RE: Response Follow-up from the Mesa Union School District to the Grand Jury Report: *The Half Billion Dollar Elephant in our Schools' Closets*

Members of the Ventura County Grand Jury:

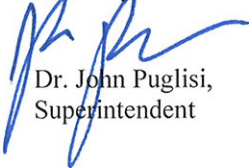

As requested in your letter dated October 23, 2010 regarding the Mesa Union School District's response to the Ventura County 2009/2010 Grand Jury Report title *The Half Billion Dollar Elephant in Our Schools' Closets*, following are the revised responses:

Recommendation R -05. Post the entire District budget on the District website:

This recommendation has been studied, the District has decided that since the narrative includes all the information in a much more easily compact, easy to understand format than the entire budget, Mesa School District will post the District "Budget Narrative" on the District website.

Thank you for the opportunity for the Mesa Union School District to review and respond to the Grand Jury on this topic. If you have any additional questions or comments, please feel free to contact me via phone (805-485-1411) or via email (jpuglisi@mesa.k12.ca.us).

Sincerely,

Dr. John Puglisi,
Superintendent
