full supervisory duties of his/her position; and,
2.     The organization is a permanent one approved by the County Executive Officer; and,
3.     Both the supervisor and the subordinate have been permanently appointed to full-time positions; except in VCMC, both the supervisor and the subordinate must have been permanently appointed to positions scheduled for at least seventy-two (72) hours per bi-week, and,
4.     The classifications of both the supervisor's and subordinate's positions are appropriate to the organization and their duties.

Such compensation shall not be effective before the first day of the pay period during which the finding called for in paragraph "A" above is made. Where the subordinate is receiving a "Y" rate, the supervisor's compensation shall be computed as if the subordinate were in fact receiving such "Y" rate as part of his/her base rate. Such additional compensation shall be effective only for the period deemed necessary to maintain the hourly rate of pay/salary of the supervisor at a rate 7.5% above that received by the subordinate. If

the 7.5% pay differential shall cease to exist due to transfer, reassignment, reclassification, promotion, demotion, termination, or any other contingency, then the hourly rate of pay/salary of the supervisor shall be adjusted to the rate he/she would have attained notwithstanding the provisions of this section. The effective date of said adjustment shall be the first day of the pay period following the change in status of the subordinate and/or the supervisor. A change in the hourly rate of pay/salary or status of the supervisor due to the Merit Increase sections of this MOA shall only be applied to the base rates of the supervisor's hourly rate of pay/salary. Policies and procedures relating to merit or probationary qualifying hours are not affected by the provisions of this section.

- B. JAIL COOK SHIFT SUPERVISOR DIFFERENTIAL: The Sheriff may designate up to a maximum of four (4) Jail Cooks at the Pre-Trial Detention Facility, and four (4) Jail Cook assigned to Todd Road as Shift Supervisors when such employees are permanently assigned to perform lead supervisory duties. Employees so designated shall be compensated at a rate five percent (5%) above the base hourly rate of pay/salary rate to which they are otherwise entitled. For overtime purposes, this differential shall be considered as part of the employee's regular hourly rate.

Sec. 513 PRIORITY OF INCREASES: Whenever a general increase, a merit hourly rate of pay/salary increase, a higher pay/salary range or pay/salary range placement, a promotional increase or any combination thereof are effective on the same date, the hourly rate of pay/salary to which an employee is entitled shall be fixed as follows: to the hourly rate of pay/salary received by the employee on the preceding day shall first be added any general hourly rate of pay/salary increase, then any higher pay/salary range or pay/salary range placement, then any merit increase, and then any promotional increase.

Sec. 514 HOURLY RATE OF PAY/SALARY ON DEMOTION OF A PROMOTIONAL PROBATIONARY EMPLOYEE:

- A. A promotional probationary employee demoted to the class he/she formerly occupied in good standing shall have his/her hourly rate of pay/salary, merit or probationary qualifying hours needed adjusted to reflect what he/she would have achieved if he/she had remained in the lower class throughout the period of his/her service in the higher class.
- B. Upon the request of the employee, a probationary employee may, upon approval of the Agency/Department head, be demoted to a class in which he/she did not previously hold status provided the

Human Resources Division certifies that said employee is qualified for the position to which he/she is demoted. Such employee shall be demoted to the entry level hourly rate of pay/salary in the lower class or, upon request by the Agency/Department head and approval by the Director-Human Resources, retain his/her current hourly rate of pay/salary or receive the top of the range for the lower class, whichever is less. The employee shall also be required to serve a new probationary period.

Sec. 515     HOURLY RATE OF PAY/SALARY ON DEMOTION: Whenever an employee who has completed his/her probationary period in a higher class is then demoted to a position in a lower class for reasons other than unsatisfactory performance, or for functional disability, he/she shall receive the highest hourly rate of pay/salary on the new range that does not exceed his/her hourly rate of pay/salary immediately prior to demotion and shall retain his/her merit qualifying hours needed.

Sec. 516     MERIT INCREASES: Merit increases within a range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date thereof. Except as otherwise provided, a merit increase shall consist of an increase of approximately five percent (5%) within a range for the class unless the employee is less than five percent (5%) from the top of the range and, in such a case, the increase shall be to the top of the pay/salary range. Qualifying service for merit increase consideration shall be by compensable hours, which include all paid hours exclusive of overtime compensation.

Sec. 517     TIME FOR MERIT INCREASES:  
A newly appointed, re-employed, or promoted employee may qualify for:

- A.     An initial merit increase within the pay/salary range upon completion of at least 1,040 hours of compensable service in that class.
- B.     Succeeding merit increases within the pay/salary range upon completion of each additional 2,080 hours of compensable service in that class. The period of service required to qualify for merit increases by regular part-time (less than full-time) employees shall be the same as for a regular full-time employee. All approved merit increases will be effective on the first Sunday of the pay period after completing the required compensable hours of service.

Sec. 518     MERIT REVIEW: At least one (1) pay period prior to an employee qualifying for a merit increase, the appointing authority shall notify the Director-Human Resources and the employee in writing of his/her decisions regarding approval or denial of a merit increase. In all cases, the recommendation of the appointing authority shall be based on the employee's performance.

Sec. 519 DENIAL OF MERIT INCREASE: If, in the appointing authority's judgment, the employee's performance does not warrant a merit hourly rate of pay/salary increase upon meeting the time requirements, the Department/Agency Head may deny the increase and must complete the County/APCD performance evaluation rating form. Any time prior to the employee qualifying for his/her next merit increase, the employee may request a review of his/her merit increase by the appointing authority or the appointing authority, by his/her own initiative, may review the matter. If the appointing authority concurs with the requested review or if the appointing authority independently initiates his/her own review, then the appointing authority shall reopen the matter by submitting another performance rating and recommendation. If an employee's merit increase is granted prior to completing at least 2,080 hours of compensable service after it was denied, that employee's next merit increase shall not be due until the employee has completed at least an additional 2,080 hours of compensable service from the first day of the pay period on which the increase was actually granted.

Sec. 520 CORRECTING ERROR IN OVERLOOKING MERIT INCREASE: Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight in recognition of the employees completion of the merit qualifying hours needed, the Auditor-Controller shall compensate the employee for the additional hourly rate of pay/salary he/she should have received dating from the first day of the pay period after which he/she would have satisfied the merit qualifying hours by adding said additional hourly rate of pay/salary to the employee's next biweekly paycheck. In such cases, there shall be no adjustment of the employee's merit qualifying hours.

Sec. 521 HOURLY RATE OF PAY/SALARY ON PROMOTION: Except as provided below, a newly appointed employee or a regular employee who is appointed to a position in a classification having a higher hourly rate of pay/salary rate than his/her previous classification shall receive the entry level hourly rate of pay/salary for the higher classification or such higher amount as would constitute a hourly rate of pay/salary increase of approximately five percent (5%) on the range of the new classification over the hourly rate of pay/salary received prior to promotion, whichever is greater.

- A. Notwithstanding the provisions described above, a newly appointed employee or regular employee who is appointed to a position in a class having a higher hourly rate of pay/salary rate may, upon recommendation of his/her appointing authority and subject to the approvals described below, have his/her initial hourly rate of pay/salary established at any point of the pay/salary range of the new classification. Such rate must, however, be at least the entry rate for the higher classification or constitute an increase of five percent (5%)

over the hourly rate of pay/salary received prior to promotion, whichever is greater. An hourly rate of pay/salary established as a result of this provision is subject to the following approvals:

1. Up to the midpoint of the pay/salary range - approval by the Director-Human Resources
2. From the midpoint to the top of the pay/salary range - approval by the County Executive Officer.
3. From the midpoint to the top of the range for APCD employees – approval by the APCD Executive Officer.

The advanced hourly rate of pay/salary placement of a regular employee may be made when:

- a. No qualified person can be recruited to fill a position at a minimum rate; or,
  - b. The skills or experience of the regular employee warrant a higher hourly rate of pay/salary placement.
- B. Local 721 shall be notified in writing of promotions made above the midpoint of the pay/salary range.
- C. HOURLY RATE OF PAY PLACEMENT - CLINICAL COORDINATORS, NURSING CARE COORDINATORS, OCCUPATIONAL THERAPISTS, PHYSICAL THERAPISTS: Upon request of the Director-Health Care Agency and approval by the Director-Human Resources or his/her designated representatives, a newly appointed or reinstated employee assigned to the classification of Nursing Care Coordinator I, II, Principal Respiratory Therapist, Clinical Coordinator, or a classification requiring California licensure as a Registered Physical Therapist, or registration by the National Occupational Therapist Association as an Occupational Therapist, may receive a hourly rate of pay/salary placement at any point within the range assigned to the job classification involved.

