Chapter 1

About This Handbook

We realize how important it is that you get the most out of your benefits and it is our goal to provide you with the necessary resources. The County of Ventura is pleased to offer eligible retirees insurance plans to protect against unexpected events and the high cost of health care expenses. The information presented in this Handbook is aimed at helping you determine which plans will best meet your individual and family needs.

This Handbook summarizes the benefits available to you and provides important information about eligibility and how to enroll.

■ *Eligibility*

You may be eligible for County-sponsored health coverage if you are a retired County employee or Surviving Spouse who receives a monthly pension check from the Ventura County Employees' Retirement Association (VCERA). Some plans require continuous coverage in a County-sponsored health plan without a lapse in coverage.

■ *Special Notice*

These are voluntary plans that are subject to periodic rate changes and benefit modifications.

If you experience a change that affects your eligibility or coverage, you need to complete and submit a Retiree Health Plan Enrollment and Change Form to the County of Ventura CEO/HR/Benefits office (contact information is listed on the back cover of this handbook). Enrollment and Change Forms are required if:

- ✓ You wish to change to a lower cost medical plan (if eligible for the plan)
- ✓ You are moving (or have moved) out of your current plan's service area
- ✓ You or a dependent has recently turned age 65, or has otherwise become Medicare-eligible
- ✓ Your dependent is no longer eligible
- ✓ You wish to cancel a health plan you are enrolled in

This Handbook is a Summary Only

This handbook is not a contract, but an outline of the coverage offered by the County-Sponsored medical, dental and vision plans that are offered to eligible retirees. The services to be provided shall be in accordance with agreements between the plan providers and the County of Ventura.

The Board of Supervisors of the County of Ventura reserves the right to amend, modify or terminate at any time the health plans in which it allows retirees to participate, including, but not limited to, the right to periodically adjust the rates of any or all plans made available to retirees. The amendment, modification, or termination of a health plan (or plans) shall not deprive any participating retiree of the right to payment for any covered expense which he or she incurred under the health plan prior to its amendment, modification or termination.

The Plans' Employer Group Agreement and/or Evidence of Coverage booklet should be consulted to determine the exact nature of the governing contractual provisions. The plan descriptions in this handbook are general in nature and cannot modify or affect the Plans in any way.

Chapter 2

Medical Plans: Non-Medicare Eligible

You may be eligible for Retiree County-sponsored medical coverage if you are a retired County employee or Surviving Spouse who receives a monthly pension check from the Ventura County Employees' Retirement Association (VCERA).

To be eligible to enroll, you must move directly into a Retiree Health Program medical plan, without a lapse in coverage, from enrollment in a medical plan as an active employee or COBRA participant.

Except under very limited circumstances, once your coverage has ended, you may not re-enroll unless an open enrollment or re-enrollment period occurs as some plans require continuous coverage in a County-sponsored health plan without a lapse in coverage.

Unless stated otherwise for that plan, ineligible dependents include your ex-spouse, parents, grandparents, grandchildren, brothers, sisters, nieces, nephews and non-relatives. Periodic documentation of eligibility may be required by your plan. No person can be covered as a retiree and as a dependent, or as a dependent of more than one retiree. Also, domestic partners and their dependents are not eligible for continuation of coverage (COBRA).

The retiree County-sponsored medical plans offered may vary in coverage and providers available to you. In selecting a plan, be sure to compare benefits, copayments, out-of-pocket expenses, and networks, as well as premiums. Depending on your family's needs, the "best" plan for you may not be the most expensive, or the least expensive plan. By studying the plan descriptions in the Comparison of Medical Plan Benefits Chart included in this chapter, and comparing the networks and premiums, you can determine which plan is best for you and your family.

See page 2-11 for a listing of qualified dependents for each plan.

■ *Types of Plans*

Health Maintenance Organization (HMO) - A HMO is a plan in which you choose a physician to act as your Primary Care Physician (PCP). This physician acts as the "coordinator" for all your health care.

