

County Services and Special Districts

The County Services and Special Districts Committee had oversight responsibility for the special districts, and for those agencies that support many of the special districts.

The committee dealt with two complaints, one of which turned into a final report; conducted visits to all agencies under its purview and prepared five reports. These activities are listed below.

Agencies visited:

- LAFCO/VCOG
- Resource Management Agency
- General Services Agency
- Public Works Agency including its sub-departments
- Agriculture Commissioner
- City of Ventura
- Resource Conservation District
- Conejo Recreation and Parks District
