NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

You and Your mean an employee who is insured under the Group Policy for the insurance described in this certificate.

DEFINITIONS (continued)

Disability or **Disabled** means that as a result of Sickness or injury You are either Totally Disabled or Partially Disabled.

Totally Disabled or **Total Disability** means:

During the Elimination Period and the next 24 months, You are unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue Your Usual Occupation in the usual and customary way.

After such period, You are not able to engage with reasonable continuity in any occupation in which You could reasonably be expected to perform satisfactorily in light of Your:

- age;
- education;
- training;
- experience;
- station in life; and
- physical and mental capacity

that exists within any of the following locations:

- a reasonable distance or travel time from Your residence in light of the commuting practices of Your community;
- a distance of travel time equivalent to the distance or travel time You traveled to work before becoming disabled; or
- the regional labor market, if You reside or resided prior to becoming disabled in a metropolitan area.

Partially Disabled or **Partial Disability** means while actually working in an occupation, You are unable to earn 80% or more of Your Predisability Earnings.

If You are Partially Disabled and have received a Monthly Benefit for 12 months, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Partially Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times
- the annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit.**

For purposes of determining whether a Disability is the direct result of an injury, the Disability must have occurred within 90 days of the injury and not as a result of Sickness.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

DEFINITIONS (continued)

Substantial and Material Acts means the important tasks, functions and operations generally required by employers from those engaged in Your Usual Occupation that cannot be reasonably omitted or modified. In determining what substantial and material acts are necessary to pursue Your Usual Occupation, We will first look at the specific duties required by Your job. If You are unable to perform one or more of these duties with reasonable continuity, We will then determine whether those duties are customarily required of other employees engaged in Your Usual Occupation. If any specific, material duties required of You by Your job differ from the material duties customarily required of other employees engaged in Your Usual Occupation, then We will not consider those duties in determining what substantial and material acts are necessary to pursue Your Usual Occupation.

Usual Occupation means any employment, business, trade or profession and the Substantial and Material Acts of the occupation You were regularly performing for the employer when the Disability began. Usual Occupation is not necessarily limited to the specific job that You performed for the employer.

If You become insured again as described in either item 1 or 2 above, the limitation for Pre-existing Conditions will be applied as if Your insurance had remained in effect with no interruption.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance replaces a plan of group disability income insurance provided to You by the Policyholder:

Prior Plan means the plan of group disability income insurance provided to You by the Policyholder through another carrier on the day before the Replacement Date.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are not Actively at Work on such date because you are Disabled**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.

We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

Benefit payments for such Disability will end on the earliest of:

- the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
- the date that payments would have ended under the provisions of the Prior Plan of Insurance.
- **If You are not Actively at Work on such date for any other reason**, You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work.

Rules for When Insurance Takes Effect if You were Not Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

Rules for Pre-existing Conditions

In determining whether a Disability is due to a Pre-existing Condition, We will credit You for any time You were insured under the Prior Plan. If Your Disability is due to a Pre-existing Condition as described in this certificate, but would not have been due to a pre-existing condition under the Prior Plan, We will pay a benefit equal to the lesser of:

- the benefit amount under this certificate; or
- the disability income insurance benefit that would have been payable to You under the Prior Plan.

If Your Disability would have been due to a pre-existing condition under the Prior Plan, it will be treated as having been caused by a Pre-existing Condition under this certificate.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan (“Prior Plan’s disability”);
- returned to work as an active Full-Time employee prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan’s disability;

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

AT YOUR OPTION: CONTINUATION OF YOUR DISABILITY INCOME INSURANCE DURING A LABOR DISPUTE

You may elect to continue Your Disability Income Insurance if You cease to be Actively at Work as the result of a labor dispute. Your Disability Income Insurance will continue for up to 6 months if the following conditions are met:

- at least 75% of the Employees eligible to continue their Disability Income Insurance elect to continue this insurance for such time period; and
- You pay the required premium for Your Disability Income Insurance.