Typically, when you need medical care, your first call is to your PCP. If you need a specialist, your PCP will refer you to one within the plan. For HMO plans, you will almost always be referred to a specialist within the PCP's medical group or Independent Practice Association (IPA). Should you choose to receive services without a referral or outside the plan's network of providers, you will not be entitled to coverage by the plan.

At the time you enroll, you must choose a PCP for yourself and each eligible dependent from the plan's panel. The panel includes general and family practitioners, internists and pediatricians. If you do not choose a PCP, one will be assigned to you. You may choose a different PCP for each member of your family, and you can change providers during the year by contacting the plan directly. If your PCP leaves the plan during the Plan Year, you must select a new PCP within the plan.

Preferred Provider Organization (PPO) - With a PPO plan, you do not need to select a PCP, or obtain a referral to see a specialist. Each time you need medical services, you choose whether to self-refer to a PPO provider and receive in-network benefits or a non-participating provider and receive out-of-network benefits. Please note that some services require pre-authorization, an example of this is a PET scan. Please refer to your plan document or contact the plan directly if you have any questions about specific coverage and preauthorization requirements, if any, that may apply when seeking services.

Some people prefer this type of plan because they have a doctor they have been seeing for years who is not in an HMO, they want access to specialists who do not participate in a HMO, or they do not like the provider and referral restrictions of a HMO.

When you self-refer to a non-network provider, you pay a co-insurance amount, plus any provider charges above the amount the plan pays for the services provided. Out-of-network reimbursements are based on 110% of the Medicare published rates. Depending on the billing practices of the non-network providers you select, you may have to pay for the services first, and then file a claim with the insurance company for reimbursement.

■ ***What Plans are Available?***

The County offers four non-Medicare medical plans to choose from:

- Ventura County Health Care Plan (HMO)
- BlueShield Trio HMO (ACO network)
- BlueShield Access+ HMO (full HMO network)
- BlueShield High-Deductible PPO (High Deductible Health Plan; HSA-compatible)

Regardless of which plan you select, once you enroll, the plan will mail ID cards and plan information directly to your home. It is critical to review your cards as soon as you receive them. If your card reflects an incorrect PCP, contact the specific plan directly to change and/or review your options.

❖ **Ventura County Health Care Plan (HMO)**

The Ventura County Health Care Plan (VCHCP) is a licensed HMO that arranges for the provision of cost-effective health care services for its members. As a member of VCHCP, you will select a Primary Care Physician (PCP) who will oversee your health care needs. Members may select different PCPs for themselves and each of their dependents. If specialty services are required, your PCP may need to submit a request for authorization to VCHCP for the required service.

There is no annual deductible to meet, and services are generally covered in full after any required copayment when accessing the Plan's primary facility, Ventura County Medical Center (VCMC)/Santa Paula Hospital, or an associated VCMC ambulatory care clinic. Services are also available, after any required copayment, from a variety of contracted community primary care and specialty care physicians, hospitals, and facilities.

Additional Plan benefits include, but are not limited to:

- Members have access to several contracted urgent care facilities located throughout the County of Ventura.
- Female members may self-refer for OB/GYN services by selecting a listed Direct Access OB/GYN in the Provider Directory

- Members may self-refer for an annual vision refraction exam, and for chiropractic and acupuncture services. (Reimbursement varies; for benefit details, see Comparison Chart in this chapter).

VCHCP's geographic service area is the County of Ventura. You must live in the service area at the time of enrollment to be eligible for coverage under VCHCP. You cannot enroll or continue enrollment as a Subscriber if you live in or move to a region outside the County of Ventura.

If you have an eligible dependent attending school or living in an area outside Ventura County, you must select a VCHCP PCP for that dependent, and the dependent must come to Ventura County for coverage of routine physical exams and medical services. Only emergency care services, urgent care services, and prescriptions are covered out of the Plan's service area.