Such reinstatement hourly rate of pay/salary placement shall be limited to employees who formerly held permanent status in a classification requiring California licensure as a Registered Physical Therapist, or registration by the National Occupational Therapist Association as an Occupational Therapist, and who made such request for reinstatement within two (2) years after their effective date of termination.

The provisions of this section are not applicable to hourly rate of pay/salary placement resulting from promotional examinations or appointment from Reemployment or Classification Reinstatement eligible lists.

Sec. 522 EFFECTIVE DATE OF PROMOTION: Whenever a person is promoted, the effective date of his/her promotion shall always be the first (1<sup>st</sup>) Sunday of the pay period.

Sec. 523 HOURLY RATE OF PAY/SALARY ON TEMPORARY PROMOTION: An employee assigned to a higher classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by these articles, and who serves in said higher classification for 40 consecutive hours, shall thereafter be paid according to the pay/salary range of the class to which he/she has been temporarily promoted. Upon temporary promotion, an employee will receive either the minimum of the new pay/salary range or a five percent (5%) increase over his/her hourly rate of pay/salary prior to the temporary promotion, whichever is greater. In no case shall such hourly rate of pay/salary adjustment place the employee beyond the pay/salary range of the position to which he/she has been temporarily promoted. An employee so temporarily promoted shall receive this hourly rate of pay/salary as long as he/she continues to serve in said higher classification and shall be entitled to receive increases within the range for the position as provided in these articles as though he/she had been appointed on the day he/she began to receive the hourly rate of pay/salary designated for the position. The 40-hour waiting period shall apply each time an employee is assigned to a higher classification in this manner.

Time worked in a higher-level classification by virtue of this provision shall not count towards attainment of permanent (non-probationary) status in the class to which an employee has been temporarily promoted.

Sec. 524 TEMPORARY ASSIGNMENT PREMIUM (TAP): If the County has knowledge of the need to fill a temporary vacancy more than 4 days and less than twenty three (23) working days, they may make such temporary assignment available to needed eligible classes within this unit.

The department manager has the flexibility to make temporary assignments to higher-level work if needs of the County warrant it. Anyone so assigned is entitled to receive a five percent (5%) Temporary Assignment Premium (TAP) after the third regular, consecutive shift of said assignment.

Such assignment is subject to the following criteria:

1. Employee must have regular, non-probationary status.

2. They must meet the minimum qualifications for the positions to which they are temporarily assigned.
3. The department manager determines that the assignment has sufficient requirements to warrant the temporary pay adjustment.
4. Using business based criteria, placing an employee on or removing them from such temporary assignment is not grievable.
5. Temporary assignments will not exceed twenty three (23) working days.

Sec. 525     BASE HOURLY RATE OF PAY/SALARY – VCMC TWELVE (12) HOUR SHIFT - METHOD OF COMPUTATION: Employees in Nursing Care Coordinator classifications who are assigned to the Ventura County Medical Center and who are regularly assigned to twelve (12) hour shifts shall have their base hourly rate of pay/salary rate computed as follows:

12 Hour Rate = 8 hour base hourly rate of pay/salary Rate times 41 divided by 36.

In order to be eligible for the twelve (12) hour rate, an employee must work a minimum of four (4), twelve (12) hour shifts in a biweekly pay period.

Sec. 526     ADVANCED HOURLY RATE OF PAY/SALARY PLACEMENT (NEW HIRES): Upon recommendation of the appointing authority and the Director-Human Resources, the County Executive Officer may approve hiring a new employee beyond the midpoint of the pay/salary range provided that:

- A. Reasonable proof has been presented that no qualified person can be recruited to fill a position below the midpoint of the pay/salary range; or,
- B. Reasonable proof has been presented that an applicant has qualifications deserving a starting hourly rate of pay/salary higher than the midpoint of the pay/salary range.

Appointments made above the midpoint of the pay/salary range and in accordance with the above-listed criteria for APCD employees may be approved by the APCD Executive Officer.

Local 721 shall be notified in writing of appointments made above the midpoint of the pay/salary range.

ARTICLE 6  
OTHER BENEFITS AND PREMIUM PAY

Sec. 601     BILINGUAL PREMIUM PAY:

- A. Employees whose positions require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Agency/Department Head, based upon the criteria established by, and subject to approval by, the Director-Human Resources. An employee's bilingual proficiency at Levels I and II shall be determined by an examination administered and certification issued by the Director-Human Resources or other approved county or city employer or educational facility at the employee's expense. Level III proficiency examinations shall be developed and administered solely by the Director-Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director – Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$ .65/hour
II	\$ .80/hour
III	\$1.10/hour

Employees in positions eligible to receive this premium pay shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eighty (80) compensated hours per pay period.

Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

The provisions of this Section shall not apply to the classification of Interpreter-Translator.

- B. Employees in the Non-Supervisory Social Services Unit who currently receive bilingual premium pay shall continue to receive said payment throughout the life of this contract except in cases where an employee accepts a voluntary transfer or is promoted to a position which does not qualify for such premium. Nothing in this Section

precludes management from transferring employees to other worksites in order to provide adequate caseload coverage.

Sec. 602     STANDBY PREMIUM PAY:

- A.     Should an FLSA non-exempt employee be placed on formal standby duty (as is meant under the FLSA), said employee shall be compensated for actual time on call at one-quarter (1/4) of his/her regular rate of pay/salary or at the State minimum wage, whichever is greater, and for time worked as a result of a callback to duty at his/her hourly wage. In no instance shall a callback to duty be considered as less than two (2) hours for pay purposes. No employee shall be paid for call back time and standby simultaneously. All employees excluded from the overtime provisions of these Articles are also excluded from the provisions of this Section.
- B.     No more than three (3) HS Child Welfare Social Workers (at the discretion of the Director-Human Services Agency) and two (2) HS Adult Protective Services Social Workers assigned to emergency response duty are authorized to be paid the standby premium provided by 602-A. Should that CWSW or APSSW be called back while on formal standby duty, he/she shall be eligible to receive the callback premium pay in accordance with Section 602(A).

The provisions of this Article are intended to define the normal work schedule and do not guarantee a minimum number of hours of work. 8. Any change in scheduled working hours shall be at the sole discretion of the appropriate supervisor/manager.
9. Preference in selecting a day off, or variable hours starting and ending time, may be given to employees with ridesharing arrangements, or dependent care considerations. This is a

guideline for use by managers in determining workflow and coverage issues.

10. Employees and managers/supervisors may be required to complete periodic surveys, to evaluate the effects of the program.
11. Employees participating in the program will be required to sign an agreement that they have read and understand the program.

- B. Whenever any person is unable to take compensatory time off within the calendar year during which the overtime is earned, such compensatory time off may be either "cashed out" or carried over into the next calendar year. If such compensatory time off is carried over, it must be taken as compensatory time off during the next year or, at the completion of the second calendar year, it will be "cashed out" at the base hourly rate of pay/salary rate then in effect.
- C. Any employee who terminates or is terminated shall be paid his/her hourly rate of pay/salary for each hour of accrued compensatory time off. As an example, assume the employee's hourly contract rate of pay prior to that increase was \$25.00. Overtime covered by this provision would then still be paid at the rate of one and one-half times \$25.00, or \$37.50 per hour. Upon receiving the additional pay raise set forth in Section 502-A (e.g. 1%), that \$25.00 per hour contract rate of pay would be increased by 1% to equal \$25.25 per hour which rate would still not include the increase in base hourly

rate of pay set forth above in Section 502-C ([Historical] Salary Offsets for Increased Employee Paid Retirement Contributions).

- Sec. 1102 ELIGIBLE EMPLOYEES: Any employee whose position is declared exempt under the provisions of the Fair Labor Standards Act is eligible for administrative leave.

- Sec. 1103 GRANTING OF ADMINISTRATIVE LEAVE: Employees shall be granted paid administrative leave upon approval of their supervisor in accordance with County policies and guidelines.