If continued, Your Disability Income Insurance will end if:

- Premium payment is required and You fail to pay premiums for such insurance;
- the number of Employees who elect to continue such insurance falls below 75% of all employees eligible to continue this insurance for such time period; or
- You cease to be eligible to continue Your Disability Income Insurance under this section and You do not immediately resume Active Work in a class that is eligible for Disability Income Insurance.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to injury or sickness, up to 3 months;
2. for the period You cease Active Work in an eligible class due to any other Policyholder approved leave of absence up to 1 month.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

EVIDENCE OF INSURABILITY

No evidence of insurability is required for the insurance described in this certificate.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Monthly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews or functional capacity exams, as needed.

While You are Disabled, the Monthly Benefit described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Monthly Benefit one month after the date benefits begin to accrue. We will make subsequent payments monthly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each month and will be pro-rated for any partial month of Disability.

We will pay Monthly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

RECOVERY FROM A DISABILITY

If You return to Active Work, We will consider You to have recovered from Your Disability.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group long term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period for a period of 5 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 5 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after completing Your Elimination Period for a period of 180 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

If You return to Active Work for a period of more than 180 days and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work includes all of the continuous days which follow Your return to work for which You are not Disabled.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)

REHABILITATION INCENTIVES

Work Incentive

While You are Disabled, We encourage You to work. If You work while You are Disabled and receiving Monthly Benefits, Your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Monthly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Monthly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Monthly Benefit will not apply.

Limit on Work Incentive

After the first 24 months following your return to work, We will reduce Your Monthly Benefit by 50% of the amount You earn from working while Disabled.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to \$400 for monthly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
 - living with You as part of Your household;
 - dependent on You for support; and
 - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

- care to Your family member who is:
 - living with You as part of Your household;
 - chiefly dependent on You for support; and
 - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a monthly basis starting with the first Monthly Benefit payment until You have received 24 Monthly Benefit Payments. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income that was actually paid to You for the same disability for which You are claiming benefits under this certificate. Other Income includes the following:

1. any disability benefits for You, Your Spouse or child(ren) under:
 - Federal Social Security Act;
 - Canadian Pension Plan;
 - Quebec Pension Plan;
 - Railroad Retirement Act; or
 - any similar plan or act;
2. temporary disability benefits under a workers' compensation law;

 - Canadian Pension Plan;
 - Quebec Pension Plan;
 - Railroad Retirement Act;
 - the Policyholder's Retirement Plan; or

6. third party liability payments by judgment, settlement or otherwise (minus attorneys' fees);
7. sick pay;
8. amounts from compromise or settlement of any claim for any of the Other Income sources shown in this provision (minus attorneys' fees);
9. any salary continuation; and/or
10. return to work earnings as set forth in the Work Incentive and Limit on Work Incentive sub-provisions, in the REHABILITATION INCENTIVES provision.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

REDUCING YOUR DISABILITY BENEFIT BY AN ESTIMATED BENEFIT

If We have a reasonable, good faith belief that You are entitled to disability benefits under the following sources of Other Income, You must apply for such benefits:

- Federal Social Security Act (Primary and/or Family Benefits); and/or
- any state compulsory/statutory benefit law.

To apply for the Other Income benefits referenced above means to pursue such benefits with reasonable diligence until You receive the respective approval from the Social Security Administration and/or the appropriate state agency.

You must send Us Proof that You have applied for such benefits. If Your application for such benefits is approved, We will reduce Your Disability benefit by the amount actually paid to You from such source(s).

If You fail to:

- apply for any of the above referenced Other Income benefits; and
- pursue such benefits with reasonable diligence, and

if there is a reasonable means of estimating the amount of such benefits payable to You, We will reduce the amount of Your Disability benefit by the amount of such benefits We estimate that You, Your Spouse or child(ren) are eligible to receive because of Your Disability. We will start to do so with the first Disability benefit payment coincident with the date You were eligible to receive such benefits unless We have received:

- Proof that You have applied for and are pursuing such benefits with reasonable diligence;
- approval of Your claim for such benefits; or
- a notice of denial of such benefits.

