RE: Final Report - Mandatory Detention Facilities Inspection, May 2012

Dear Mr. Cameron,

After reviewing the Grand Jury's report on Mandatory Detention Facilities, the report found that;

FA-12 Santa Paula Police Department Detention Facility did not have First Aid/Medical Necessities and AED accessibility

R-01 That the cities of Oxnard and Santa Paula purchase or make visible AED's

R-05 Additional recommendation was made that Santa Paula Police Department implement a parenting program for juveniles such as the Cities of Ojai and Camarillo

In reference to **R-01**, we have placed an AED inside the jail detention area, to conform to your recommendation. Additionally, regarding **R-05**, steps will be taken immediately to review the Cities of Ojai and Camarillo's juvenile parenting programs for possible implementation, given staffing allotment facilitates it. Please contact me at (805) 525-4474 x124 if you have further questions or concerns.

Sincerely,

Ismael Cordero
Interim Police Chief
