

PROVIDER SEARCH

As a VCHCP member, you are required to select a Primary Care Physician (PCP).

You have the right to select your own PCP, but he/she must be within VCHCP's network. If you do not choose a PCP one will be assigned to you; however, keep in mind that **you may change your PCP at any time** by contacting Member Services at (805) 981-5050 or (800) 600-8247.

The most efficient way of finding a provider is by utilizing our online Provider Search Engine! The Search Engine can be found on our website at www.vchealthcareplan.org via the "Find a Provider" link. It is updated on a weekly basis thus providing the most accurate information available.

The online search engine can be used to locate PCPs and Specialists within the VCHCP network.
