#### BUDGET UNIT DESCRIPTION:

This budget unit includes all Harbor enterprise fund operations. The Harbor Department operates Channel Islands Harbor, the "Gateway to the Channel Islands," as a recreational and business facility. The Harbor consists of approximately 310 acres of land and water. Services are provided to water areas to the north (Mandalay Bay, Westport and Seabridge) on a reimbursement basis by agreement with City of Oxnard. Immediately adjacent to the Harbor are two miles of County-owned public beaches and the La Janelle shipwreck and beach, which are also managed (lifeguarding and cleaning) by this Department on behalf of the County General Fund. The Department oversees 31 master leases with private sector businesses, as well as a County fuel dock, small boat and commercial fishing marinas, the Harbor's sportfishing landing, and a public launch ramp. Primary emphasis for FY 2009-10 will be upon closely tracking Enterprise revenue, reducing costs as needed while meeting contractual obligations and having minimal impact on the visitor experience, working with Lessees on planning and coastal permits, and the continuing update of the Harbor Public Works Plan.

## BUDGET UNIT DESCRIPTION:

This budget provides for the accounting of the Airport's capital projects. Camarillo and Oxnard Airports receive both federal and state grant funds. Federal Aviation Administration (FAA) regulations, under which the County accepts airport improvement grants, require that: airports receiving grant assistance must dedicate all revenues generated by the airport for the capital and operating costs of that airport or the local airport system; and, that financial self-sufficiency is maximized. Rate-setting may be by either cost recovery or fair market value for aviation uses and must be by fair market value for non-aviation uses.
