FOR IMMEDIATE RELEASE

HIPAA Breach Disclosed

[Ventura, CA] -- The Ventura County Health Care Agency (HCA) discovered a breach of patient information on March 26, 2015. On April 1st, the identification of patients affected by the breach was presented to the Agency's Compliance department. Information was limited to patient name and internal (HCA) account numbers only. No sensitive information: date of birth, social security numbers, patient addresses or patient medical information was included within the files.

Patient notification letters were mailed on April 22nd to all patients affected by this breach.