When You do receive approval or notice of final denial of the above referenced Other Income benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability Benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS or by any Other Income that is not shown in Income Which Will Reduce Your Disability Benefit.

- the date You cease or refuse to participate in a Rehabilitation Program that We require;
- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: ACCIDENTAL DISMEMBERMENT AND LOSS OF SIGHT

If You sustain an accidental injury while insured, and the injury is the Direct and Sole Cause of a Covered Loss, Proof of the accidental injury and Covered Loss must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Accidental Dismemberment and Loss of Sight benefit.

You will not have to complete an Elimination Period to receive this benefit.

We will pay this benefit in addition to any Disability benefit payments You may be receiving under this certificate.

Covered Loss means:

- for loss of a hand or foot, complete and permanent severance at or above the wrist or ankle joint;

- for loss of thumb and index finger of same hand, the thumb and index finger are permanently severed through or above the third joint from the tip of the index finger and the second joint from the tip of the thumb.

Direct and Sole Cause means that the Covered Loss occurs within 100 days of the date of the accidental injury and was a direct result of the accidental injury, independent of other causes.

We will limit the number of benefit payments for all Covered Losses suffered as a result of any one accidental injury to the Covered Loss that provides for the greatest number of benefit payments listed in the above table.

We will begin to make payments one month after We receive Proof of the accidental injury and Covered Loss.

We will pay this benefit to You if You are living. We will make any benefit payment due upon Your death as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: SINGLE SUM PAYMENT IN THE EVENT OF YOUR DEATH

If You die while You are Disabled and You were entitled to receive Monthly Benefits under this certificate, Proof of Your death must be sent to Us. When We receive such Proof, We will pay the benefit described in this section.

BENEFIT AMOUNT

The benefit will be equal to 3 times the lesser of:

- the Monthly Benefit You receive for the calendar month immediately preceding Your death;
- the Monthly Benefit You were entitled to receive for the month You die, if You die during the first month that Disability benefits are payable.

We will reduce the benefit amount by any overpayment We are entitled to recover.

FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR DISABILITY INSURANCE BENEFITS

When a claimant files an initial claim for Disability Income Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days after the end of the Elimination Period.

Notice of claim and Proof may also be given to Us by following the steps set forth below:

Step 1

A claimant may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 4

For Disability Income Insurance benefits, the claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible but, in no event, other than for lack of legal capacity, may Proof be given later than one year after the date it is otherwise required.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

Assignment

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

Disability Income Benefit Payments: Who We Will Pay

We will make any benefit payments during Your lifetime to You or Your legal representative. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving Beneficiary at Your death, We will pay any benefit that is or becomes due, according to the following order:

1. Your Spouse or Domestic Partner, if alive;
2. Your unmarried child(ren) under age 25; if there is no surviving Spouse or Domestic Partner; or
3. Your estate, if there is no such surviving child.

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Entire Contract

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Policyholder's application; and
3. any amendments and/or endorsements to the Group Policy.

Incontestability: Statements Made by You

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid Insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest Disability Insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

Misstatement of Age

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

- any other organization; or
- any person to or for whom payment was made.

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable, but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services

As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications/Accommodations

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

Social Security Assistance Program

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability. There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids Reduced Retirement Benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

SPECIAL SERVICES

4. Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

This is called a Social Security “freeze.” It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge
- c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d) A civil suit in Federal Court.

3. Social Security Attorneys

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney’s fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney’s fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Early Intervention Program

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

SPECIAL SERVICES

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).
6. Providing analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities. This program also includes modifications to help you perform your job or a similar job as required of your employer under the Americans with Disabilities Act (ADA). It also includes an on-site ergonomic evaluation of work conditions to assist you in returning to work. If MetLife agrees that job modifications are likely to help you remain at work or return to work we may also agree (with your consent) to reimburse your employer for the cost of such modifications up to an amount agreed to between MetLife and your employer.

Our assistance is offered at no cost to either you or your employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.
