### **County Hosts Virtual Community Meeting to Discuss Housing Element Update**

VENTURA, Calif. – On Wednesday, August 26, 2020, the County of Ventura Planning Division will conduct a virtual community meeting to discuss the 2021-2029 County of Ventura Housing Element update. The Housing Element is a planning document that identifies the housing conditions and needs and establishes goals, policies and programs that will be the foundation for the County's housing strategy for unincorporated areas through 2029.

The virtual meeting will begin at 5:00 p.m. and will include the option of live Spanish translation. Meeting participants can join by desktop, tablet, or phone. For those that cannot attend, the meeting will be recorded and posted on the project website at <https://vcrma.org/housing-element-update>. Registration links and additional Housing Element related resources are available on the project website.