Administrative Leave may be granted in full, "normal" daily assigned shift increments not to exceed twelve hours (or the regular shift). For example, an employee who is "normally" assigned a 4/10 schedule may be granted 10 hours of Administrative Leave on his/her usual workday.

- Sec. 1104 PAYMENT FOR OVERTIME WORKED: Nothing herein shall prevent the payment of straight cash compensation to employees eligible for administrative leave in times of stress or unusual workload situations. Such compensation shall require the authorization of the Board of Supervisors.

- Sec. 1105 USE, ACCRUALS AND RECORD KEEPING: Employees exempt from overtime shall not accrue or record hours worked beyond the regular workday or biweekly work period. Employees exempt from overtime shall be eligible to receive administrative leave for personal business in addition to vacation, sick leave and holidays. Administrative leave is not an accrual and has no

cash value. It is not earned, but is allowed exempt employees, subject to supervisory scheduling.

- Sec. 1106 ADDING OR DELETING CLASSIFICATIONS ELIGIBLE FOR ADMINISTRATIVE LEAVE: Each party to this MOA shall, upon notice from the other during the period of this MOA, promptly meet and confer with respect to proposed additions to or deletions of those classifications eligible for administrative leave.

## ARTICLE 12 VACATION

- Sec. 1201 VACATION USAGE: Each department or agency head shall be responsible for scheduling the vacation periods of his/her employees in such a manner as to achieve the most efficient functioning of the department or agency and the County service. Vacation time may be taken in increments of two (2) hours. Vacation time may be allowed in increments of less than 2 hours but not less than one (1) hour IF, prior to the subject absence, approval/authorization to use and receive such time has been specifically granted by the employee's manager. The granting of a vacation period less than the employee's annual entitlement is to be discouraged so that the full benefit of the vacation plan can be realized by each employee. The appointing authority shall determine when vacations will be taken.

Managers/supervisors shall respond within five (5) calendar days to vacation requests submitted in writing and at least 14 calendar days prior to the first date requested off. The vacation request shall be deemed approved if the manager/supervisor does not respond within the five (5) days, provided the employee has the accrued vacation time to cover the requested time off.

- Sec. 1202 VACATION ACCRUAL: Regular employees shall accrue hours of vacation with pay for each hour of compensation to a maximum of eighty (80) hours per biweekly work period according to the following schedule, commencing with the employee's hire date of during his/her latest period of County employment.

- A. Vacation credits are earned as follows:

<u>YEARS OF COMPLETED SERVICE</u>	<u>VACATION CREDIT EARNED PER HOUR</u>	<u>APPROXIMATE DAYS</u>
Less than 10,400 hours (Approximately less than 5 Years)	.05386 hours	14 days/year
10,400 but less than 22,880 hours	.07313 hours	19 days/year

(Approximately 5 years but less than 11Years)

22,880 hours (Approximately 11 Years)	.07688 hours	20 days/year
24,960 hours (Approximately 12 Years)	.08075 hours	21 days/year
27,040 hours (Approximately 13 Years)	.08463 hours	22 days/year
29,120 hours (Approximately 14 Years)	.08850 hours	23 days/year
31,200 hours (Approximately 15 Years)	.09225 hours	24 days/year

- B. Vacation Credit Accumulation - Vacation credit shall not be accumulated beyond four hundred (400) hours.

Sec. 1203 VACATION REDEMPTION: After 20,800 hours of continuous County service (approximately ten (10) years, an employee may elect to receive cash in lieu of up to eighty (80) hours of vacation accrual at the current hourly rate of pay/salary rate. Any such election shall be subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of vacation hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem vacation hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for CASH payment in the ordinary payroll process. An employee may make up to two requests per calendar year for cash payment in lieu of a combined annual maximum of eighty (80) hours of vacation accrual. Only vacation hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for vacation hours accrued in a prior calendar year are not allowed.

The Union and County agree that a temporary exception to the above requirement that only vacation hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County Auditor-Controller's office in the calendar year in which the vacation will be cashed-out. As such, if an employee has accrued less vacation in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out vacation hours carried over from a prior calendar year, if and only if the following conditions are met:

1. At the time the employee made an irrevocable election to receive cash in lieu of vacation, the employee submitted a notice of intent to retire in the calendar year in which the vacation will be cashed-out.
  2. At the time the employee makes a request for cash out payments to be paid, the employee submit an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
  3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- C. An employee must use eighty (80) hours of accrued vacation during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid vacation pay for such time off. If the employee has not used eighty (80) hours of accrued vacation in the twelve (12) month immediately preceding the cash-out, the County shall deduct from the employee's vacation bank the amount of leave necessary to make the employee eligible for the requested redemption.

If an employee is unable meet the eighty (80) hour usage requirement necessary to cash-out vacation by the end of the election year as a result of the denial of a written request (or requests) to use vacation, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the vacation hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual vacation hours utilized by the employee in the election year must equal at minimum eighty (80) hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- D. If an employee fails to request payment for the total vacation hours elected for cash-out, the employer shall unilaterally cash out the elected vacation hours to the extent that an employee has accrued leave available before December 31 of the calendar year.
- E. Vacation hours used for paid time off will be deducted first from vacation hours accrued in prior calendar years, and last from vacation hours accrued in the current calendar year.

- F. Employees who are eligible for vacation redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem vacation for pay in the subsequent calendar year and will not report as income vacation that the employee is eligible to receive but does not cash-out during that calendar year.
- G. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem vacation hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the auditor-controller's office in its sole discretion.
- H. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.
- I. If it is subsequently determined by the County, the Internal Revenue Service, a court of competent jurisdiction or another governing authority that the leave redemption provisions in place prior to October, 2016 or substantially similar, will not trigger constructive receipt of income from accrued leave, the union may, at its sole option, compel the County to reopen negotiations in order to restore the leave redemption provisions in place in October 2016 or something substantially similar that will not trigger constructive receipt of income from accrued leave.

Sec. 1204 VACATION PAYOFF ON RETIREMENT OR TERMINATION: Any employee who terminates or is terminated shall be paid for each hour of earned vacation based on the hourly rate of pay/salary rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

- Sec. 1205 VACATION BENEFITS FOR PART-TIME EMPLOYEES: Regular part-time employees shall be eligible for vacation benefits and such benefits shall accrue on a pro rata basis. Usage and maximum accruals of said benefits shall be governed by the same rules and regulations applicable to regular, full-time employees.
- Sec. 1206 RATE OF PAY WHILE ON VACATION: While on vacation, employees shall be compensated at the same hourly rate of pay/salary rate they would have received if they had been on the job.
- Sec. 1207 INELIGIBILITY FOR BENEFITS: Provisions of this Article are not applicable to employees eligible for annual leave, pursuant to Article 31 of this Agreement.
- Sec. 1208 COORDINATION WITH DISABILITY BENEFITS: Eligible employees, subsequent to exhausting all accumulated sick leave hours as per Section 1404(F), may use accrued vacation hours in conjunction with either State Disability Insurance or the County Long Term Disability Plan in order to receive an amount equal to the biweekly rate of pay the employee would have otherwise received had he actually worked his/her normal schedule.

- A. In addition to the holidays listed above, effective January 1st of each year, each regular, full-time employee covered under the terms of this Agreement shall be granted floating holiday leave hours equivalent to the employee's standard daily work schedule. For employees on compressed work schedules as set forth in Section 907, such holiday leave shall be equivalent to the work schedule for the day of the holiday. If an employee works a variable schedule, then hours shall be granted based on an average daily work schedule. Hours granted under this section shall in no case exceed twelve (12) hours. Such leave with pay may be taken, subject to management approval, no later than March 1 of the year following the year in which it was granted. Leave granted pursuant to this provision shall have no cash value beyond that provided herein and shall be lost without benefit of compensation if not taken by March 1 as described above.

- B. Regular part-time employees shall be granted the leave provided under (A) above on a pro rata basis.
- C. In no instance will an employee be allowed to split his/her annual allowance of floating holiday leave hours over multiple days.

Any such employee whose regularly scheduled day off falls on a paid assigned holiday, shall be credited with vacation leave (or annual leave where applicable) hours equivalent to the employee's standard daily work schedule, but credit shall in no case exceed twelve (12) hours.

Sec. 1406 PHYSICIAN'S CERTIFICATE AND EXAMINATION FOLLOWING ABSENCE FROM DUTY: An employee absent due to his/her illness or injury for more than five (5) consecutive work days may not be entitled to use sick leave credits for his/her absence on any day after the five days unless and until he/she presents to his/her appointing authority a certificate signed by his/her physician stating that he/she was ill or injured on each day of such absence. Any employee absent for a period of seven (7) consecutive calendar days due to illness or accident may, at the discretion of his/her appointing authority or the Director-Human Resources, be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at County expense.

- Sec. 1407 CANCELLATION OF SICK LEAVE ON TERMINATION: Termination of the continuous service of an employee, except by reason of layoff, shall result in cancellation of all sick leave accrued by him/her at the time of such termination irrespective of whether or not such a person is subsequently employed by the County.

A separation from the County service shall be the only cause for interrupting employment with the County. A separation of three (3) or fewer days shall not be considered a break in service. All authorized leaves of absence shall not constitute a break in service, but all time spent on a leave of absence shall not count toward seniority.

Sec. 2303     ORDER OF LAYOFF: The determination of which employee(s) shall be laid off shall be made within each Department/Agency on a classification-by-classification basis. The County shall designate classification(s) to be affected. The order of layoff shall be determined by length of seniority.

be made in accordance with the provisions of the MOA which is controlling for the classification.

Sec. 2306 REEMPLOYMENT: All persons who have been laid off as a result of a reduction in workforce shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. Each person's name shall remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reemployed, or until their name has been removed from the eligible list in accordance with the provisions of Section 717 of the Ventura County Personnel Rules and Regulations, whichever occurs first. The department/agency classification reinstatement list shall have priority over the Countywide classification reinstatement list. Eligibles on the Classification Reinstatement List shall be ranked in reverse order of the order of their demotions. Each person's name may remain on such list for a period of two years following the date that their name was placed on such eligible list, or until they have been reinstated to the classification from which they were demoted, or until their name has been removed from the eligible list in accordance with the provisions of Section 717 of the Ventura County Personnel Rules and Regulations, whichever occurs first. To remain on a Classification Reinstatement List, a person must maintain status as a County employee. Eligibles on the Reinstatement List shall be reappointed to vacant positions as they occur in the classification in which they were employed immediately prior to layoff. - D. The Arbitrator shall have no power to alter, amend, change, add to or subtract from any of the terms of this MOA, but shall determine only whether or not there has been a violation of the MOA in respect to the alleged grievance and remedy. The decision and/or award of the Arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties. The decision and/or

award of the Arbitrator shall be final and binding upon the County, Local 721, and the employee affected, subject to judicial review.

E. If either the County or Local 721 shall claim before the Arbitrator that a particular alleged grievance fails to meet the tests of arbitrability as set forth in this MOA, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the Arbitrator determines that such grievance fails to meet said test of arbitrability, he/she shall refer the case back to the parties without a decision or recommendation on the merits.

Sec. 3002 WRITTEN ORDER FOR DEMOTION, SUSPENSION, REDUCTION IN PAY, and DISMISSAL: The continuing employment of every regular employee shall be contingent upon good behavior. Any such employee may be dismissed, demoted, suspended, reduced in pay, reduced in pay and suspended, or demoted and suspended for cause as specified in Section 3003 by the appointing authority in the following manner:

- A. The appointing authority shall serve upon the employee a Notice of Proposed Disciplinary Action stating the nature of the proposed action and its effective date. Such Notice shall also set forth in writing the reasons for the proposed disciplinary action, a statement of the charges upon which the action is to be based, a notice to the employee that he/she has the right to review the materials being used against him/her, and a statement advising the employee that he/she has a right to respond to the charges. A duplicate of that Notice must be filed with the Director-Human Resources and Local 721.
- B. Within seven (7) calendar days from receipt of the Notice of Proposed Disciplinary Action, unless additional time is otherwise specified by the appointing authority in said Notice of Disciplinary Action, the employee may respond to the proposed action. Such response may be presented orally or in writing. The employee has a right to have a Local 721 representative if he/she so chooses.
- C. At the completion of the period provided in "B" above, the appointing authority shall review the employee's response, if any, and make a determination whether to cancel, amend, or sustain the proposed action. If the appointing authority decides to amend or sustain the proposed action, the employee will be served with Notice of Disciplinary Action again setting forth in writing the reasons for disciplinary action and offering a statement of the charges upon which the action is based.

Subject to the provisions of Section 3009, the Notice of Disciplinary Action shall also advise the employee that the action being taken is final, and

advise him/her of his/her right to request that Local 721 submit the matter to arbitration within thirty (30) calendar days. A duplicate of that Notice must be filed with the CDEO-IRRM and Local 721.

Nothing in this Section shall be considered to restrict the right of the County to take immediate disciplinary action when it is deemed appropriate.

Sec. 3004 DISCIPLINARY REDUCTION IN HOURLY RATE OF PAY: In accordance with the necessity for taking disciplinary action, the hourly rate of pay of a Local 721 represented employee may be reduced by either 2.5% or 5% for a period of time not to exceed 1,040 hours for any one offense.

Sec. 3005 SUSPENSION WITHOUT PAY: Suspension without pay may be imposed not to exceed thirty (30) calendar days. Whenever an employee is suspended without pay, no hourly rate of pay/salary shall be paid the suspended employee for the duration of his/her suspension and such suspension shall be treated as an authorized leave of absence without pay for purposes of vacation and sick leave accruals.

Sec. 3006 DEMOTION: The employee may be demoted to a classification, which has a lower pay/salary range than the position currently occupied. In cases of disciplinary demotion, the compensation of the employee shall be adjusted to the hourly rate of pay/salary in the range of the position to which he/she has been demoted which is approximately 5% lower than the hourly rate of pay/salary he/she was receiving in the higher class. If the top step of the hourly rate of pay/salary in the range of the position to which he/she has been demoted is more than 5% lower than the hourly rate of pay/salary he/she was receiving in the higher class, the employee shall receive the top step of the hourly rate of pay/salary in the range of the position to which

he/she has been demoted. An employee so demoted shall not have his/her merit qualifying hours needed reset.

Sec. 3007 DISCIPLINARY ACTION IMPOSED DURING PROBATIONARY PERIOD:

Neither a probationary employee nor Local 721 may request arbitration of any disciplinary action taken against an employee during his/her probationary period.

A promoted employee who is dismissed during his/her probationary period shall return to the position in which he/she held permanent status, if vacant, or any other vacant position in his/her former classification in the department/agency. If no such vacancy exists, every reasonable attempt will be made by the appointing authority to retain the employee in an underfill capacity. Only if there is no vacancy and the appointing authority is unable to make reasonable accommodation, the employee shall be placed on a reemployment list for two (2) years for the position in which he/she held permanent status and shall be granted the first position that becomes available in his/her former classification in the Agency/Department in which he was employed. The above provisions shall not apply if the cause of the dismissal warrants dismissal from County service. If the cause for dismissal warrants dismissal from County service, the employee may request that Local 721 submit the matter to arbitration.

Sec. 3008 NON-DISCRIMINATION: Disciplinary actions shall be taken without regard to race, color, national origin, religion, sex, age, or functional limitation.

Sec. 3009 REQUEST FOR ARBITRATION: If an employee wishes to appeal a disciplinary action, he/she shall ask that the matter be submitted to arbitration by Local 721. If Local 721 concurs, within thirty (30) calendar days of the employee's receipt of the Notice of Disciplinary Action it shall submit a written request to the CDEO-IRRM that the matter be submitted to arbitration. Upon receipt of Local 721's request, the parties shall, within thirty (30) calendar days, attempt to choose an arbitrator from those listed in Appendix B to this MOA to hear the matter. In the event the parties cannot mutually agree on an arbitrator within that time, the State Conciliation Service shall be immediately asked to provide the parties with a panel of five (5) individuals from which one (1) name shall be selected by the parties within ten (10) calendar days after the receipt of such list by alternate striking of names. The remaining name shall be deemed to be the arbitrator for the instant appeal. The arbitrator shall conduct a hearing within thirty (30) days of being selected by the parties unless there is a mutual agreement to extend the time frame.

Sec. 3010 ARBITRATION COSTS: The costs of the arbitrator shall be paid by the losing party. In the event the arbitrator modifies the discipline imposed, the costs shall be shared equally by the parties. Costs of the court reporter, if any, shall be paid by the party who requested the presence of the reporter; however, nothing shall preclude the parties from agreeing to share equally in the costs of the reporter. If one party chooses to record the hearing, it shall provide the other and the arbitrator with a copy of that recording. If a cancellation fee is imposed on the parties by the arbitrator, it shall be paid by the party whose actions were responsible for the imposition of said fee.

Sec. 3011 SCOPE OF ARBITRATOR'S AUTHORITY: The Arbitrator shall have no power to alter, amend, add to or subtract from the provisions of this Article or any other terms of this MOA. If the Arbitrator finds that none of the charges contained in the Notice of Disciplinary Action are true, then he/she shall set aside the action taken by the appointing authority. If the Arbitrator finds that some or all of the charges are true, then he/she shall make a decision confirming or modifying the action of the appointing authority provided, however, that his/her authority to modify the appointing authority's action is limited to those disciplinary actions described in Section 3002. The Arbitrator shall have no authority to increase the discipline imposed by the appointing authority.

Notwithstanding the provisions of Section 3005, but in accord with Section 3009, nothing shall preclude the Arbitrator from ordering the reinstatement of an employee with or without back pay. The decision of the Arbitrator shall be final and binding, subject to judicial review pursuant to Title 9 of Part 3 of the Code of Civil Procedure of the State of California, upon the employee, the County, and, if applicable, Local 721.

Sec. 3012 GOVERNING PROVISIONS: All arbitration proceedings arising under this Article shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California. However, Code of Civil Procedure Section 1283.05, relating to discovery, shall not be a part of this Agreement. Further, subpoenas duces tecum may be issued by the attorney or other representative of a party as well as by the arbitrator. All other provisions relating to subpoenas found in Chapter 3 of Title 9 of the Code of Civil procedure shall apply.

Sec. 3013 ARBITRABILITY: If either the County or Local 721 shall claim before the Arbitrator that a particular request for arbitration fails to meet time limits, or is in some other manner defective, and, thereby, fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case, where the Arbitrator determines that such appeal fails to meet said test of arbitrability, he/she

shall refer the case back to the parties without a decision or recommendation on its merits.

Sec. 3014 REPORT OF HEARING: The Arbitrator shall render his/her report to the parties in writing, including the reasons for any decision, within thirty (30) calendar days of the completion of the hearing. Failure to comply with this provision shall result in the automatic waiver by the arbitrator of all arbitration, per diem, preparation, and related fees.

Sec. 3015 VACATION OF ORDER: A decision of the Arbitrator may be modified or vacated, in whole or in part, and a new or further hearing granted on all or part of the issues on the application of a party to the arbitration for any of the following causes, materially affecting the substantial rights of the parties:

- A. Irregularity in the arbitration proceedings, or any order of the Arbitrator or abuse of discretion by which either party was prevented from having a fair hearing.
- B. Accident or surprise, which ordinary prudence could not have guarded against;
- C. Newly discovered evidence which could not, with reasonable diligence, have been discovered and produced at the hearing and which is material to the question that was before the Arbitrator;
- D. Error in law, occurring at the arbitration and accepted to at the arbitration by the party making the application or motion.

Sec. 3016 APPLICATION FOR VACATION OF ORDER: The application or motion to the Arbitrator shall be made either before the signing of the order of the Arbitrator or within fourteen (14) calendar days of the Arbitrator mailing notice of his/her order and shall designate the grounds upon which vacation is requested.

Should the Arbitrator grant a hearing on the application or motion, the Arbitrator shall, after review of the application or motion, specify the ground or grounds on which it is granted and his/her reason or reasons for granting the application or motion. At the hearing, the evidence introduced shall be limited to the ground or grounds upon which the hearing was granted. At the conclusion of the hearing, the Arbitrator shall either confirm his/her prior findings and decision or issue a new finding and decision.

The filing of an application under this Section shall not be necessary to exhaust administrative remedies and the application or motion shall not operate to stay the effectiveness of the Arbitrator's order except by

discretion of the Arbitrator upon a showing by affidavit of emergency or hardship should the order not be stayed.

- Sec. 3017 DRUG AND ALCOHOL TESTING: Local 721 and the County/APCD agree to implement the County of Ventura Drug and Alcohol Testing Policy with respect to transportation (i.e. safety sensitive) employees dated May 1, 1995.

1. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.

2. At the time the employee makes a request for cash out payments to be paid, the employee submit an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
  3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- C. An employee must use eighty (80) hours of accrued annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used eighty (80) hours of accrued annual leave in the twelve (12) month immediately preceding the cash-out, the County shall deduct from the employee's annual leave bank the amount of leave necessary to make the employee eligible for the requested redemption. If an employee is unable meet the eighty (80) hour usage requirement necessary to cash-out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual hours utilized by the employee in the election year must equal at minimum eighty (80) hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.
- D. If an employee fails to request cash payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- E. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- F. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for cash in the subsequent calendar year and will not report as income annual

leave that the employee is eligible to receive but does not cash-out during that calendar year.

- G. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the auditor-controller's office in its sole discretion.
- H. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.
- I. If it is subsequently determined by the County, the Internal Revenue Service, a court of competent jurisdiction or another governing authority that the leave redemption provisions in place prior to October, 2016 or substantially similar, will not trigger constructive receipt of income from accrued leave, the union may, at its sole option, compel the County to reopen negotiations in order to restore the leave redemption provisions in place in October 2016 or something substantially similar that will not trigger constructive receipt of income from accrued leave.

Sec. 3107 ADVANCED ANNUAL LEAVE CREDIT: New full-time employees shall receive 43.064 hours of advanced annual leave accruals as of the date of hire. Said annual leave advancement shall be balanced upon working of 560 hours of compensable hours of service or upon earlier separation.

Sec. 3108 ANNUAL LEAVE USAGE:

- A. Each Department/Agency head shall be responsible for scheduling the annual leave periods of his/her employees in such a manner as to achieve the most efficient functioning of the department or agency

and of the County service. The appointing authority shall determine when annual leave will be taken.

- B. Employees claiming illness or injury as grounds for unscheduled usage of annual leave may be required to furnish a certificate issued by a licensed physician or nurse or other satisfactory evidence of illness. Any person absent from work shall notify his/her department or agency head on the first day of such leave and as often thereafter as directed by his/her agency or department head. The Director-Human Resources or the Department/Agency Head may request that a medically trained employee verify the employee's illness by a visit to the employee's residence.
- C. An employee absent due to his/her illness or injury for more than 5 consecutive work days shall not be entitled to use annual leave for his/her absence on any day after the 5 days unless and until he/she presents to his/her appointing authority a certificate signed by his/her physician stating that he/she was ill or injured on each day of such absence. Any employee absent for a period of 5 consecutive work days due to illness or accident may, at the discretion of his/her appointing authority or the County Director-Human Resources be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at County expense.

Sec. 3109 PAY FOR ANNUAL LEAVE ON TERMINATION: Any employee who terminates or who is terminated shall be paid at the then prevailing hourly rate of pay for each hour earned of annual leave based on the pay rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

Sec. 3110 RATE OF PAY WHILE ON ANNUAL LEAVE: While on annual leave, employees shall be compensated at the same hourly rate of pay/salary rate they would have received if they had been on the job.

Sec. 3111 ANNUAL LEAVE WHILE ON TEMPORARY DISABILITY LEAVE WITHOUT PAY: An employee who is on temporary disability leave of absence without pay as provided for in these Articles, shall accrue annual leave during the period he/she is on such temporary disability leave without pay.

Sec. 3112 USE OF ANNUAL LEAVE WHEN PERMANENTLY INCAPACITATED: Annual leave shall not be used to continue the hourly rate of pay/salary of any employee after it has been determined by the County's Employee Health Services physician that such employee is permanently incapacitated for a return to County employment and is eligible for retirement. Annual

leave credits may be utilized by such employee until such a determination has been made and appropriate action has been taken by the Ventura County Retirement Board.

Sec. 3113 LONG TERM DISABILITY PLAN:

- A. The County will provide a Long Term Disability Plan for full-time employees.
- B. The Long Term Disability Plan shall have a waiting period of 30 calendar days before the benefits shall be extended to an employee. The benefits shall continue to a maximum of two years for illness or five years for injury. The maximum allowable benefits shall be 60% of the first \$3,500 of the monthly hourly rate of pay/salary to a \$2,100 maximum benefit subject to the terms and conditions of the Long Term Disability Plan.
- C. Employees shall use any remaining sick leave accruals in excess of 360 hours before becoming eligible for disability income protection benefits.

Sec. 3114 COORDINATION WITH DISABILITY BENEFITS: Eligible employees, subsequent to exhausting all accumulated annual leave hours as per Section 1404(F), may use accrued annual leave hours in conjunction with either State Disability Insurance or the County Long Term Disability Plan in order to receive an amount equal to the biweekly rate of pay the employee would have otherwise received had he/she actually worked his/her normal schedule.

Sec. 3115 NURSING CARE COORDINATOR I AND II: The provisions of this Section apply only to Nursing Care Coordinators I and II.

A. Sick Leave:

- 1. Employees may continue to maintain their sick leave accrual banks in effect at the time of implementation of the annual leave program.
- 2. The provisions of Section 1408 of this Memorandum of Agreement are incorporated into this Article and subsection by reference.
- 3. Employees desiring unscheduled time off shall use accumulated sick leave prior to using annual leave.

4. Section 1404 of this Memorandum of Agreement is incorporated into the Article and subsection by reference.

- B. Maximum Accrual: Employees shall not accumulate more than 600 hours of annual leave. It is the mutual responsibility of the employee and the department/agency head to insure that no employee shall exceed the maximum accrual.

## ARTICLE 32 HUMAN SERVICES AGENCY WORKLOAD STANDARDS

The parties intend to build on the body of work accomplished by the Committee formed under the following provisions originally incorporated in the 2013-2016 MOA. Recognizing and truly valuing the work done by all then participating employees/members, the parties agree to reconvene the Workload Committee Forum as it existed in October 2015. In this regard, and to the extent legitimately possible (given that some who previously participated in that endeavor are no longer employed by HSA or Local 721 OR simply no longer desire to participate), those who participated in the initial Committee will be invited to again participate, and if there are vacancies, those vacancies shall be filled in accord with the language of this Article. Specifically:

- Should each so desire, the previous co-chairs will again serve as co-chairs;
- The Committee will:
  - confirm the remaining work left unfinished or inadequately addressed by the previous Committee; and,
  - develop the agenda and timeline to address and finish the balance of work remaining without, to the extent legitimately possible, revisiting workload standards or areas of discussion from past sessions other than to recognize the CDS and AFS standards that are still in need completion;

The parties agree that an initial kickoff meeting (within 60 days of BoS approval of the 2016-2019 MOA) will be held to ensure all participants ("hold-overs" and new) are brought back up-to-speed. Notwithstanding the deadline established in Section "F" immediately below, the parties agree that the work related to this Article will be finished, and the Committee will be formally dissolved, no later than one hundred and eighty-three (183) days after the initial "kickoff" meeting unless there is mutual agreement to extend that one hundred and eighty-three (183) day deadline.

- A. The Human Service Agency (HSA) and SEIU Local 721 (herein after referred to as the Parties) will continue the work of the Workload Committee forum, the prime focus being the sharing of ideas and input that positively impacts

workload relief through standardization, work simplification, and other best practices. The Committee forum is intended to be an interactive and collaborative forum whereby shared input will assist in the formulation of work standards for HSA's programmatic functions that support eligibility determination/ongoing management, and employment services and social work case management. Key variables impacting workload standards that will be taken into consideration in this forum will be federal and state mandates for performance, regulatory change, funding restraints, technological advances, and service delivery demands

Within the parameters of geographical location, aid categories, and case assignment procedures, HSA will endeavor to distribute the workload equitably among employees. No worker will be required to carry a caseload more than ten percent (10%) in excess of the average caseload. When a caseload of a worker is in excess of such a maximum at cutoff, the County will adjust the worker's caseload within thirty (30) days. CSSW IV's and Client Benefit Specialists performing the lead worker function in their respective units shall be assigned a caseload at least 5% below the standard. It will be the policy of the County to provide equitable distribution of caseloads within the unit. Where possible, non-English speaking cases shall be assigned to bilingual workers. In the event HSA is considering performance related discipline on any employee that carries a caseload, HSA will take into account the number of cases assigned to that employee.

- B. The current Human Services Agency workload/caseload standards are obsolete, based upon programs that no longer exist or that have changed over time. As has been the intent to define more relevant and equitable standards, it is recognized that with present uncertainties for social service funding and program design, it is not optimal to establish standards that will be irrelevant in the short term. The County continues to work toward realistic workload standards that best represent the work that is expected by each stakeholder.
- C. The Parties agree that the most effective approach in providing for efficient workload management is to look at how the actual work and job functions are designed. The Parties also agree to work towards solutions that utilize function based work models, case file management, customer interface, self-sufficiency development, creation of professional worker-client relations, and use of technology to enhance service delivery, with the goal of meeting the needs of Ventura County residents.
- D. The Parties agree to participate in open forums with a mutually agreed upon number of up to three (3) SEIU-represented HSA employees from each of the four (4) programs (AFS, BESD, CFS and TAD). The purpose of the forum will be for the Parties to discuss and provide information regarding the implementation of any changes to the service delivery model that impact workload, but not on a meet and confer basis. The parties recognize that the

success of the forum is based on active participation by all forum members. Therefore, forum members commit to fostering trust and communication between the parties by respecting and valuing all views equally. The forum meetings may take place monthly, and or at the request of either party. Additional work hours will be authorized for SEIU represented employees to complete regular work assignments as a result of hours served on assignments/meetings for forum and/or sub-committees.

- E. The sub-committees from each HSA department and key classifications shall be created of equal appointments of management and SEIU HSA workers to develop recommendations and priorities of how work is done and defining realistic numbers/workload standards. These committees will meet for at least two sessions, or longer if mutually agreed to by members. All recommendations shall be brought back to the general workload forum for finalization and implementation. Sub-committees do not have authority to finalize and implement recommendations prior to discussion and agreement at general forum.
- F. The key focus of the workload forum is to define reasonable and equitable workload standards. Timeliness in defining workload standards is essential to managing the day to day operations and employee performance. Thus, the workload forum agrees to establish a timeline of June 30, 2014 for completion of the initial workload standards for all AFS, BESD, CFS and TAD programs. It is recognized that during this time that management will still be required to manage employee performance; in the absence of agreed upon standards, and with consideration given regarding the complexity of cases, the Agency will use workload averages as a way to manage employee performance.
- G. Upon the development of the workload standards for all four program areas, as referenced in paragraph F above, the workload forum will continue to meet once quarterly (or more frequently if warranted) to address any changes to workload standards that might impact pre-defined workload standards.
- H. In the event of federal or state mandates that may impact delivery of services to the public, either party may re-open this article with 30-days written notice.

### ARTICLE 33 FULL UNDERSTANDING, MODIFICATION WAIVER

- A. This MOA sets forth the full and entire understanding of the parties regarding the matters set forth herein and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

- B. It is the intent of the parties that this MOA be administered in its entirety in good faith during its full term. It is recognized that during such term, it may be necessary for Management to make changes in rules or procedures affecting the employees in the various units. Where Management finds it necessary to make such change, it shall notify Local 721 indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions in the unit(s), where the subject matter of the change is subject to negotiations pursuant to the Meyers-Milius-Brown Act and where Local 721 requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the unit.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify Local 721 of such changes as soon as practicable. Emergency is defined as an unforeseen circumstance affecting life or property requiring immediate implementation of the change.

Where Management makes any changes in working conditions because of the requirements of federal or state law, the County/APCD shall not be required to renegotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

- C. Except as specifically provided herein, it is agreed and understood that each party voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations during the term of the MOA.
- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by the County's/APCD's Board.
- E. The waiver of any breach, term or condition of this MOA by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

#### ARTICLE 34 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this MOA:

- A. Management's principal authorized agent shall be the Assistant County Executive Officer - HR or his/her duly authorized representative.
- B. Local 721's principal authorized agent shall be the President or his/her duly authorized representative.

## ARTICLE 35 PROVISIONS OF LAW

It is understood and agreed that this MOA is subject to all current and future applicable federal, state, and County laws and regulations. If any part or provision of this MOA is in conflict or inconsistent with such applicable provisions of federal, state or County laws, rules and regulations or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this MOA shall not be affected thereby.