If you are enrolled in this plan, you also have access to the following programs:

- Nurse Advice Line – Available to you and your family 24 hours per day, 7 days per week at no additional cost.
- TelaDoc – Doctor visits via telephone, web, or mobile app; available to you and your family 24 hours per day, 7 days per week at no additional cost.

❖ **BlueShield Trio HMO (ACO Network)**

BlueShield's Trio HMO offers a broad range of benefits and low out-of-pocket expenses. It uses BlueShield's Accountable Care Organizations (ACO), which are made up of a network of local doctors, specialists, and hospitals. Through coordination, care is delivered more efficiently, and this helps to lower premiums and improve the patient experience. You need to select a primary care physician, who is part of a medical group or IPA, who is responsible for the overall coordination of your care. ***Currently in Ventura County, the physicians who are considered in-network for this plan are those who are contracted with Sea View IPA (Independent Physician Association).***

With the Trio ACO HMO plan, you have access to a select network of medical groups and IPA's who are contracted with high-quality local physicians, specialists, and hospitals near your home and workplace. And, you can self-refer to a specialist within your personal physician's medical group/independent practice association (IPA). You will pay a slightly higher copayment. However, you can't self-refer to Physical Therapy, Occupational Therapy, Speech-Language Therapy, Dermatology, Allergist, Podiatry, Endoscopic procedures, Diagnostic and nuclear imaging including CT, MRI or bone density measurement.

❖ BlueShield Access+ HMO (full HMO network)

With the Access+ HMO plan, you have fixed copays for most services, no deductibles, and almost no claim forms. You need to select a primary care physician who is contracted with a medical group or IPA, who is responsible for the overall coordination of your care.

If your primary care physician participates in our Access+ SpecialistSM program, you may go directly to a specialist within your physician’s medical group or Independent Practice Association (IPA) without a referral. You will pay a slightly higher copayment. However, you can’t self-refer to Physical Therapy, Occupational Therapy, Speech-Language Therapy, Dermatology, Allergist, Podiatry, Endoscopic procedures, Diagnostic and nuclear imaging including CT, MRI or bone density measurement. Medical groups and IPAs that participate in the Access+ Specialist program are identified in BlueShield’s online directories.

❖ BlueShield High-Deductible PPO (High Deductible Health Plan; HSA-compatible)

BlueShield’s PPO offers greater flexibility in obtaining care. Each time care is needed, you decide where to receive treatment and who will provide it. You have the option of obtaining care from any BlueShield PPO network provider or any non-network provider, with your out-of-pocket expenses being less with a network provider.

This plan is a High Deductible Health Plan, and the deductibles are \$3,000 for employee-only coverage and \$6,000 for family coverage. Family coverage has an individual deductible within the family deductible. This means that the deductible will be met for an individual who meets the individual deductible prior to family meeting the family deductible within a calendar year. Please note that the deductible, which must be met before the plan benefits are payable, applies to **all** expenses (except preventative care).

Self-Referral to Network Provider:

You may seek care from any BlueShield PPO provider. For most in-network services, you pay 20% after deductible has been met.

To find providers within California, go to blueshieldca.com/pponetwork:

1. Select the provider type you are looking for.
2. Enter your location, then click Continue.

To find providers outside of California, go to provider.bcbs.com and enter XEA. Search for the type of provider you need.

Self-Referral to Any Non-Network Provider:

For most covered services received from a non-network provider, the plan pays 60% of an amount based on 110% of the Medicare published rates, and you pay the remainder, plus the annual deductible amount. You may be responsible for filing your own claims.

Most hospitals contract with BlueShield. In order to be covered, hospital admissions and surgeries require prior authorization.

If you are enrolled in this plan, you are also eligible to participate in a Health Savings Account (HSA). HSAs are individually-owned savings accounts, similar to an IRA or 401(k) retirement plan, except that funds are used to pay for health care costs. HSAs provide consumers with a tax-efficient method of saving and paying for qualified medical expenses. However, an account owner must not be enrolled in Medicare, claimed as a dependent on another's tax return, or enrolled in another health plan that is not a high deductible health plan.

