

**2000-2001 GRAND JURY FINAL REPORT**  
**Sheriff's Department Women's Detention Facility**  
**Respondent: Board of Supervisors**

**Recommendation R-4:** The Board of Supervisors should support and approve all efforts to fund the remodeling.

**Response:** The Board of Supervisors concurs with this recommendation. It is in the process of being implemented. The estimated cost of remodeling the Women's Detention Facility (Honor Farm) visitor center is \$250,000. Of this amount, \$25,000 was expended during FY 2000-01 for approved architectural drawings. The remaining cost will be covered through reallocation of appropriations within the Sheriff's Detention Service budget for FY 2001-02. The project is on track and expected to be completed during FY 2001-02. The Sheriff's Department has been working closely with the General Services Agency with all permitting, approvals, and construction.
