Mr. Ronald L. Cameron
Chair, Grand Jury Review Committee
County of Ventura
800 S. Victoria Avenue
Ventura, CA 93009

Dear Mr. Cameron:

This letter is in response to your letter of September 26, 2012, notifying us you are in need of the Pleasant Valley School District's Earthquake Safety in the Classroom plan.

The Pleasant Valley School District is in agreement with the County's recommendations as noted in the Final Report, Earthquake Safety in the Classroom, dated June 7, 2012. The District has 12 schools with a total of 6693 students (including preschool). The EDP and CSSP plans are revised on an annual basis. They practice "duck and cover" and have emergency provisions for their students. They have regular inspections of the classrooms. The site principal and the local fire department monitor required drills and inspect school rooms.

If you have any questions regarding our District's response, please feel free to notify me at (805) 445-8600.

Sincerely,

RaeAnne Michael
Superintendent
