Subject: Response to Ventura County 2003-2004 Grand Jury Report, Elections and
Local Appointment Lists

Dear Honorable Judge Clark:

This letter is in response to the above referenced Grand Jury Report. We have reviewed the report's findings and recommendations, and only Finding No. 15 and Recommendation No. 04 would appear to require comment from the City of Moorpark. In response to Finding No. 15 and Recommendation No. 04, we concur and have revised the City's local appointment list to include "the necessary qualifications for the position." This information had previously been made available to the public in a separate report to allow more detailed information to be included for each position. We will now provide the qualifications information on the appointments list as well as maintaining the additional information we already make available to the public annually (before December 31 of each year as required by Section 54972 of the Government Code) and at the time of appointment advertisement.

Sincerely,

Steven Kueny
City Manager
