\$70 Property Tax Break Available for Qualified Homeowners

Ventura, California – Over 52,000 Ventura County homeowners may have an extra \$70 in their pocket this year, just by filling out a simple form. This week, the Ventura County Assessor mailed Homeowners' Exemption Claim Forms to over 52,000 homeowners that likely qualify for this property tax break.

The Assessor typically mails a Homeowners' Exemption Claim to new owners. However, in the busy paperwork shuffle of buying a new home, many property owners miss out on this valuable opportunity. In an effort to maximize property tax savings, the Assessor periodically reaches out to potentially eligible homeowners.

The California Constitution provides for the exemption of \$7,000 in assessed value from the property tax assessment of any property owned and occupied as the owner's principal place of residence. The exemption reduces the annual property tax bill for a qualified homeowner by up to \$70.

In order to receive the full benefit of the exemption, eligible property owners must file their claim form by February 15. Qualified Claim forms filed after February 15, 2022 but on or before December 10, 2022 will receive a \$5,600 exemption for 2022. Once qualified, the exemption continues until the homeowner transfers the property or no longer occupies the property as their primary residence.

To find out more information or to see if you qualify, please contact the Assessor's Office at (805) 654-2181 or by email at assessor.info@ventura.org. Staff is also available in person on Monday, Wednesday and Friday from 8:00 A.M. until 5:00 PM at 800 S. Victoria Avenue, Ventura.
