

HEALTH, EDUCATION AND WELFARE

The Health, Education, and Welfare Committee has responsibility for oversight of the public schools and community colleges in the county and the following county departments:

Health Care Agency
Public Social Services Agency
Library Services Agency
Area Agency on Aging

During our tenure, we conducted the following investigations in performance of our watchdog functions with interview and site visits:

- Alleged Violation of Education Code by Fillmore Unified School District
- Area Agency on Aging
- Casa Pacifica
- Child Development Resources
- Class Size Reduction
- Oxnard High School Pool
- Ventura County Library Services Agency
- Ventura County Medical Center
- 12 citizens complaint letters