## ARTICLE 36 HCA OPTIMUM CENSUS STAFFING

- A. Purpose: To provide procedures which govern the employment and compensation of HCA employees needed to provide staffing where the workload fluctuates due to changes in patient census. It is the intent that use of Optimum Census Employees (hereinafter "OCEs) shall lessen the need for use of extra help and/or intermittent workers (as defined in Sections 230 and 234, respectively, in the Ventura County Personnel Rules and Regulations) in Local 721's bargaining units at the HCA.
- B. Limitations:
  - 1. No more than 40% of the employees employed in any classification covered by this MOA at the HCA may be employed as an OCE.
  - 2. OCEs may only be employed from eligible lists established through a competitive process.
  - 3. No OCE may fill a regular classified position for more than ten (10) calendar days.
- C. Classification of OCEs: The HCA Director may employ these employees in any classification within the department or agency budget, but under no

circumstances may the number of OCEs exceed 40% of the allocated positions in any classification.

D. Merit Increases: OCEs are not eligible for merit increases.

E. Hourly rate of pay/salary and Benefits:

1. OCEs shall be compensated at any point on the pay/salary range for the classification in which the employee is appointed.
2. OCEs shall not be guaranteed any number of hours of work per biweekly pay period.
3. OCEs shall be provided with the VCMC Health Insurance Plan and shall not be eligible for flexible credit allowances.
4. If there is not sufficient work for OCEs, they may be sent home on vacation, compensatory time, or leave without pay.
5. Sick leave for OCEs shall be earned at the rate of .01925 per hour of sick leave with pay for each hour of compensation. The maximum accumulations shall be eight hundred (800) hours.
6. Vacation credits for OCEs shall be earned at the rate of .01923 per hour with pay for each hour of compensation to be compensated per year to maximum of forty (40) hours. The maximum accumulations shall be four hundred (400) hours.
7. Work on Holidays: OCS employees eligible for overtime who are required to work on a paid assigned holiday shall be paid in cash at one and one-half (1.5) their regular rate of pay for hours actually worked between the hours of 12:01 a.m. and 12:00 midnight of the holiday, in addition to receiving straight time payment for said holidays. Such straight time pay shall not exceed the number of hours usually scheduled on that day, and shall in no case exceed twelve (12) hours.

Any such employee whose regularly scheduled day off falls on a paid assigned holiday, shall be credited with vacation leave (or annual leave where applicable) hours equivalent to the employee's standard daily work schedule, but credit shall in no case exceed twelve (12) hour.

8. Retirement: OCEs scheduled to work less than 64 hours per pay period will not be in the County retirement system, and will be covered by Safe Harbor. OCEs scheduled to work 64 hours or more per pay period will be in the County system, but will not receive a retirement pick-up. Once OCEs are in the County system, they will not be able to get out of it even if their work schedules are officially reduced.
  9. OCEs shall receive evening and night shift differential premium pay in accordance with Section 603A, 604, 605, and 606.
  10. The provisions of Section 520 shall apply to OCEs who are promoted or transitioned to any classification in a regular employment status.
- F. Layoffs: In the event of a reduction in force OCEs shall be laid off on a classification by classification basis after extra help employees and before Per Diem employees.
- G. Transition to Regular Full-Time Employment: In the event of a vacancy in a regular full-time position in a particular classification, all OCEs in that classification shall be certified to the appointing authority for interview. The appointing authority shall appoint one of those OCEs to fill the vacancy unless there is specific written justification to reject each and every certified OCE.
- H. Failure to Accept Work: If an OCE refuses a request to work when called by the appointing authority three (3) consecutive times or five (5) or more times in a fiscal year, that employee shall be terminated.
- I. Grievances and Disciplinary Appeals: Grievances and disciplinary appeals of OCEs will be submitted to mediation for final disposition.
- J. OCEs shall be required to pay Union representational service fees at the rate of 1/80th of the normal Union fees for each hour compensated in a pay period, not to exceed eighty (80) hours.
- K. The County and SEIU have agreed to form an Extra Help/Optimum Census Staffing Oversight Committee as described in Appendix C.

ARTICLE 37  
PER-DIEM POOL EMPLOYEES

A. Definition: Employees hired in per-diem pool classifications (formally known as "Limited Benefit Employees") shall be considered regular employees as defined in Section 251 of the Ventura County Personnel Rules and Regulations.

B. Limitations:

1. Per-diem pool classifications are limited to those identified as such in the County's Classification and Hourly rate of pay/salary listing or as approved in the future by the County's Board.
2. Per-diem pool employees shall only be entitled to receive the benefits, premiums, hourly rate of pay/salary, or other compensation elements referenced in Subsection (C), below.

The provisions of Section 511 of this MOA shall not apply to supervisory and subordinate organizational relationships with per-diem pool classifications

C. Hourly rate of Pay/Salary and Benefits:

1. Wage Rates: Base wages for per-diem pool employees were set at a flat rate by the Director of Human Resources on or before July 29, 2005. The Director-Human Resources may adjust the wage rate plus or minus ten percent (10%) as necessary to meet market demands.
  - a. The flat rate will be adjusted to meet the median range of the most recent Hospital Association of Southern California (HASC) compensation survey for the respective job classification effective the first pay period in January each year during the term of this agreement. In addition, effective the first pay period in July 2007, the flat rate will be adjusted to meet the median range of the 2006 HASC compensation survey. For classifications with more than one level (i.e. Certified Phlebotomist I, II, III – PDP) the same ratio between levels as the current classifications will be maintained based on the movement of the primary surveyed classification if the survey only has one per-diem listing for a classification type.

- b. If the annual HASC survey has not been released at the time the flat rate adjustments are due or does not provide the per-diem classifications to match the County classifications then a parity study will be performed by County Human Resources utilizing local hospital per-diem compensation data.
2. Retirement: Per diem pool employees scheduled to work less than sixty-four (64) hours per pay period will not be in the County retirement system, and will be covered by Safe Harbor. Per-diem pool employees scheduled to work 64 hours or more per pay period will be in the County system, but will not receive a retirement pick-up. Once per-diem pool employees are in the County system, they will not be able to leave it even if their work schedules are officially reduced.
3. State Disability Insurance (SDI): The parties agree that per-diem pool employees may hold an election for the purposes of participating in SDI. Per-diem pool employees shall pay all costs of SDI coverage.
4. Work Hours: Per-diem pool employees shall not be guaranteed any specific number of hours during any biweekly pay period.
5. Holidays: Per Diem pool employees will be paid at the overtime rate of 1.5 for hours worked on two major holidays per year. Major holidays are defined as Thanksgiving Day, Christmas Day and New Years Day.
6. Call-Offs: Per-diem pool employees may be sent home if there is not sufficient work to be performed during any assigned shift.
7. Shift Differential: Per-diem pool employees shall be eligible to receive shift differential in accordance with Article 6, Sections 603A, 604A and B, or 605. Per-diem employees shall only receive one form of shift differential per shift.
8. Standby: Notwithstanding any other provision of this Agreement, a Per Diem Pool employee who is placed on formal standby duty shall be compensated for actual time on call at one-quarter (1/4) of his/her regular hourly rate of pay/salary or at minimum wage, whichever is greater. A Per Diem Pool employee who is called back to work, whether or not from formal standby, at the Ventura County Medical

Center, including Santa Paula Hospital, shall be paid one and one-half times his/her hourly wage for time worked as a result of the callback to duty when funds for such purposes have been specifically appropriated by the Board after specific inclusion in the department/agency budget. In no instance shall a callback to duty be considered as less than two hours for pay purposes. No employee shall be paid for call back time and standby simultaneously. All employees excluded from the overtime provisions of the Agreement are also excluded from the provisions of this subpart.

- D. Failure to Accept Work: If a per-diem pool employee refuses a request to work when called by the appointing authority three (3) consecutive times or five (5) times in a fiscal year, that employee shall be terminated.
- E. Grievance and Disciplinary Appeals: Grievances and disciplinary appeals will be submitted to mediation for final disposition.
- F. Union Dues: Per-diem pool employees shall be required to pay Union representational service fees at the rate of 1/80<sup>th</sup> of the normal Union fees for each hour compensated in a pay period, not to exceed eighty (80) hours.
- G. Layoffs: In the event of a reduction in force, Per-diem pool employees within each department/agency shall be laid off on a classification-by-classification basis in reverse order of the employee's seniority. If two (2) or more employees have identical seniority status, then such employee(s) shall be laid off in the order determined by the appointing authority.

Whenever a department/agency head believes that the best interest of the County requires the retention of an employee with special qualifications, skills, abilities or fitness for his /her position, the department/agency head may prepare a written request to the Director-Human Resources to grant an exception to the order of layoff. Subsequent to conducting a review of the request, the Director-Human Resources shall forward the request, together with his /her recommendation, to the County Executive Officer for final action.

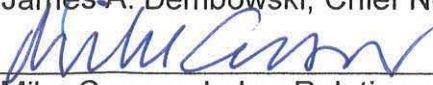

- H. Transition to Regular Full-Time Employment: In the event a vacant, regular full-time allocation is to be filled with an individual in a classification in which per diem status employees are already employed, then in addition to any other individuals certified to the Appointing Authority as per Article 8 (Certification) of the County

Personnel Rules and Regulations (PR&Rs), any such active Per Diem status employee shall also be so certified. The certification, relative consideration, appointment, and notice to each (all) certified eligible(s) shall be done in accord with Articles 7 (Eligible Lists) & 8 (Certification) of the PR&Rs.

## EXHIBIT 1

### Understanding and Agreement between SEIU Local 721 and The County of Ventura regarding The 2014-2016 Fiscal Study

Since March 2016, representatives of County Human Resources and SEIU Local 721 have had ongoing discussions SEIU regarding the potential impact(s) of the 2014 -2016 Fiscal Study on SEIU's members. Those discussions have led to the following understandings and agreement as to how to best mitigate the impacts of applying those recommendations on SEIU's members. They are as follows:

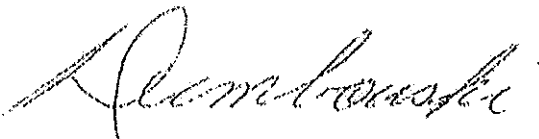

- 1) The County will "flexibly staff" positions within the I/II levels of each class series (employees may be hired at the entry or journey level depending on applicant qualifications and staffing needs). After gaining the experience and knowledge necessary to perform the full range of journey-level tasks and fulfilling any special requirements for the journey level, an employee hired at the entry level can expect to progress to the journey level without going through a competitive recruitment process. However, "flexible staffing" will not extend to the Senior and higher levels in a class series; a competitive examination and selection process will be required to promote to such higher levels.
- 2) Those positions/incumbents recommended to be reclassified to a position in the new class structure with a higher or equal salary range maximum will be reclassified, effective November 20, 2016, into the new class structure.
- 3) Those incumbents reclassified into positions in the new class structure with a higher maximum salary range will receive a pay increase upon reclass in accord with Section 912.C of the County Personnel Rules and Regulations, (the minimum rate of the new salary range or 5%, whichever is greater). However, the pay for such employees cannot exceed the maximum pay rate for his/her new class.
- 4) Incumbents reclassified as part of the Fiscal Study shall not serve a probationary period. However, such individuals shall be neither eligible for, nor receive, a 5% merit increase after 1,040 hours worked in the new class. Instead, eligibility for a merit increase will first arise only after working 2,080 meritorious hours in the new class. Thereafter, eligibility for merit increases within the pay range will occur on a 2,080 meritorious hours worked (exclusive of overtime) cycle.
- 5) Incumbents recommended for reclassification who are scheduled to receive a merit increase based on an evaluation of performance as per Articles 5 & 19 of the Current SEIU 721 MOA between November 15, 2016 and December 17, 2016, shall have their reclassification postponed until the pay-period after receipt of their evaluation and, if appropriate, receipt of their merit increase.

- 6) Incumbents recommended to be reclassified to a position in the new class structure with a lower maximum pay range will instead remain in their current job class, which shall be designated as a "terminal" job class. These incumbents will maintain their current salary level and will not be "Y-rated".
- 7) None of the class changes occurring due to implementation of this study will result in a negative pay impact on/to incumbents (no incumbent will lose educational incentive pay currently paid him/her and no incumbent will be Y-rated).
- 8) Vacant positions will be reclassified within the new class structure, and once an incumbent holding a "legacy" class vacates his/her present position, the vacant position will be reclassified to the new recommended class. "Legacy" classes will be deleted from the class plan once there are no incumbents in them.
- 9) The new classes will transition into the benchmarking structure in the event of future market-based surveys and adjustments. The current Accounting Officer III benchmark will become the new, journey-level Accountant II. Terminal classes will be linked to the new benchmark as long as there are incumbents in them; the new fiscal classes will also be linked to the new Accountant II benchmark.
- 10) All new and/or legacy classes addressed by this Fiscal Study and all employees therein, will be eligible for any/all general salary increase(s) given the 721 unit and, dependent on the outcome of any benchmark survey, any increase allotted through the comparative benchmarking process.
- 11) Employees who feel they were improperly classified due to this survey will be able to avail themselves of the Human Resource Department's Request for Re-classification Study process by submission of a "Position Description Questionnaire" (PDQ) six (6) months after implementation of the Study (May 20, 2017).

The parties further understand and agree that other than as specifically provided herein, all other terms/provisions of the current Memorandum of Agreement between them are to be considered as, and in fact are, unaffected by this Understanding and Agreement.

## **RECITALS**

A. The County and SEIU have entered into a labor agreement entitled Memorandum of Agreement between the County of Ventura and the Service Employees International Union (Local 998) 1996-1998 ("MOA"). The MOA applies only to persons employed in the classifications within the bargaining units identified in Article 3 of the MOA. The MOA does not apply to, and SEIU does not represent, extra help, intermittent, per diem or student workers.

B. The County and SEIU are currently in negotiations over a successor agreement to the MOA. The parties anticipate that the successor agreement will be completed and approved by the Board of Supervisors of the County ("Board") at the same time as this Amendment.

C. The parties desire to amend the MOA and the successor agreement in accordance with the terms of this Amendment. To that end, pursuant to the terms herein, this Amendment shall become a part of the MOA and its successor agreement and shall be attached thereto in the form of an appendix.

These forms shall include for following:

- a. Name, department and classification of employee.

4. SEIU hereby approves of these forms in the form attached hereto as Exhibit 1 and incorporated herein.
5. With respect to the list of extra help, intermittent, per diem or student workers attached hereto as Exhibit 2 and incorporated herein, the County agrees that, within forty-five calendar days of the execution of this Agreement, it shall do one of the following:

  - 3) Hire the worker as a full time, regular employee.
6. Upon request of either party, the Extra Help/Optimum Census Staffing Oversight Committee shall meet as soon as practical to review questions or concerns regarding compliance with Article 11 of the Personnel Rules and Section 609 of the MOA.
7. If during or following a meeting called pursuant to section 6 above, SEIU does not agree that the County is appropriately using any individual(s) as extra help, per diem, intermittent or student worker, the County agrees to attempt to resolve the matter by submitting the matter to non-binding mediation conducted by a mediator from the State Conciliation Service. The mediator shall have no authority to resolve this dispute except by mutual agreement of SEIU and County. Each party shall bear their own costs and attorney fees incurred in this process, if any. **Side Letter Agreement  
between  
The County of Ventura  
and  
The Service Employees International Union – Local 721**

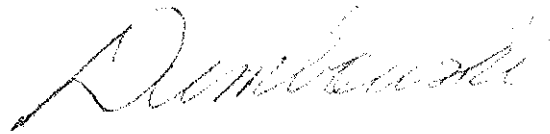

During the 2016 negotiations between the above-mentioned parties, certain classifications were removed and/or their titles were changed in a mutual effort to "clean-up" specific MOA provisions. This effort was marked by a jointly agreed-upon, good faith effort to ensure no individual/classification was to either gain or lose the benefit described in the subject provision(s). The parties agree that should any bargaining unit member lose or gain eligibility for any subject benefit as a result of what was agreed to be a "no-win, no-lose" endeavor, then upon discovery of that windfall or loss, the benefits will be paid back to the employer (at the rate at which they were improperly received by the employee) or, as may be the case, the employee be immediately made "whole" as if the classification removal/change had not occurred.