If you are enrolled in this plan, you also have access to the following programs:

- BlueShield's Walkadoo Program – a fun, interactive program designed and proven to help increase your daily steps.
- Teladoc Program – Access to Teladoc's national network of U.S. board-certified physicians, licensed in California. Whenever you need care, Teladoc doctors are available 24/7 by phone or video.
- NurseHelp 24/7 – Registered nurses are available to answer your health questions at any time.

The Preferred Generic Program does not apply when the physician has specified “dispense as written” (DAW) or when it has been determined that the brand name drug is medically necessary for the member. In such case, the applicable copay for the dispensed drug will apply. Classified specialty drugs must be obtained through BlueShield’s Specialty Pharmacy Program and are subject to the terms of this program.

Chapter 3

Medical Plans: Medicare Eligible

**TO BE ELIGIBLE TO PARTICIPATE IN ANY MEDICARE-ELIGIBLE PLAN,
YOU MUST BE COVERED BY MEDICARE PARTS A AND B.**

The County offers its Medicare-eligible retirees and dependents medical plan coverage through the Aon Retiree Health Exchange. As a Medicare-eligible retiree or dependent, you have more options than ever before to get coverage that fits your health care needs, lifestyle, and budget. And with so many choices, you will find that Aon Retiree Health Exchange can help simplify the process and make it easier to decide what's right for you.

Aon's licensed Benefit Advisors have the expertise to help you understand your coverage options, compare benefits, and keep you on track to meet enrollment deadlines. With access to regional and national insurance companies in your area, Aon can help you select and enroll in a Medicare Advantage, Medicare Supplement, or Prescription Drug Plan.

For general questions, you may call the Aon Retiree Health Exchange at (877) 216-3706 (TTY 711), Monday through Friday, 6:00 a.m. to 6:00 p.m. Pacific Time.

To view available plans and rates, please visit our County of Ventura Aon Exchange website: retiree.aon.com/COV.

If you are Medicare-eligible upon retirement, an information packet will be mailed to you from the Aon Retiree Health Exchange once you notify County Benefits of your intended retirement date.

If you are a non-Medicare retiree or dependent enrolled in a non-Medicare County-sponsored medical plan, an information packet will be mailed to you from the Aon Retiree Health Exchange approximately 12 months before you turn 65.

This is a summary only. The Plan's Employer Group Agreement and/or Evidence of Coverage booklet should be consulted to determine the exact nature of governing contractual provisions. The plan descriptions in this Handbook are general in nature and cannot modify or affect the Plan in any way.

Chapter 4 Dental Plan Option

In considering whether you and your family should participate in a dental plan, you should keep the following in mind:

- Regular dental checkups have been proven to reduce the need for later extensive dental procedures.
- Studies have also shown that there is a link between your oral health and your overall general health. Specifically, good oral health has been associated with decreased risk of coronary heart disease and lower incidence of premature delivery of low birth weight babies.

What Plan is Available?

❖ MetLife Dental PPO

The MetLife Dental PPO Plan (PDP Plus) is a comprehensive dental plan. Each time care is needed, you decide where to receive treatment and who will provide it. You can go to any dentist you wish, change dentists at any time without pre-approval, and you do not need pre-approval to see a specialist.

Please note: If you choose a licensed dentist who does not participate in the PPO Dental network, your out-of-pocket expenses will be greater. You will be responsible for your annual deductible and for your portion of the Covered Expenses plus charges in excess of Covered Expenses. Covered Expense is either the customary and reasonable charge or the Maximum Allowable Fee Schedule for professional services, depending on your plan. Please see your Certificate of Insurance (Certificate) for details. You may also be asked to pay your portion of the bill at the time of service and submit claim forms for reimbursement.

MetLife Dental PPO is an electronic plan and does not require an ID card to obtain services therefore, an ID card will not be provided. Eligibility and benefit information are available on-line, including the ability to print an ID card: www.metlife.com/mybenefits. You may also call their customer service department at (800) 438-6388.

Providers

Any Dentist – With the MetLife Dental PPO plan, you do not need to sign up for a specific dentist. The services listed in the dental plan benefit chart are covered by MetLife when they are provided by a licensed dentist, if the services meet generally accepted dental practice standards for necessary and customary services.

MetLife Dentist – When you use one of the MetLife dentists in California, the dentist's fees have been pre-approved. The MetLife dentist bills MetLife directly, so you have no claim forms to complete, and are responsible only for your portion of the bill. For a MetLife dentist provider directory, you can call MetLife at (800) 438-6388, or find a dentist online at: www.metlife.com/mybenefits. When asked to select Network Type, select the “PDP Plus” option.

Covered Fees

After an annual deductible, the MetLife Dental PPO plan pays a percentage of the negotiated fee, up to the plan maximum benefit per person per year. If you select a non-contracting dentist, payment is made based on the fee actually charged or the customary and reasonable fee, which satisfies the majority of participating dentists, whichever is less. If the dentist charges a higher amount than the customary and reasonable amount, MetLife payment may cover a lower percentage of the dentist's actual fees. This may mean additional out-of-pocket expense for you. In addition, you are responsible for paying the entire bill, and MetLife will reimburse you directly.

Predetermination of Costs

MetLife strongly recommends, whenever you are considering extensive or complex dental services in excess of \$300.00, that you have your dentist submit a predetermination in advance so that the costs and coverage are predetermined and explained to you before you begin the proposed treatment.

Coordination of Benefits (Dual Coverage)

If you or your dependent(s) are entitled to dental benefits under more than one group plan, MetLife will coordinate its payment in accordance with the rules specified in the County's Group Dental Agreement with MetLife so that the total payments made by all plans will not be greater than the actual cost of covered services.

Chapter 5 Vision Coverage Options

Annual eye exams can do more than just test your vision. They can save your life! Even before obvious symptoms would cause you to seek care from your primary care physician, annual eye exams may provide early detection for potentially serious conditions such as glaucoma, diabetes, and hypertension.

■ *What Plan Is Available?*

❖ **Medical Eye Services (MES) – Vision Plan**

MES offers the largest and most comprehensive network in California and nationally through its provider network, The Eye Care Network (ECN). In California alone, there are over 7,000 participating providers, with 29,000 providers nationally to choose from.

MES members have full access to the entire ECN network, with their choice of Ophthalmologists (MDs), Optometrists (ODs), or Opticians. The ECN network also includes many retail outlets, which offer the flexibility of later weekday and weekend hours, often without an appointment.

Members have the freedom to choose from a variety of eye care providers, and also have the choice to receive an exam from one provider and eye wear from another provider. Many feel they can extend their benefit dollar by going to an optical store for materials after they visit an MD or OD for their exam.

■ *How to Use the Plan*

Covered employees follow these steps to receive their vision benefits:

1. The employee can make an appointment with the eye care specialist of his/her choice. Members will have less out of pocket if they utilize an MES Participating Provider and the provider will file the claim on behalf of the member so the member does not need to take a claim form with them to their appointment. To find a Participating Provider, please go to the MES website at www.mesvision.com, or contact MES directly at (800) 877-6372 or (714) 619-4660. Please note, MES Vision is an electronic plan and does not require an ID card to obtain services therefore, an ID card will not be provided. You may also elect to register on-line allowing you to review your covered benefits on their website or simply provide your information to your providers so they can verify your coverage.
2. At the time of the vision appointment, please make sure you notify the provider you are an MES member. The Participating Provider will contact MES for benefit determination and eligibility verification and then submit the Claim Form for payment for Covered Services.
3. If Covered Services are received from a Non-Participating Provider, the eligible employee is responsible for paying the provider in full at the time services are rendered. The eligible employee or the provider must submit an itemized billing and a copy of his/her prescription with the Claim

Form to MES. Please go to www.mesvision.com and download a claim form for reimbursement should you chose to go to an out of network provider. Reimbursement will be made to the eligible retiree, up to the Schedule of Allowances shown for Non-Participating Providers.

Contact lenses can be provided in lieu of spectacles (lenses and frame).

There is a \$20 copayment required for an exam and a \$20 copayment for materials, due at the time of service.

Members are responsible for the difference between the allowable amount and the charges for more expensive frame styles or lens upgrades above lens allowance. This applies regardless of whether the frame or lens is dispensed by a participating or non-participating provider.

Chapter 6

Frequently Asked Questions

1. Who is eligible to enroll in a County-sponsored Retiree Health Plan?

You may be eligible to enroll in a County-sponsored Health Plan if you are receiving a pension from Ventura County Employees' Retirement Association (VCERA). Some plans require continuous coverage in a County-sponsored health plan without a lapse in coverage.

2. When is my retiree health plan coverage effective?

Coverage for the non-Medicare medical, dental, and vision plans is effective the day after your active employee or COBRA coverage terminates.

Coverage under the Medicare-compatible medical plans must be effective on the first day of a month.

3. When am I eligible or required to change plans?

- If you are enrolled in a non-Medicare medical plan, you can change your coverage to a lower premium plan for which you are eligible effective the first of the month following enrollment transfer.
- If you are enrolled in a Medicare-compatible medical plan, you will be eligible to change plans during the Medicare Open Enrollment period each year.
- If you become ineligible for your current retiree non-Medicare medical plan (i.e. move out of your plan's service area, or if you or an enrolled dependent become Medicare-eligible), you must change to another plan for which you are eligible.

4. Can I add a dependent to my insurance?

Retired employees can add a new dependent within 31 days of marriage, registration and Declaration of Domestic Partnership with the Secretary of State or any California county or municipality, birth, placement for adoption, or permanent legal guardianship. If you are retiring and have an existing dependent that is not covered under your active employee/COBRA County plan, you cannot enroll them as a dependent under retiree health plan(s).

Surviving spouses cannot add new dependents.

You must complete and submit a Retiree Enrollment & Change Form within 31 days of the qualifying event to cover new dependents. This form can be found on our website:

<https://hr.ventura.org/benefits/retiree-health-benefits>

Please note:

- Coverage for most new dependents begins on the first day of the month after you complete and turn in the form, if it is received within 31 days of the qualifying event.
- Coverage for a child placed in your home pending adoption is effective on the date of placement.
- Coverage for a child for whom you are granted permanent legal custody is effective on the date permanent legal custody is effective.
- Coverage for your newborn is effective on the date of birth but is canceled 31 days from birth if a Retiree Enrollment & Change Form adding the new dependent has not been filed with the County by that time.

A premium adjustment may be required.

5. When and how are dependents canceled?

You can cancel coverage for a dependent at any time. You must cancel a dependent who is no longer eligible for coverage; for example, 1) an ex-spouse or 2) a child who reaches age 26. The former dependent may qualify for continued County coverage under COBRA if they experience a qualified event and you notify the County in writing within 60 days of the event that made them ineligible.

To cancel a dependent's coverage, notify the Retiree Health Benefits Coordinator in writing by completing and returning the Retiree Enrollment & Change Form as soon as possible. This form can be found on our website: <https://hr.ventura.org/benefits/retiree-health-benefits>

6. What if I no longer want insurance?

To cancel your retiree health plan, you must notify the Retiree Health Benefits Coordinator in writing by completing and returning a Retiree Enrollment & Change Form. The Form must be received by the 10th of any month for coverage to terminate the 1st of the following month. This form can be found on our website: <https://hr.ventura.org/benefits/retiree-health-benefits>
