Agency: General Services Agency – Human Resources

Title of Internship
Occupational Health and Safety Intern

Description
This is a great opportunity for someone interested in conducting research and assisting the department with the OSHA/Cal-OSHA Illness Injury Prevention Program! The General Services Agency has a myriad of career paths representing several work industries. The selected intern will work closely with GSA’s Occupational Health and Safety Officer with a focus on preventing workplace injuries.

Sample Duties
• Assist with incident/accident investigations.
• Inventory of Safety Data Sheets.
• Administration of Illness Injury Prevention Program.
