Civil Grand Jury in Session - Public Complaints Welcome

The Ventura County Civil Grand Jury is a panel of 19 local citizen volunteers established to investigate complaints about government mismanagement, verify that public funds are properly accounted for and legally spent, and investigate the policies, practices and processes of county or city departments in order to improve the efficiencies and effectiveness of our government.

Civil Grand Jury investigations can be generated from public complaints. If you have a complaint about county government, cities and special districts (school and water districts, etc.), you are encouraged to file a complaint any time. All complaints are kept confidential.

Complaint forms in English or Spanish may be downloaded from the Grand Jury website <http://grandjury.countyofventura.org> and submitted by fax to (805) 658-4523, or you can also mail your written complaint to this address:
