What to Consider When Choosing a Child Care Provider

The following questions are good ways to measure the quality of a preschool or child care center.

Caregivers/Teachers:

- ☐ Do the caregivers/teachers seem to really like children?
- ☐ Do the caregivers/teachers get down on each child's level to speak to the child?
- ☐ Are the children greeted when they arrive?
- ☐ Are the children's needs quickly met even when things get busy?
- ☐ Are the caregivers/teachers trained in CPR, first aid and early childhood education?
- ☐ Are the caregivers/teachers involved in continuing education programs?
- ☐ Does the program keep up with children's changing interests?
- ☐ Are the caregivers/teachers ready to answer your question?
- ☐ Are parent's ideas welcomed? Are there ways for you to get involved?
- ☐ Do the caregivers/teachers and children enjoy being together?
- ☐ Are there enough staff to serve the children? (Ask local experts about the best staff/child ratios for different age groups.)
- ☐ What training and experience do caregivers/teachers have? Are caregivers/teachers trained and experienced?

Setting:

- ☐ Is the atmosphere bright and pleasant?
- ☐ Is there a fenced outdoor play area with a variety of safe equipment? Can the caregiver/teachers see the entire play ground at all times?
- ☐ Are there different areas for resting, quiet play and active play? Is there enough space for the children in all these areas?

Activities:

- ☐ Is there a balance of play time, story time, activity time, and nap time?
- ☐ Are the activities right for each age group?
- ☐ Are there enough toys and learning materials for the number of children?
- ☐ Are toys clean, safe and within reach of the children?

In General:

- ☐ Do you agree with the discipline practices?
- ☐ Do you hear sounds of happy children?
- ☐ Are children comforted when needed?
- ☐ Is the program licensed or regulated?
- ☐ Are surprise visits by parents encouraged?
- ☐ Will your child be happy here?

When you have decided on a preschool or child care center, contact them directly. The County does not endorse or assume responsibility for any of the preschools or child care programs in this listing.

How Do I Arrange My Discount?

As a County of Ventura employee, you are eligible for the discounts on registration fees and/or tuition that are presented in this listing. However, it is **your responsibility to initiate the discount** with the program director of the Center you choose. Child care center program directors are extremely busy with a sizable amount of paperwork to attend to for each child. It may not always be obvious to them that you work for the County and therefore, qualify for the discount. Please call their attention to this fact. Have a copy of this listing with you as well as your County badge or a recent check stub to verify employment.

Discount agreements in this listing are valid from **August 1, 2018 through July 31, 2019.**

If at any time during your child's enrollment your employment with the County ends, you should promptly notify the program director. Should you encounter any problems with obtaining any of the discounts that are identified in this listing, please contact the Work/Life Program at **805/477-7234** or worklife@ventura.org.

**Dependent Care
Flexible Spending Account**

The Flexible Benefits Program of the County of Ventura offers a Dependent Care Flexible Spending Account (FSA) which allows you to set aside money in a special nontaxable account from which your funds are released for eligible dependent care expenses. The amount you deposit in a Dependent Care FSA is not included as part of your taxable wages; your taxable income is reduced by the amount contributed to the account. Enrollment in a Dependent Care FSA must take place during open enrollment each November or within 31 days of certain qualified mid-year events, such as changes in your family and/or employment status.

For more information and additional rules and regulations, please consult Chapter 5 of your Benefit Plans Handbook or go to:
