SUBJECT: Public Hearing Regarding Adoption of a Resolution Establishing and Amending Service Rates and Fees for the Health Care Agency's Public Health Department and the Resource Management Agency's Environmental Health Division for Various Services for Fiscal Year 2023-24

RECOMMENDATION:

Adopt a resolution (Exhibit 1) establishing and amending service rates and fees for the Health Care Agency's Public Health Department (PHD) and the Resource Management Agency (RMA) Environmental Health Division for various services for Fiscal Year (FY) 2023-24 with such rates and fees to be effective on the dates listed in Exhibit 2.

FISCAL/MANDATES IMPACT:

Although state law does not mandate that a county establish and impose service rates and fees, state law does set limits on certain types of fees if a county does decide to charge service rates and fees to help pay for such services. The amount of revenue collected from many service rates and fees is dependent on the volume of services demanded by the public.

DISCUSSION:

Annually, your Board approves service rates and fees for the various services of the County based on the Board's policy of full cost recovery. On May 23, 2023, your Board approved the Schedule of 2023-24 Service Rates and Fees. Since that time, circumstances have changed that now require establishing and amending service rates and fees for FY 2023-24 for PHD and RMA Environmental Health Division effective on the dates listed (Exhibit 2).

HEALTH CARE AGENCY
